# BALLSY CONSOLE

REQUIRES 4 - 6 WEEKS FOR PRODUCTION

The monochromatic Ballsy console makes a bold statement. Named for its distinctive exterior detailing, it can be finished in your choice of matte cobalt, burgundy or black—adding sculptural punch to any space.

## MATERIALS

Sprayed MDF external carcass with soft close, push-to-open doors  
Matte black melamine internal carcass with high impact edges  
Back painted glass top

## COLOUR, TIMBER AND FABRIC VARIATIONS

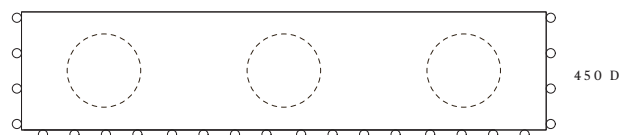

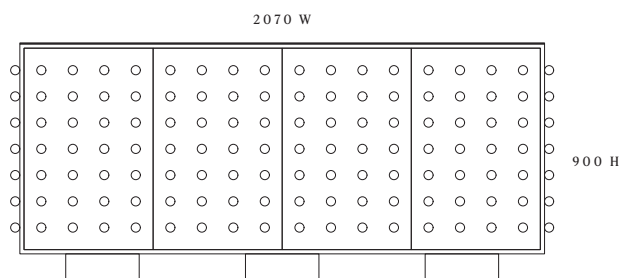

Please refer to the individual product listing on our website to view the standard colour or material options associated with this product or visit the material library to see all available options.

## DIMENSIONS

2070 mm W x 450 mm D x 900 mm H

## CLEANING

Clean spills immediately with a slightly damp cloth. Don't use abrasive chemicals to clean timber.

MOOD,

MADE.
