Worried about maintenance?

We've got you covered!

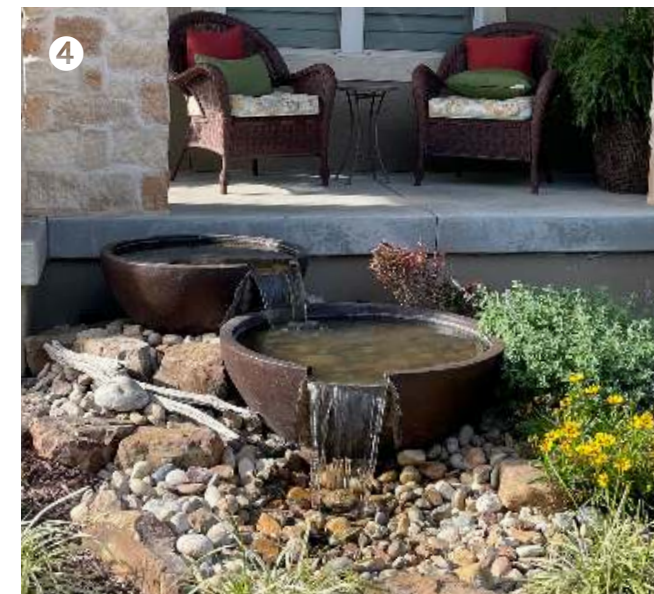

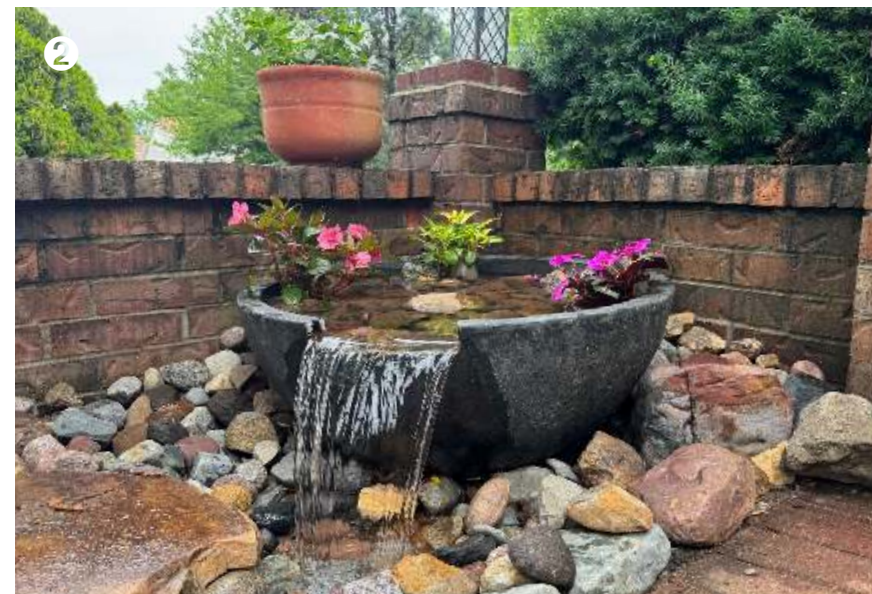

Our team will guide you through the proper care and maintenance of your water feature throughout the season. For added convenience, we also offer a range of professional maintenance services, providing a hassle-free experience while keeping your water feature clean, healthy, and looking its best year-round.

SPILLWAY BOWLS

5

Fiberglass fountain bowls offer a striking way to bring movement, texture and sound to any outdoor living space or even added to an existing water garden. We custom-cut each bowl to create a variety of spillway variations, allowing water to cascade in a way that suits your preference. Use them as a standalone accent, or create extra filtration and planting space for your existing pond or waterfall. These spillway bowls are incredibly versatile, adapting to both large open areas and compact courtyards.

1 Triple Cascading Spillway Bowl

- 40" diameter bowl
- Starting at \$5,000

2 Wide Cascading Spillway Bowl

- 32" diameter bowl
- Starting at \$4,000

3 Single Cascade Waterfall Accent Bowl

- 32" diameter filter & planter bowl
- Starting at \$5,000

4 Two Tiered Dual Spillway Bowls

- 32" bowl cascading into 40" diameter bowl
- Starting at \$7,500

5 Single Cascade Pond Filter Bowl

- 40" diameter filter & planter bowl with additional pump & plumbing line
- Starting at \$6,500

6 Multi Cascading Custom Fountain Bowls

- Unique quartet of cascading spillway bowls
- \$20,000 as shown

STACKED SLATE LINE

7

Inspired by meticulously hand-stacked natural slate urns & spheres, these fountain features are a tribute to artists who came before us.

Constructed from winter-hardy durable fiberglass, these fountain features offer an extraordinary amount of versatility. Urns & Spheres come in a selection of heights, and can be custom-cut and arranged in an endless array of unique fountainscapes. Enjoy an incredibly low-maintenance feature that still offers the stunning sights & sounds of flowing water.

- 1 Stacked-Slate Fiberglass Urn Fountain
■ Available in 33", 45", 54" heights (45" shown)
■ Starting at \$6,000

- 2 Custom Stacked-Slate Fountainscape at Subdivision Entrance

■ 36" urn, 24" sphere, and spill-over half-sphere shown
■ Starting at \$10,000

Let's talk about your backyard oasis!

Sort fact from fiction when it comes to creating the relaxing oasis where you'll spend time relaxing, having fun, and living your dream. Take the next step to find out what it will take to bring your dream outdoor space to life. It's easy! Just click [here](#).

SMALL PONDLESS WATERFALLS

9

Pondless waterfalls bring the beauty and tranquility of moving water to your landscape without the need for a visible pond. Water gracefully cascades over natural stone, creating soothing sights and sounds while disappearing into a hidden underground reservoir. Safe and low-maintenance, these stunning features blend seamlessly into gardens, patios, and outdoor living spaces. Whether nestled as an accent in a garden bed or showcased as a focal point, a pondless waterfall transforms any outdoor environment into a peaceful retreat.

