

# THE HAMILTON/BURLINGTON SPCA LEGACY CIRCLE

The Hamilton/Burlington SPCA dates back to 1887, when concerned citizens first met to establish an organization to improve the lives of animals in the growing city. At that time the priority was exhausted work horses, fighting chickens and neglected farm animals. In the 1920s volunteers began to go into schools to teach children about being kind to the animals. Over the decades good work has continued to be done for animal welfare and humane education.

Throughout its history, the Hamilton/Burlington SPCA has been deeply supported by compassionate donors whose legacy gifts ensure animals in need receive care at the most critical times. Contributions through wills have played a key role in building our shelter, acquiring life-saving medical equipment, and providing vital services to animals in our community.

The HBSPCA Legacy Circle is a special group of individuals who make this possible by including a gift to the animals in their will. We are deeply grateful for the generosity of those who help shape a brighter future for the animals in our care.

If you have made a bequest or other estate gift but have not already notified us, we encourage you to share your wishes with us. By completing and returning this form to the Major Gifts and Planned Giving Officer, you join a select group of supporters who are committed to ensuring a safe, healthy future for all the animals in our community.

Support Where It Matters: Contributions to the OSPCA do not directly benefit animals in Hamilton or Burlington. The HBSPCA is your local animal welfare organization, ensuring your donations are used right here to provide care, shelter, and medical attention to animals in need. Only by supporting the HBSPCA can you ensure that your generosity stays local, directly helping the animals in our community. To truly make a difference locally, support the HBSPCA.
