## Monthly Progress Report

### HARVEST FEST

On October 4, the EquiFlow outreach team participated in Wausau’s annual Harvest Fest. Families stopped by to decorate pumpkins and leaves, enjoy Halloween goodies, and chat with the team about the program. This event provided another valuable chance to connect with residents to share more about the important work EquiFlow is doing in Wausau.

### HMONG AMERICAN CENTER HALLOWEEN BLOCK PARTY

The EquiFlow outreach team also had the opportunity to join our partners H2N and HOLA at the Hmong American Center’s Halloween Party. Dressed as construction workers, the team passed out Halloween goodies, spent time with families, and shared information about the program.