1 Large Limestone Boulder & Driftwood, Pondless Waterfall

■ 8' stream with approx. 24" waterfall height shown

■ Starting at \$15,000

2 Medium Mossrock Boulder Pondless Waterfall

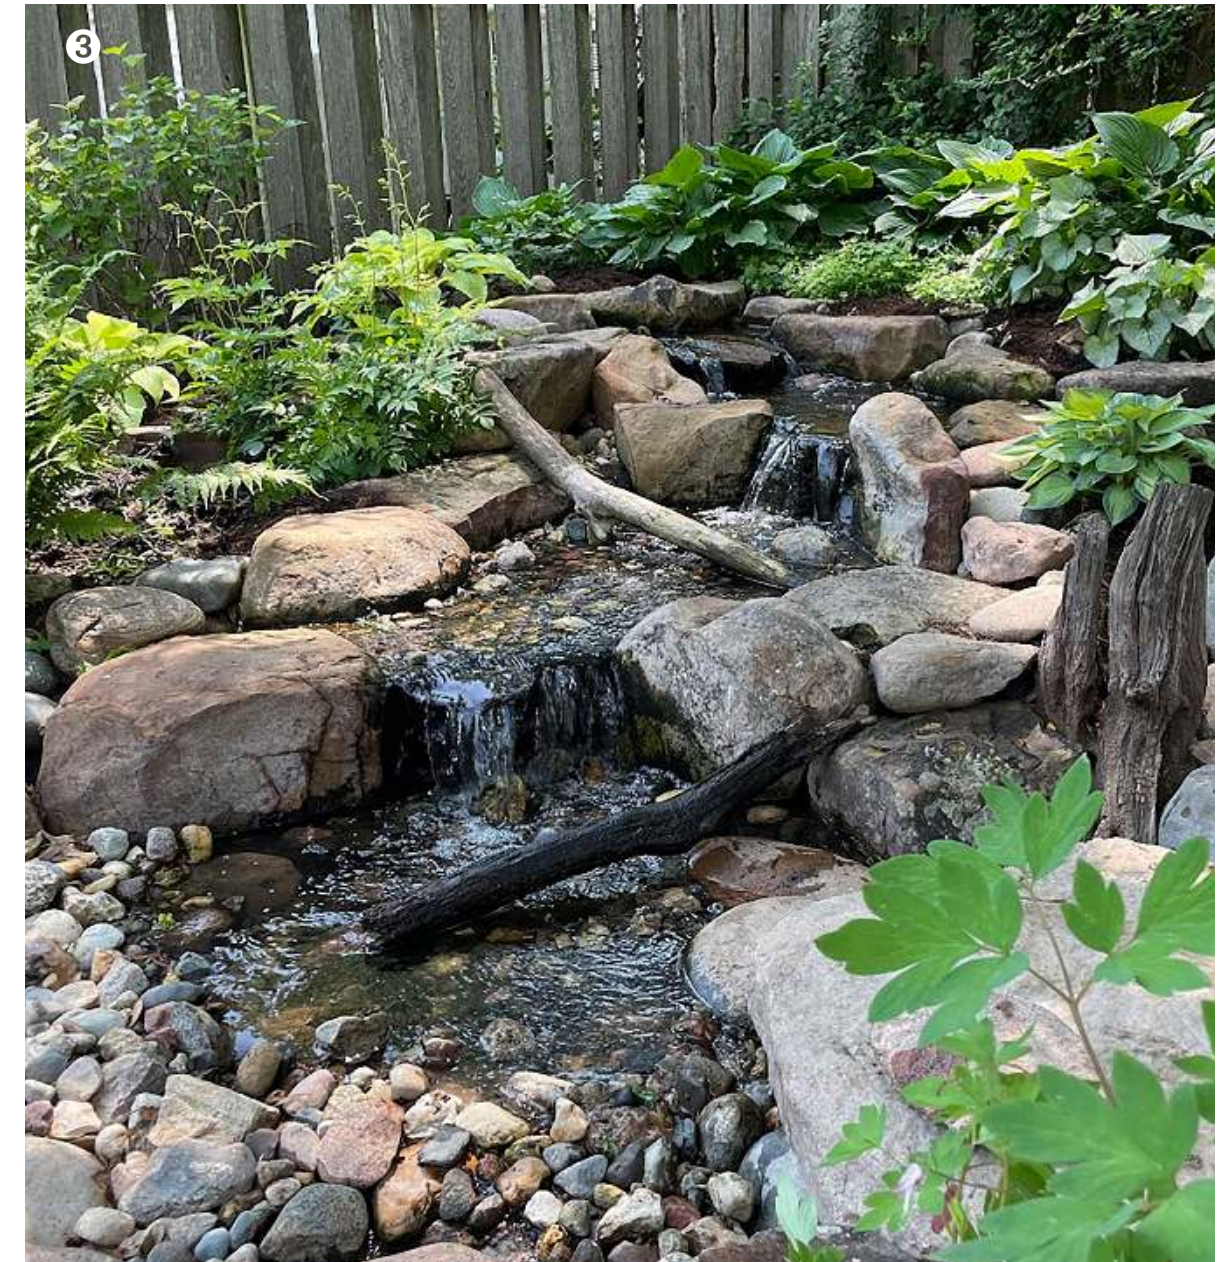

■ 6' stream length with approx. 20" waterfall height shown

■ Starting at \$11,000

3 Small & Medium Mossrock Boulder Pondless Waterfall

■ 8' stream with approx. 24" waterfall height shown

■ Starting at \$13,000 as shown

SMALL PONDS

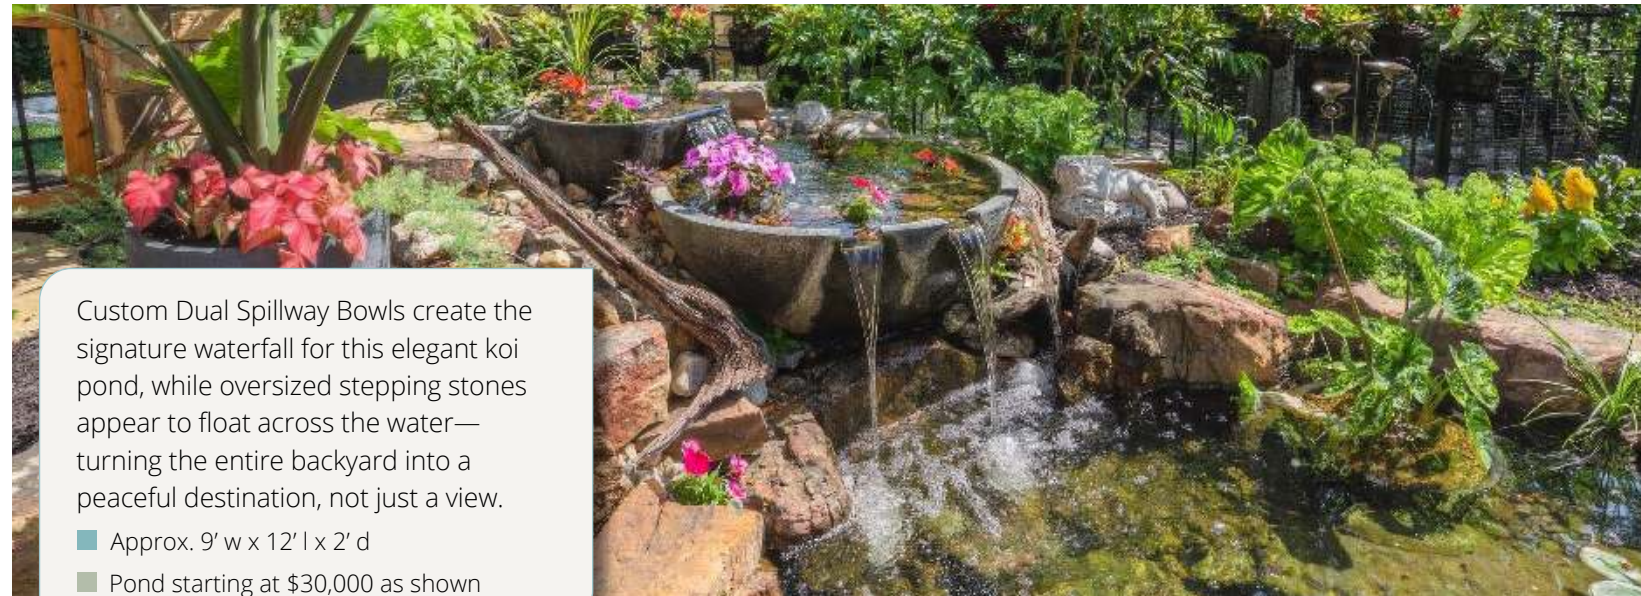

An ornamental backyard pond creates a stunning focal point that combines the beauty of water, stone, and vibrant aquatic life. Designed to be low maintenance and to mimic the serenity of nature, these elegant water features provide a peaceful retreat where colorful fish glide gracefully through crystal-clear water. Surrounded by landscaping, natural boulders, and aquatic plants, a Koi pond adds year-round interest and timeless charm to any outdoor space. More than just a water feature, it becomes a living ecosystem that inspires relaxation, reflection, and connection with nature.

- ❶ Small & Medium Mossrock Boulder Pondless Waterfall
 - 6' x 8' Pond of 2.5' depth, with a 6' long stream shown
 - Starting at \$17,000
- ❷ Small & Medium Mossrock Boulder Koi Pond with Waterfall
 - 5' x 7' Pond of 2.5' depth, with a 20" pond-side waterfall shown
 - Starting at \$15,000
- ❸ Medium & Large Limestone Boulder Koi Pond with Waterfall
 - 7' x 10' Pond of 25" depth, with a 24" pond-side waterfall shown
 - Starting at \$19,000 as shown

DUAL SPILLWAY BOWL POND IN BACKYARD OASIS

13

A natural gravel beach invites you to sit at the water's edge and fully experience the calm of a backyard water garden. Bold black granite boulders add striking contrast and create a dramatic focal point within the surrounding landscape.

