#CastingForTheFuture

CASTING FOR THE FUTURE

As we prepare to host our 8th Annual Fishing Tournament, I want to thank our business partners, friends, and families for their continued support of this important fundraising event.

Over the years, your generosity has helped advance philanthropy that invests in the future of the Valley. Together, we can multiply the impact of every dollar raised by supporting initiatives that invest in our community and help it thrive.

This year, we are proud to partner with local institutions to invest in higher education and workforce development programs that promote construction careers and the skilled trades needed to Build the Future of the Valley.

For those who have joined us before, you know this event is about more than fishing. It is an opportunity to raise funds, build relationships, and enjoy time away from the office and jobsite while strengthening the partnerships that help our businesses succeed.

I look forward to seeing you at South Padre Island. Tight lines!

Josue Reyes
President/CEO

Thank You for being part of the mission.
