BASKETBALL CONNECT

Registration Steps

Step 1- Choose a club to play

Step 2- Complete the information

Step 3- Ensure you are in the correct age group

Step 4- Select payment method (pay upfront or instalments)

Step 5- Check that you have received a confirmation email from Basketball Connect/World Sport Action.

Play On Vouchers

If you have a PlayOn Voucher, these can be directly entered when you register by clicking “Add Government Voucher” on the payment screen. This option isn’t available for school clubs, so if you are playing for a school, please email kaidyn@loganbasketball.com with your PlayOn Voucher.

Second Team Registration

Players are able to play for a second team outside of their age group. This is available at a discounted rate (\$100).

All players must register into their correct age group and pay the total relevant fee for their respective age group. Players may then play up in an older age group if they apply for special consideration through the club.

Thunder 10s

Thunder 10s is a development league designed for new players. No rep players are eligible to play in Thunder 10s. If a player has been selected in Rep U12s they will no longer be eligible to play in Thunder 10s.

All registration is processed through the Logan Basketball website www.loganbasketball.com/#join

SEASON RULES

Fixtures:

Logan Basketball publishes the season draw in advance where possible.

Adjustments to the Draw

Representative commitments will be a priority and games will be adjusted to meet these commitments. Clubs should make LBI aware of any draw requests prior to the season. The requests must be based on requirements for players/coaches to attend games, not preference.

Points Ladder

The ladder will be ranked by the following criteria in this order:

- Ladder points
- Wins-Losses between the tied teams
- Points for-against from games between the tied teams

Mercy Rule

The scoreboard shall cease scoring for the winning team if they gain a 30 point lead. At this point coaches are to implement special competitive rules e.g allowing the team to pass half court before defending.

Playing Up

Players may play up for 3 games if a team is short. However, if the player is choosing to stay up an age group after 3 games, there will be a \$100 2nd registration fee.

SEASON RULES

The full rules can be found on the Logan Basketball website. Below is a brief overview.

Changing clubs

- Players must notify LBI and previous club when looking to change clubs. If a Club knows a player has transferred, the destination club must notify LBI before the player takes the court.
- All representative player movement requires final approval by LBI to maintain competition stability.

Special Consideration

- A player may apply for special consideration to play up or down. Team officials need to submit these requests in an email detailing why the player should be granted special consideration.

Uniform and Delayed Start Time

- 5 points for each player out of uniform up to 20 points.
- 2-point penalty for each min the game is delayed up to 20 points.

Fill-Ins

If a team is short on players, the team may occasionally use 'fill-in' players. For a player to be eligible to fill-in they must:

- Be registered for the club in which they are filling in for.
- Be filling in for one age group higher but the same division as their usual team, or filling in for the same age group but a higher division than their usual team.

If a team has 3-5 players able to play, the team may use enough eligible fill-in players to play with six (6) total players.

Should players meet the criteria to fill-in, the club must alert LBI before the game begins and make the court controller aware of players being borrowed on the iPad. Failure to do so will result in a forfeit.

COURSES & IMPORTANT INFORMATION

LBI offers regular development courses for members and affiliated clubs:

Coaching Course

Any future coaching courses will be sent to club delegates via email and posted on social media.

Referee Course

Referee courses will be advertised online at the start of each term. LBI will host referee development opportunities in every school term.

Score Table Course