- Approx. 15' w x 25' l x 2' d with a 6' stream
- Starting at \$75,000 as shown

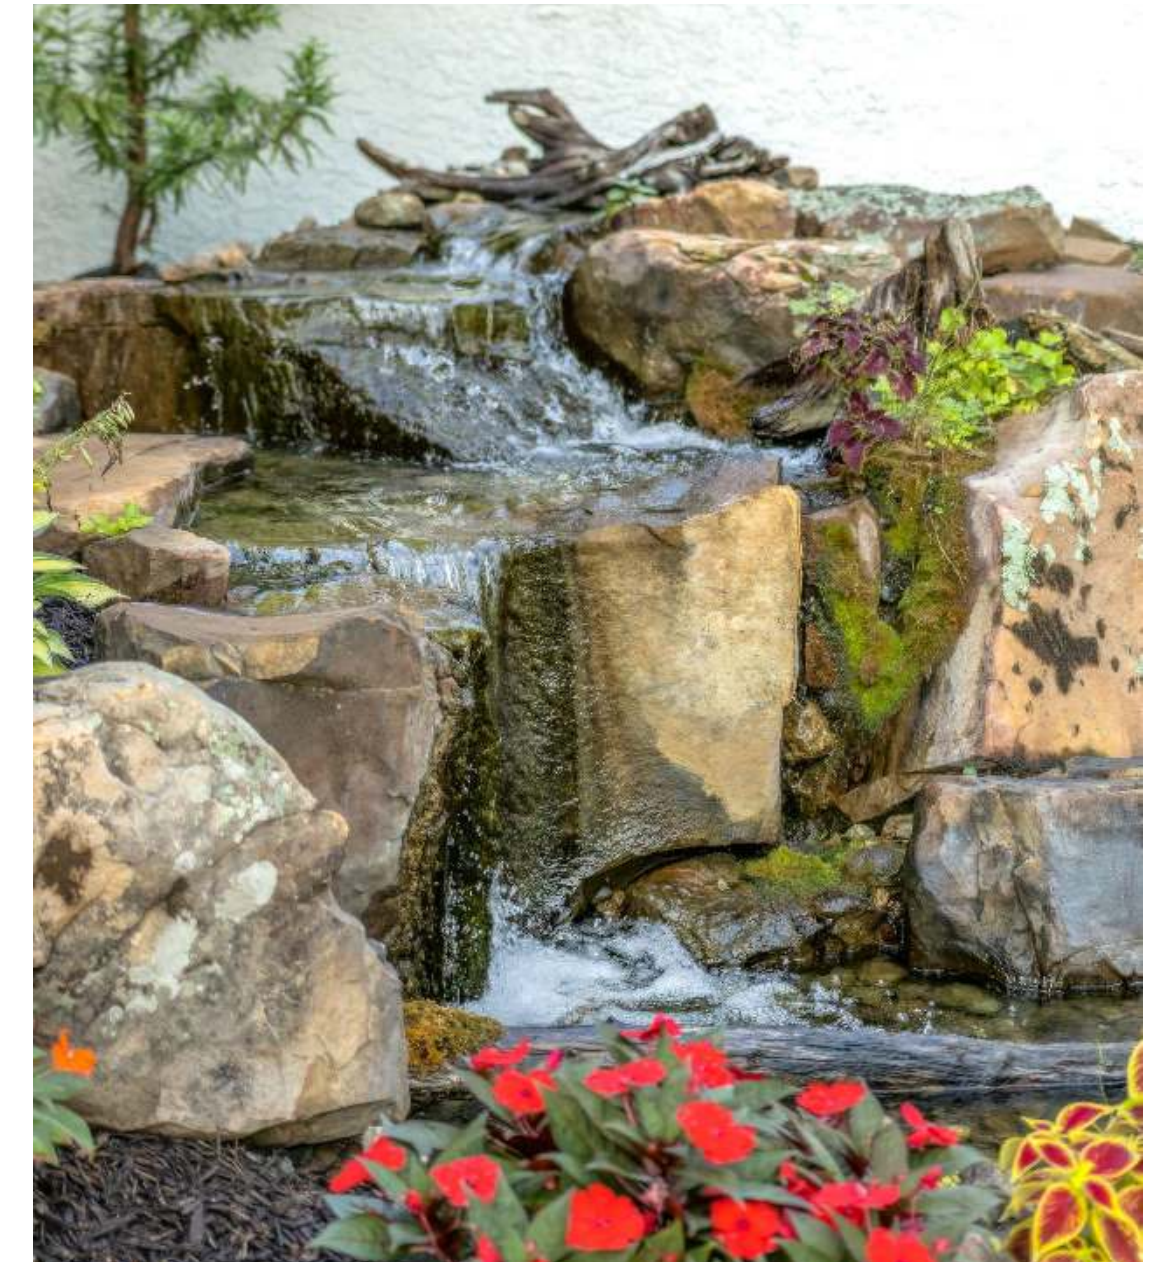

LARGE BOULDER WATERFALL NESTLED IN COZY OUTDOOR SPACE

17

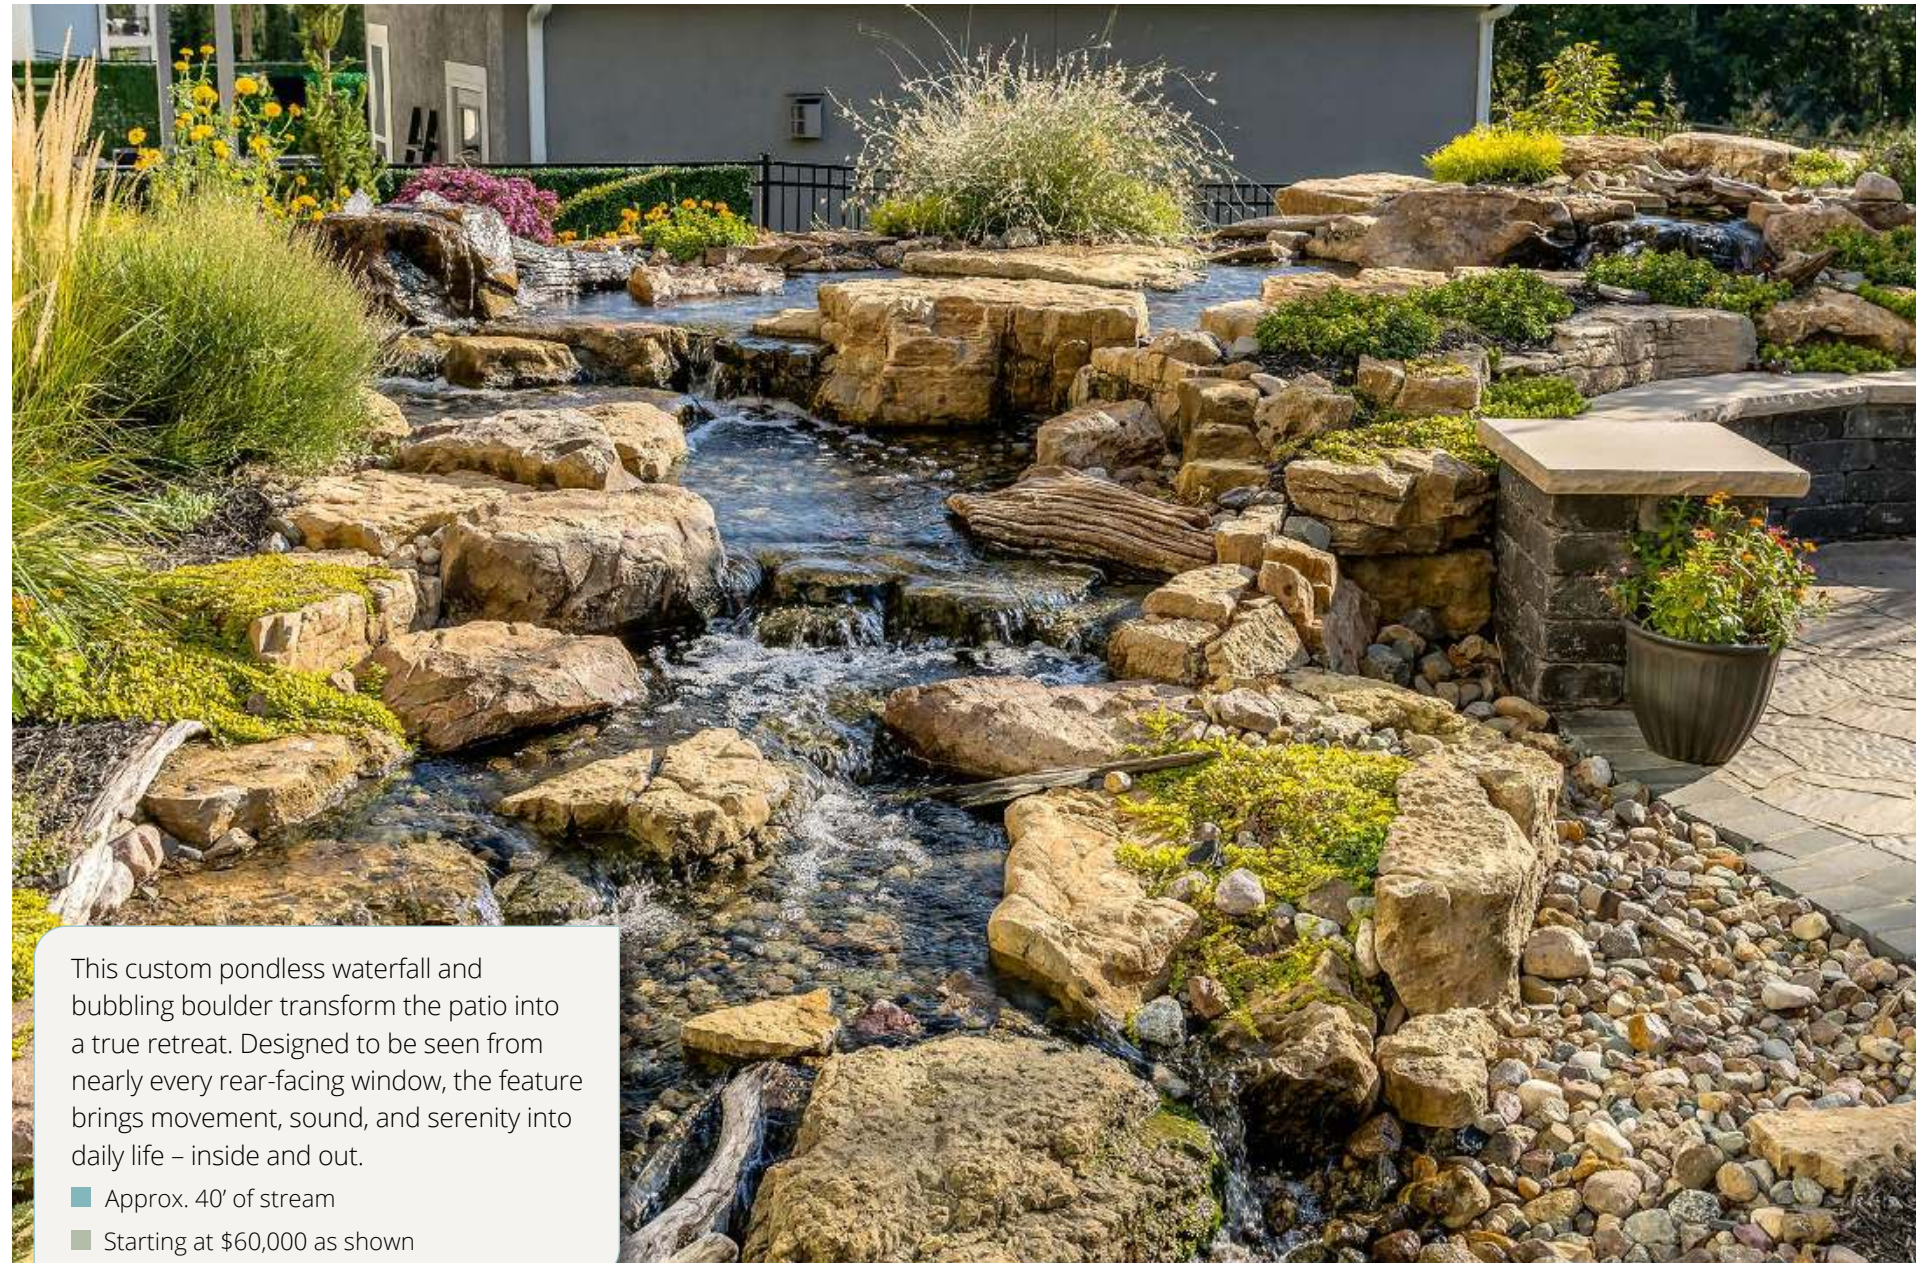

Designed as the centerpiece of this outdoor living space, this dramatic pondless waterfall rises nearly six feet tall with oversized natural boulders, creating a stunning focal point for entertaining, relaxing, and everyday enjoyment.

