OUTREACH

In September, the EquiFlow Outreach Team joined H2N and Wausau Family Pharmacy at the Community Partners Campus to educate attendees on the dangers of lead exposure and the importance of lead service line replacement through the EquiFlow Program.

APPRENTICESHIP UPDATE

The EquiFlow apprenticeship program continues to give participants hands-on experience and valuable field training. Here’s what one apprentice shared about their experience:

How was the placement process?

“The placement has been awesome. I get to work with great people who know what they’re doing and make it easy to learn and contribute.”

How is the apprenticeship going?

“It’s going really well. I’m learning a lot of new skills, including working with concrete and asphalt.”
