# ADVISORY SERVICES

## SYSTEMA CAPITAL PARTNERS

---

Systema Capital Partners is an international boutique M&A advisory firm headquartered in Belgrade, founded by senior partners with decades of cross-border experience. We help companies attract strategic investors and navigate complex transactions through a partnership approach.

Our work spans Mergers and Acquisitions, Corporate Finance, Debt Structuring and Restructuring, as well as Governmental and Institutional Advisory. We support ambitious company owners in their growth, transformation and succession planning.

What sets Systema apart is how we work: every mandate is senior-led, personally managed, and grounded in our core values – **expertise, integrity, and creativity**. We exclusively defend the company owners interests in the transaction.