■ \$100,000 with waterfall, fire pit & patio

MEANDERING BACKYARD STREAM

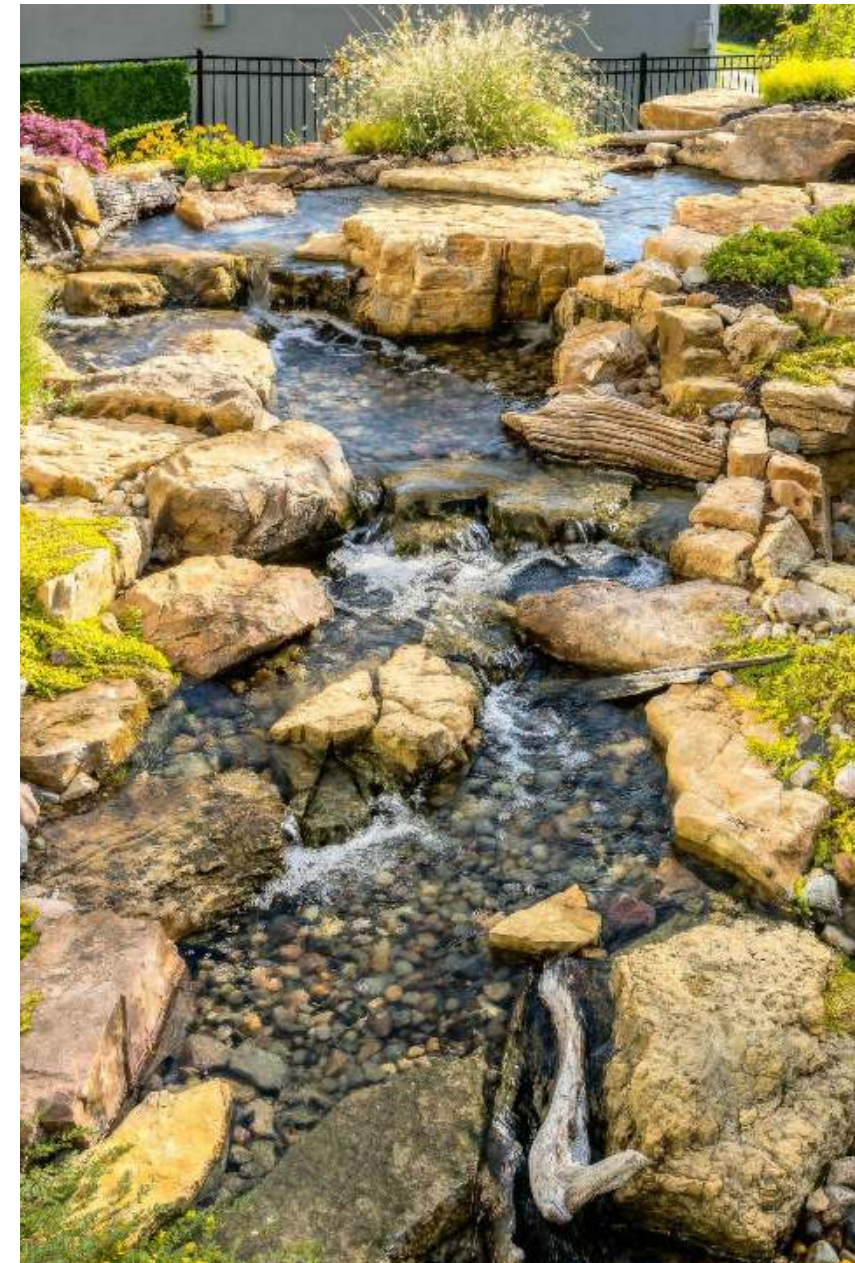

19

This custom pondless waterfall and bubbling boulder transform the patio into a true retreat. Designed to be seen from nearly every rear-facing window, the feature brings movement, sound, and serenity into daily life – inside and out.

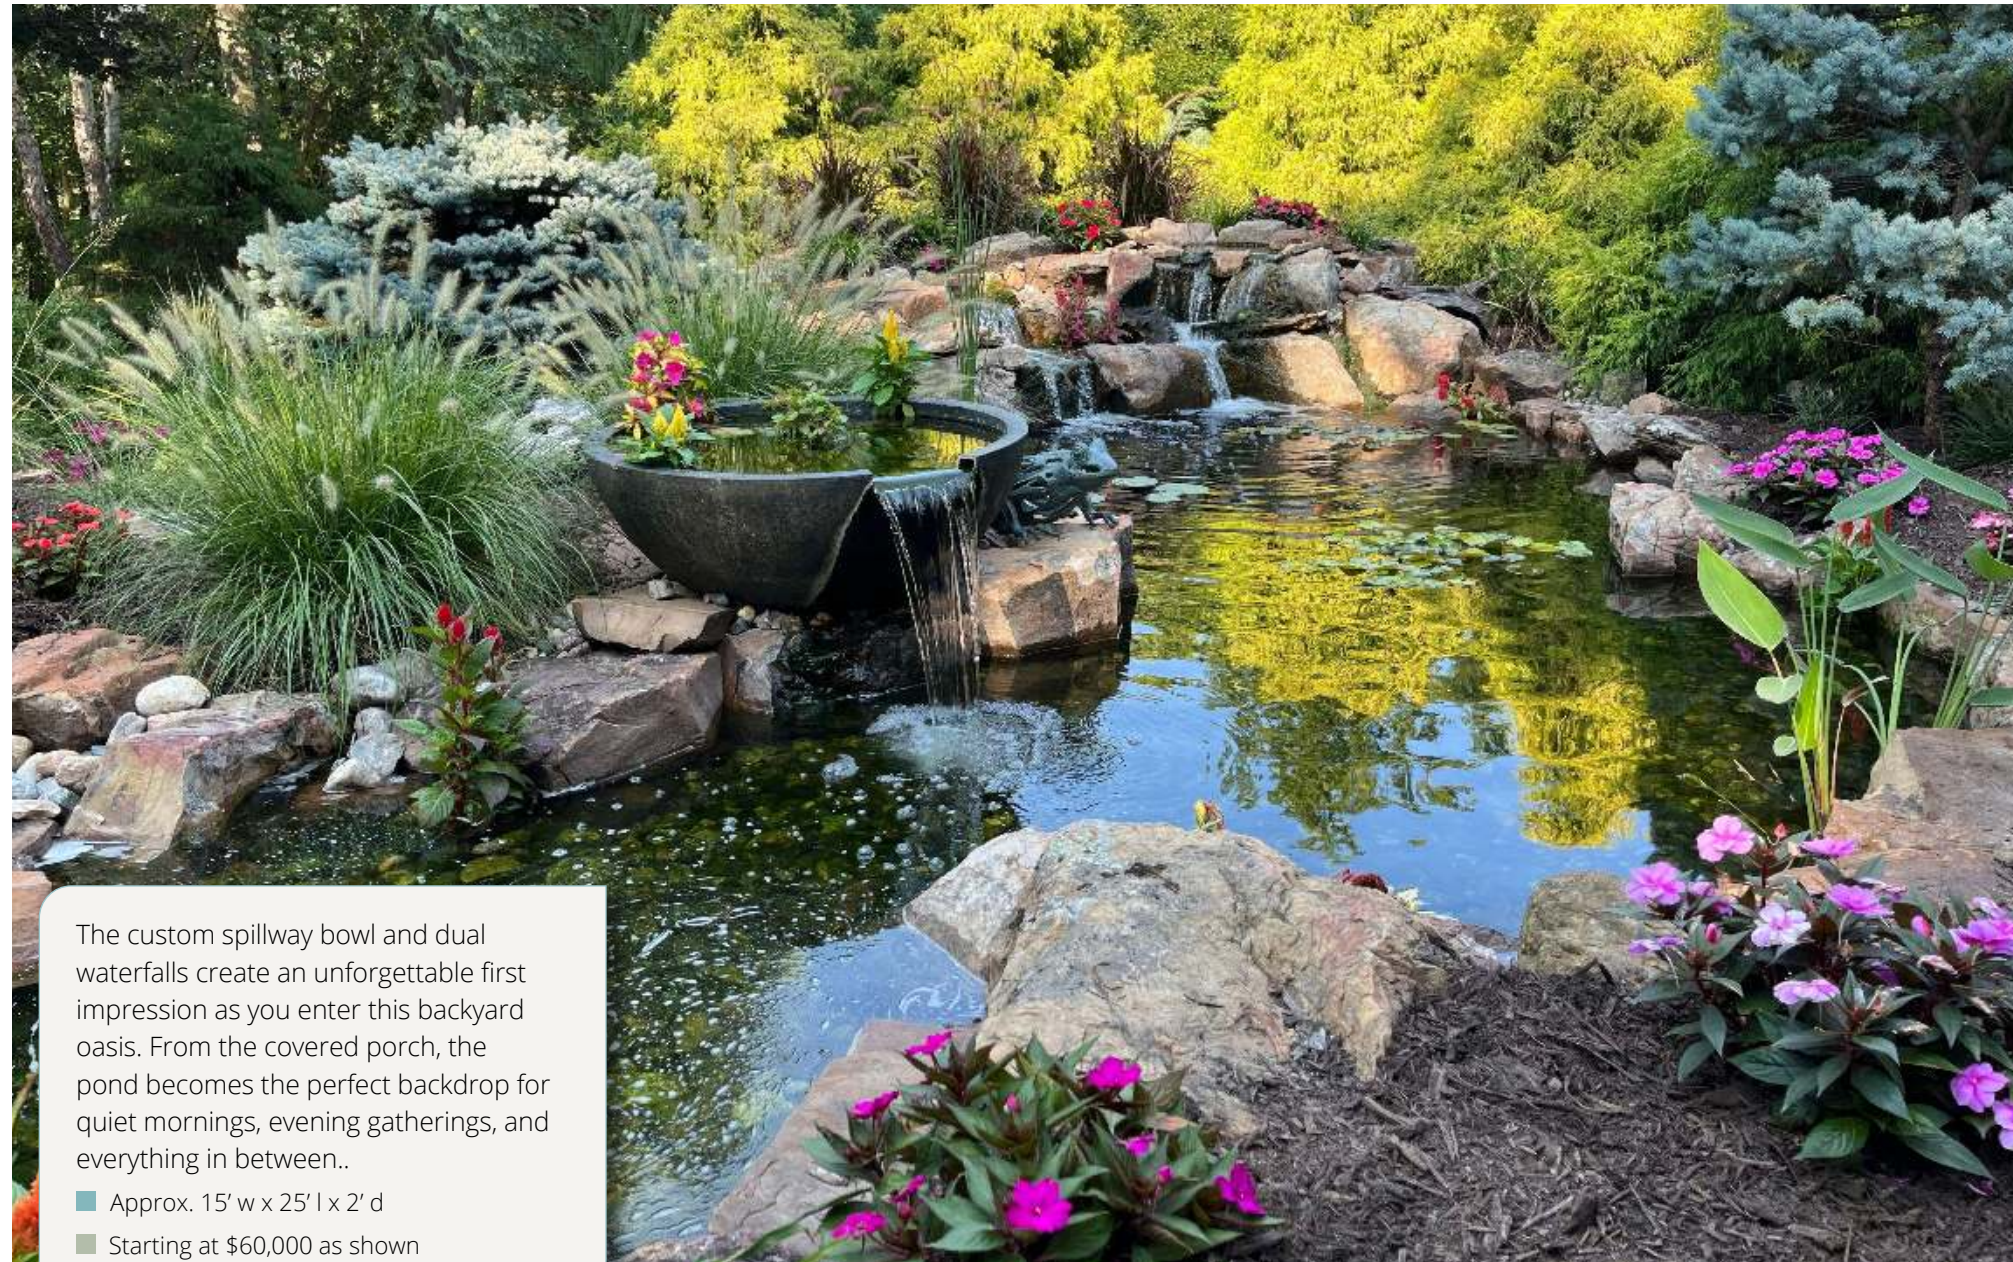

■ Approx. 40' of stream

■ Starting at \$60,000 as shown

COLORFUL KOI POND IN WOODLAND BACKYARD

21

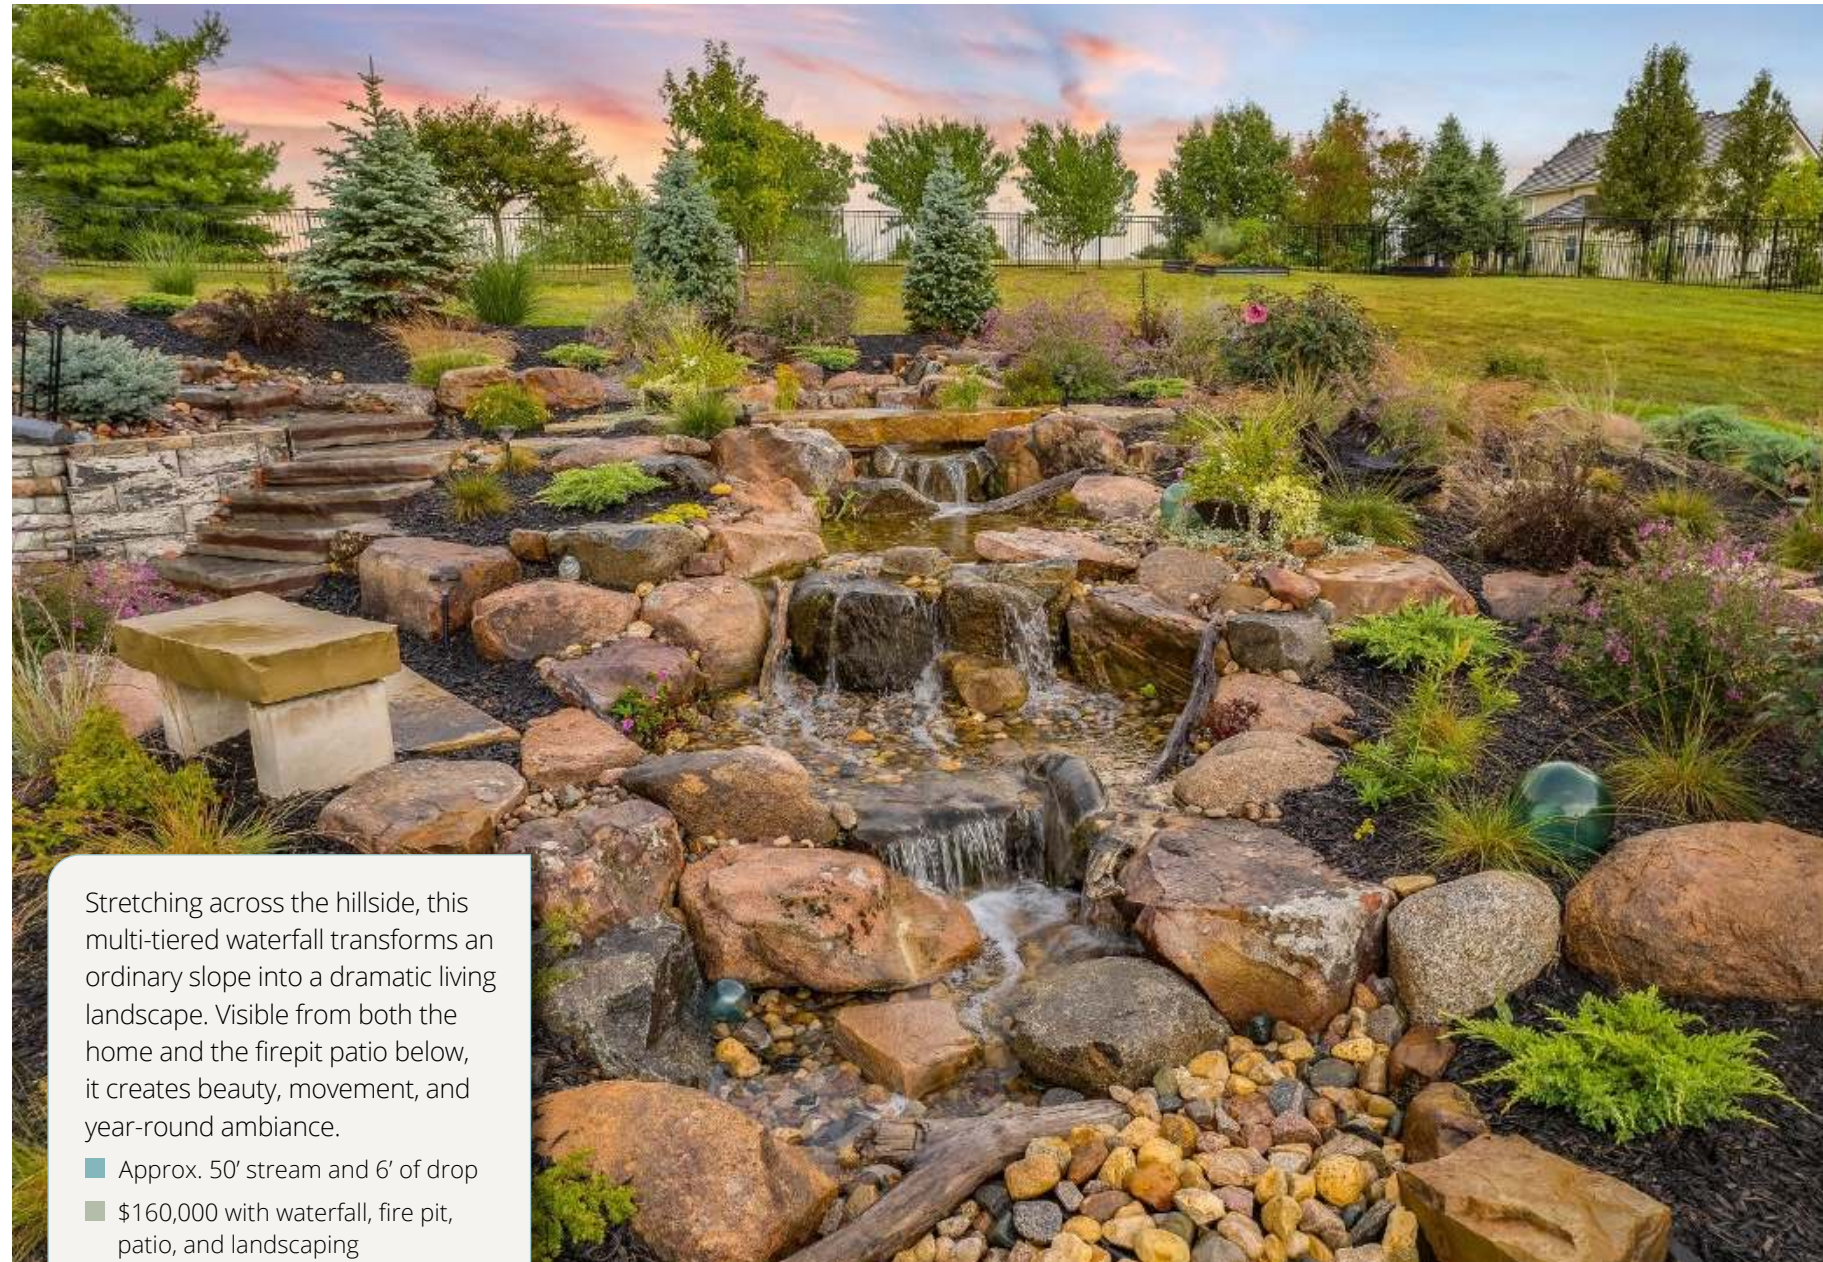

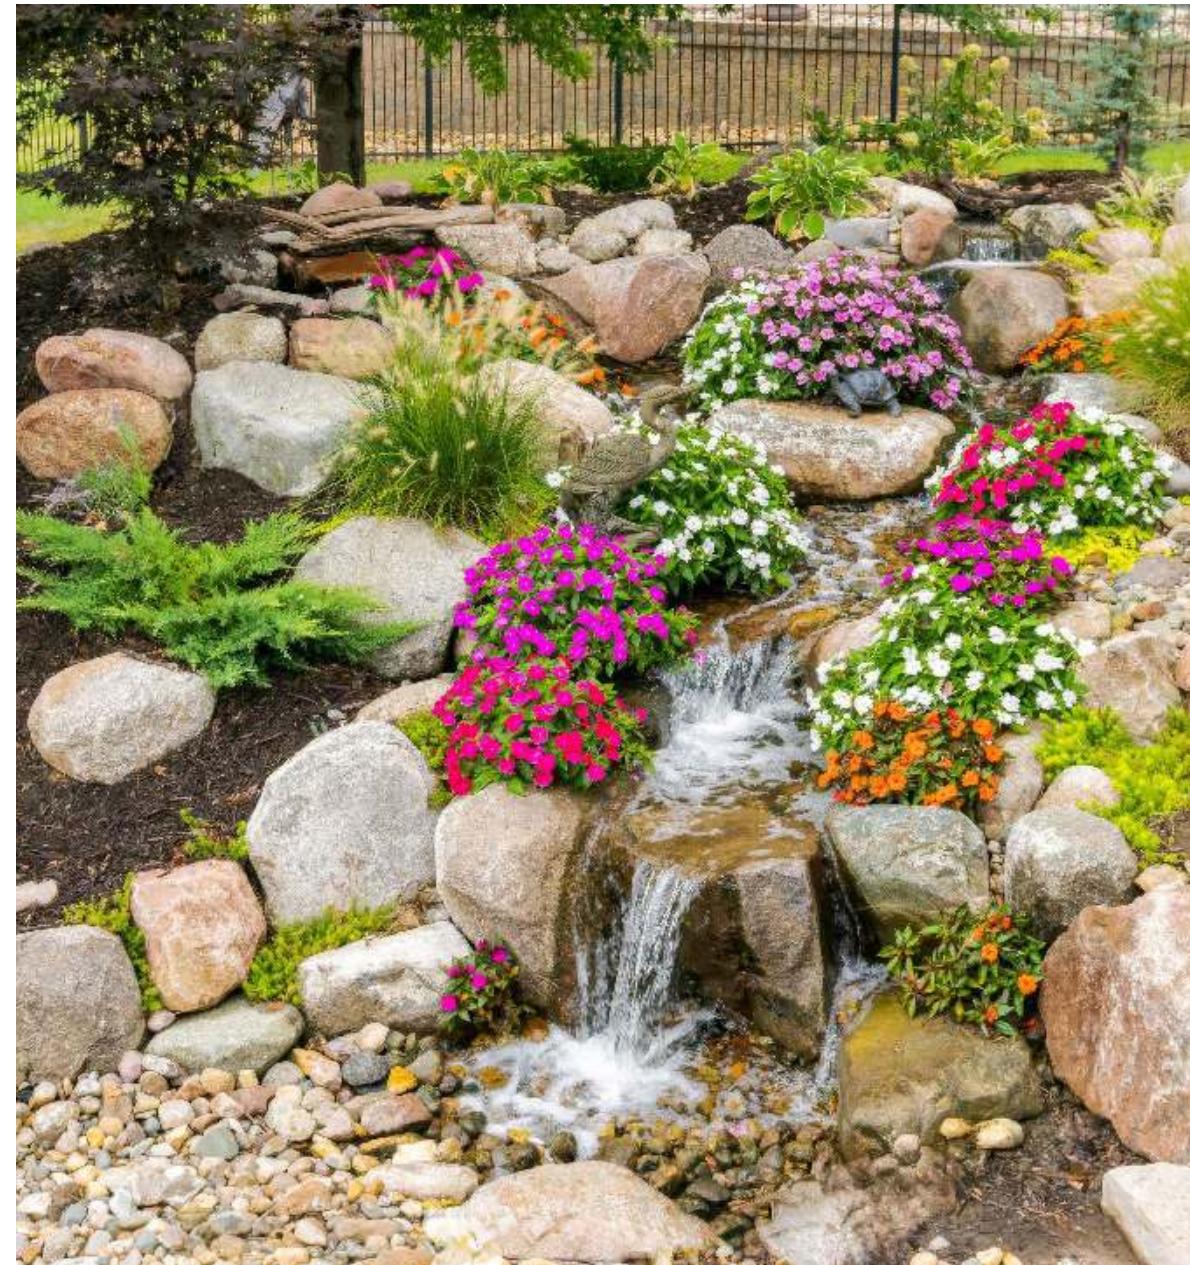

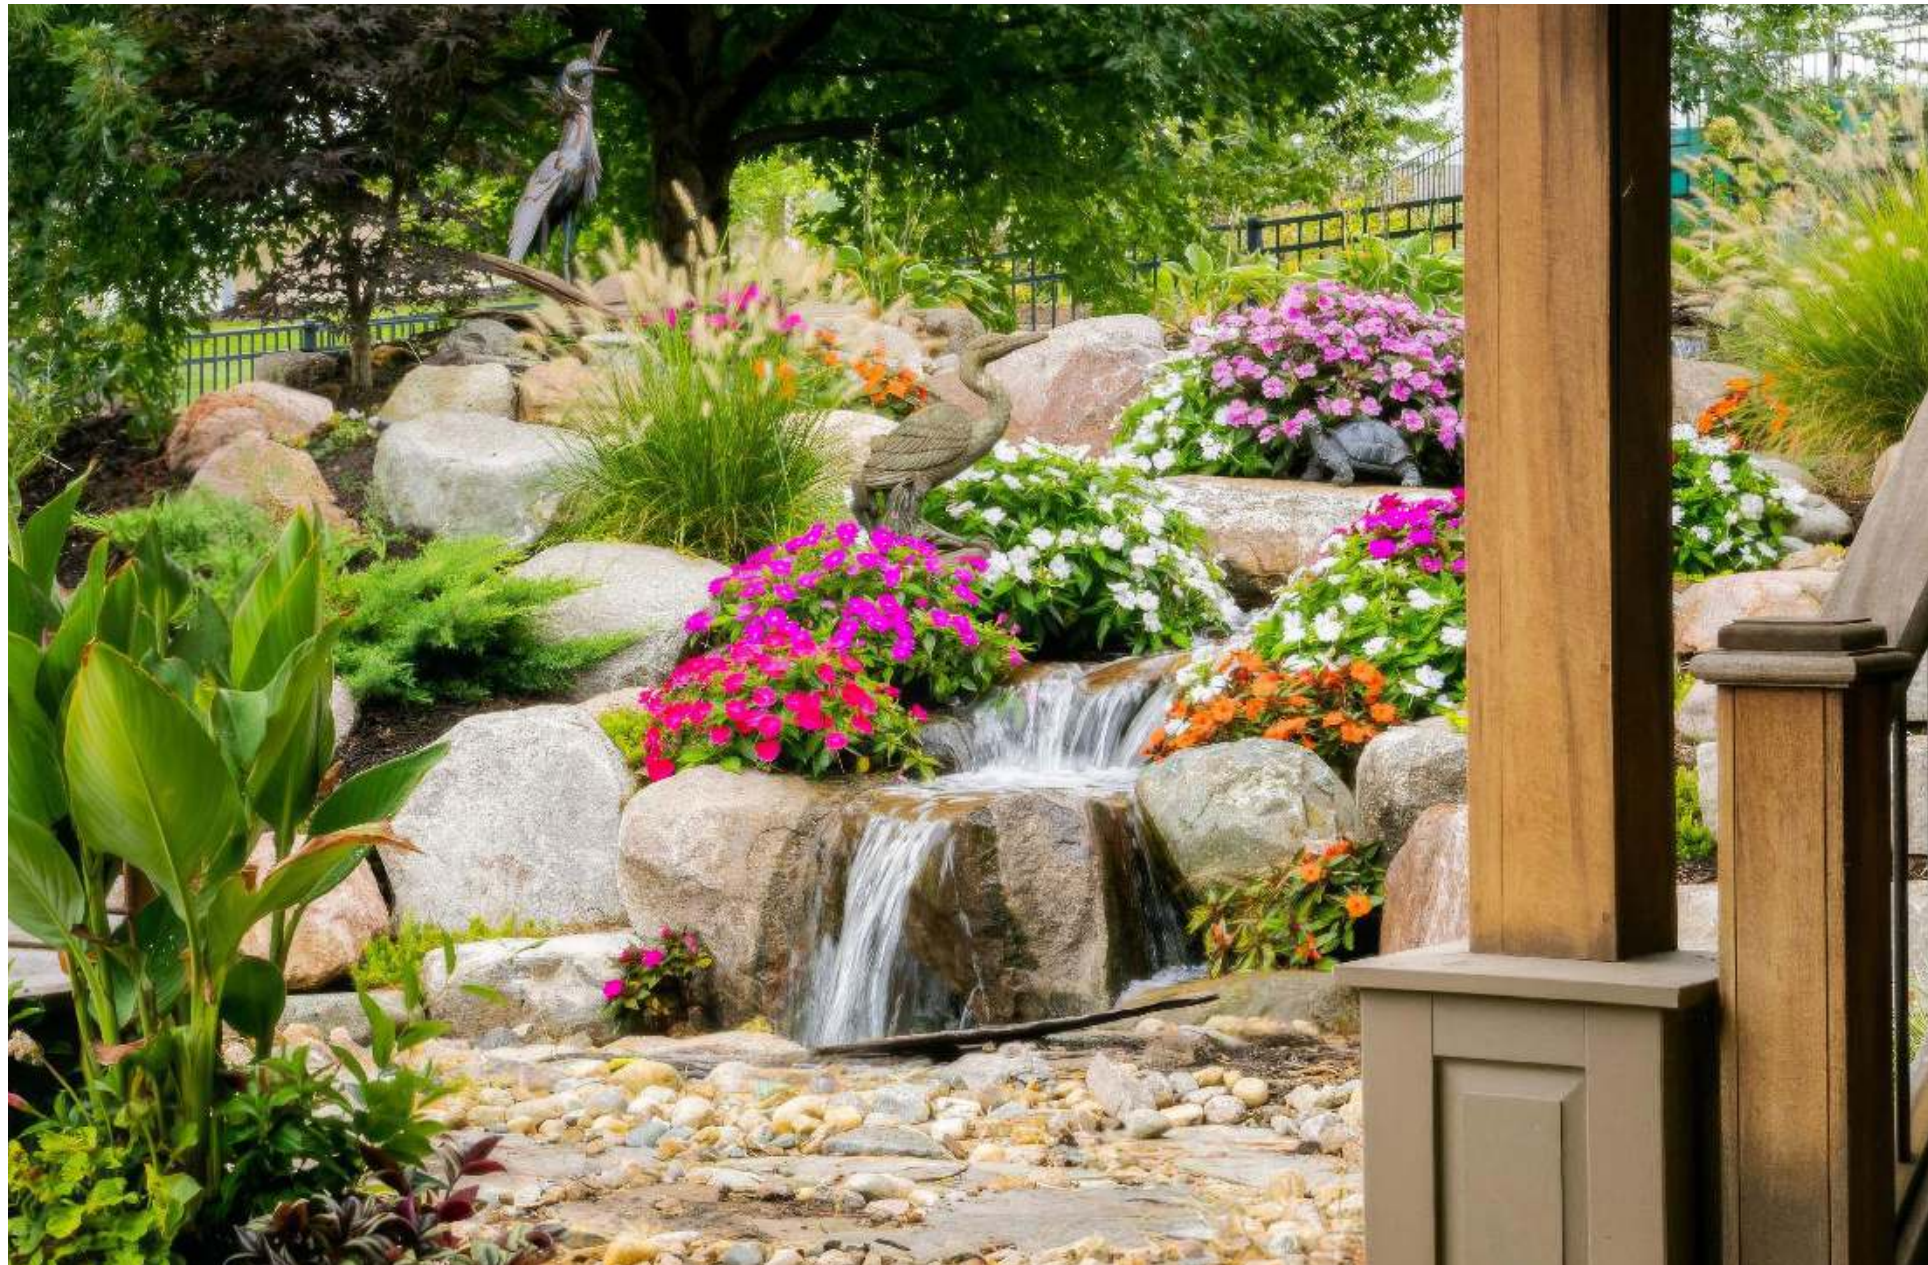

The custom spillway bowl and dual waterfalls create an unforgettable first impression as you enter this backyard oasis. From the covered porch, the pond becomes the perfect backdrop for quiet mornings, evening gatherings, and everything in between..

■ Approx. 15' w x 25' l x 2' d

■ Starting at \$60,000 as shown

What was once a steep, unusable hill is now a vibrant landscape centerpiece. Multiple cascading waterfalls flow through a richly planted hillside, turning a challenging space into one of the most beautiful parts of the property.

- Approx. 30' of stream
- Starting at \$55,000 as shown

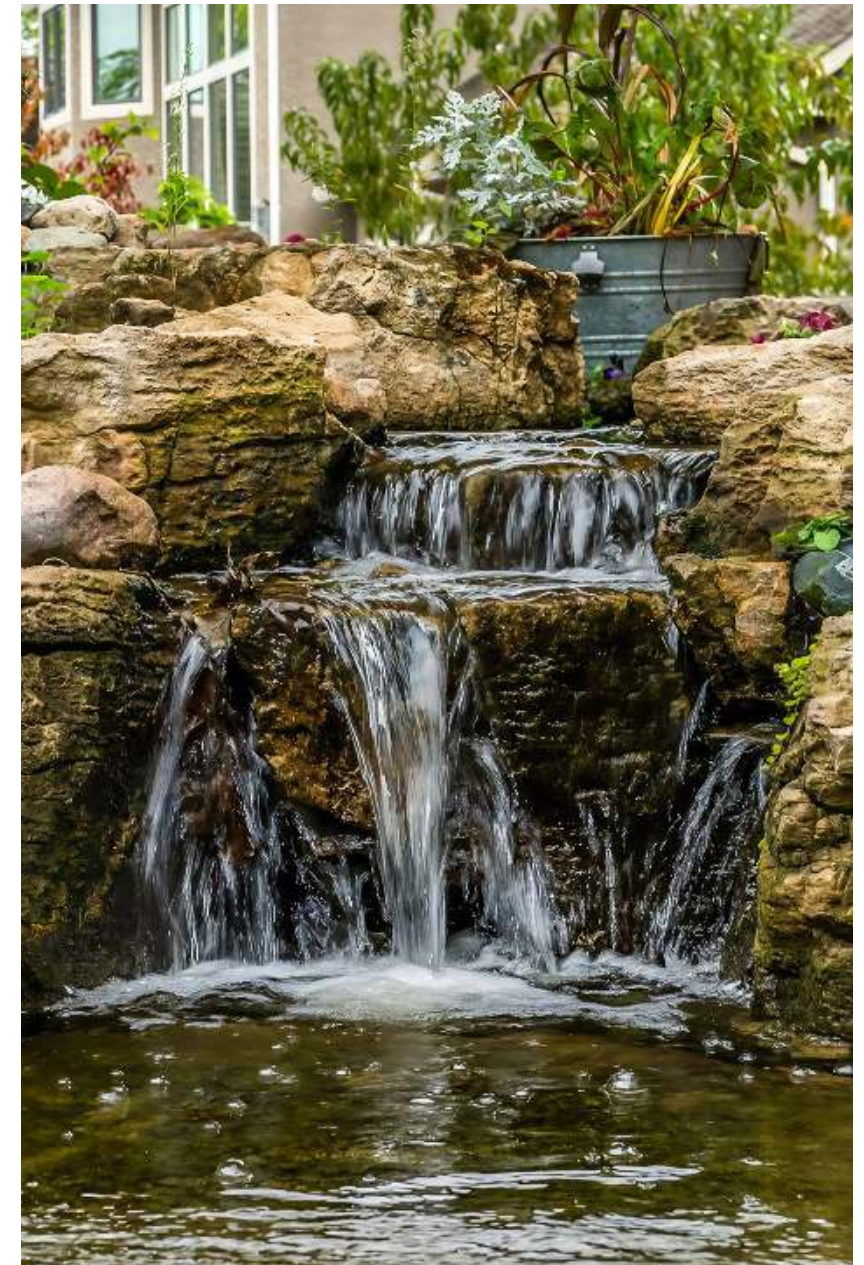

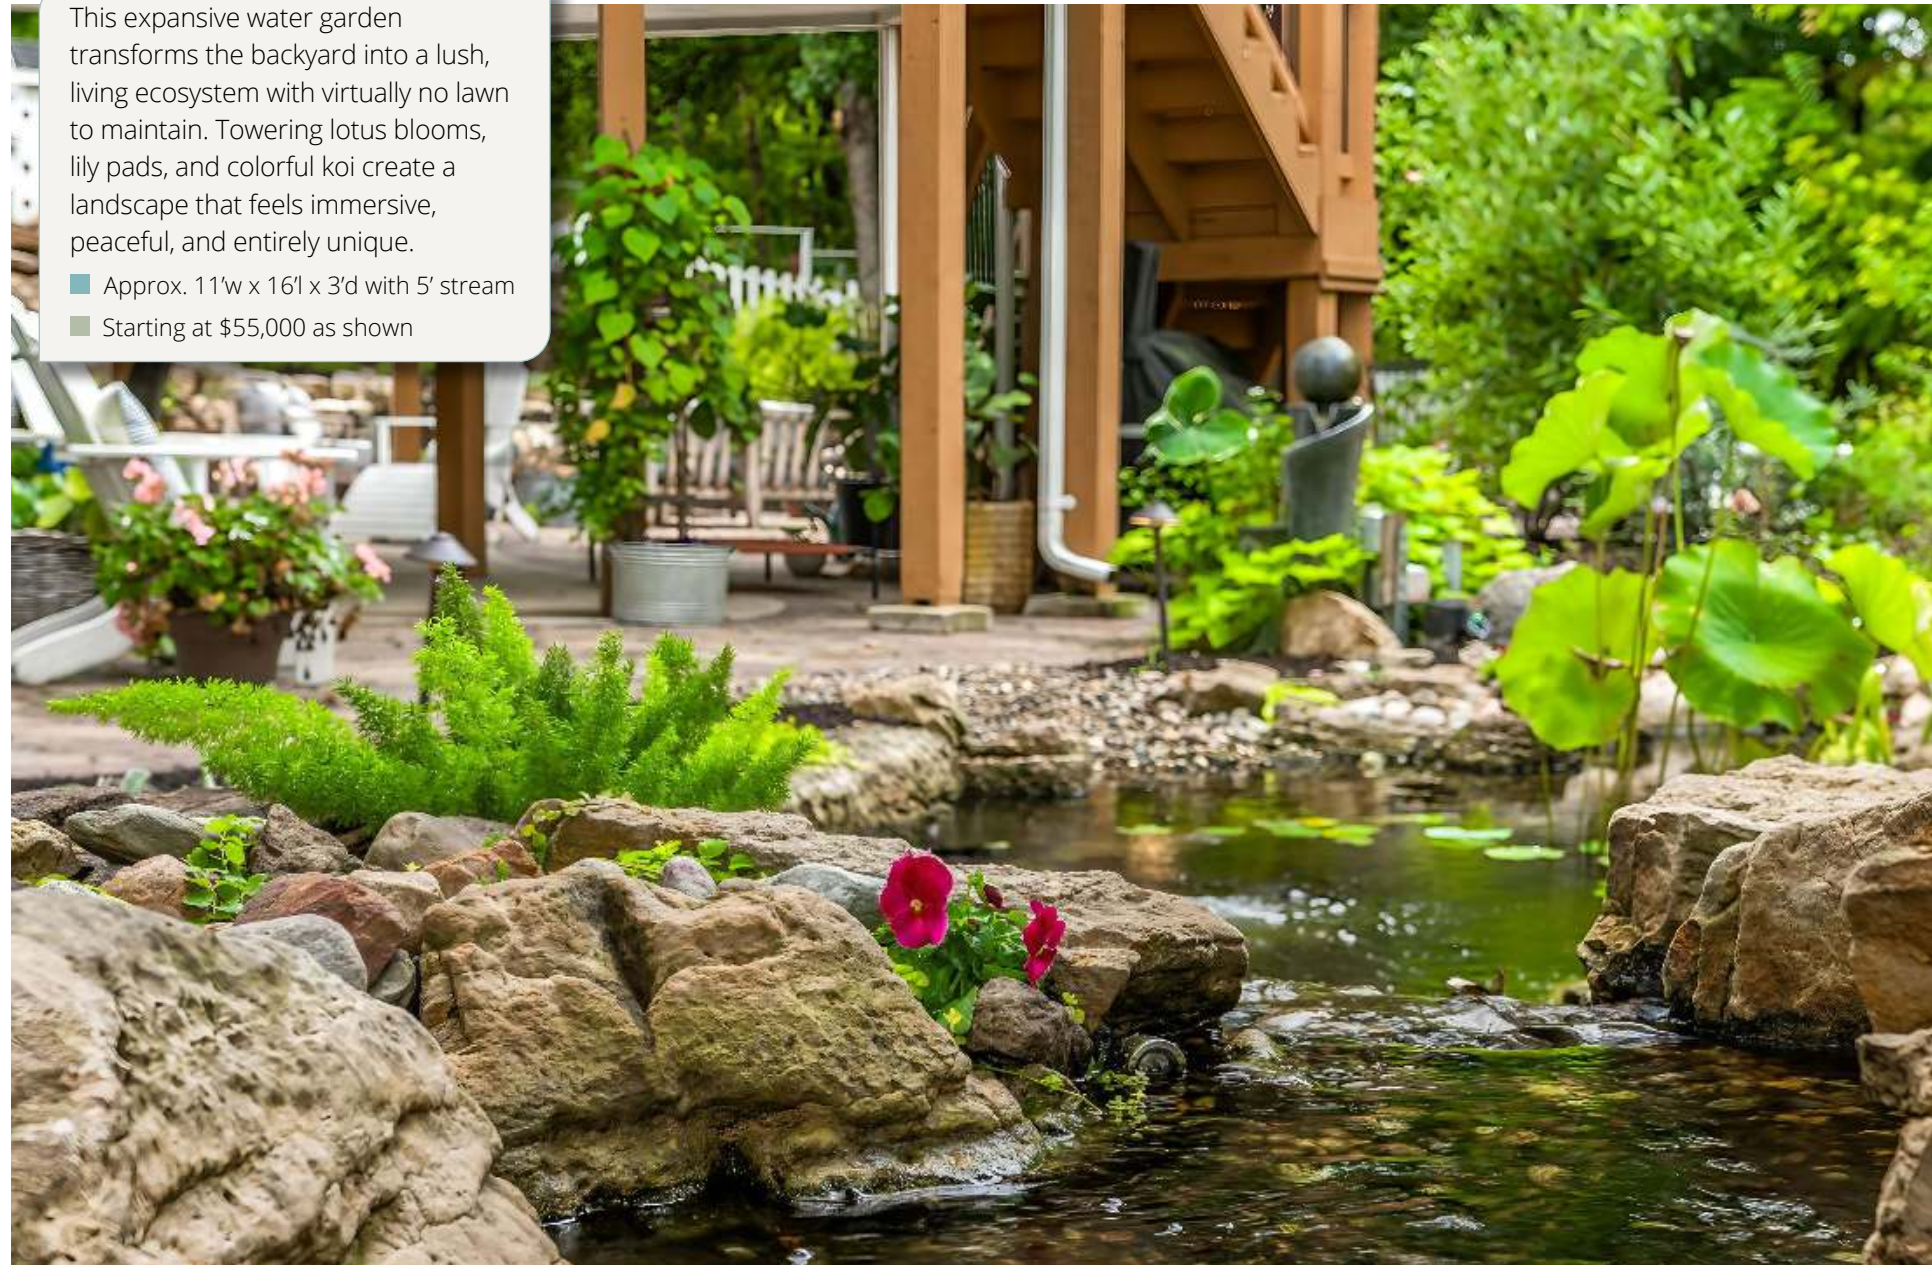

POND RETREAT BY THE PATIO

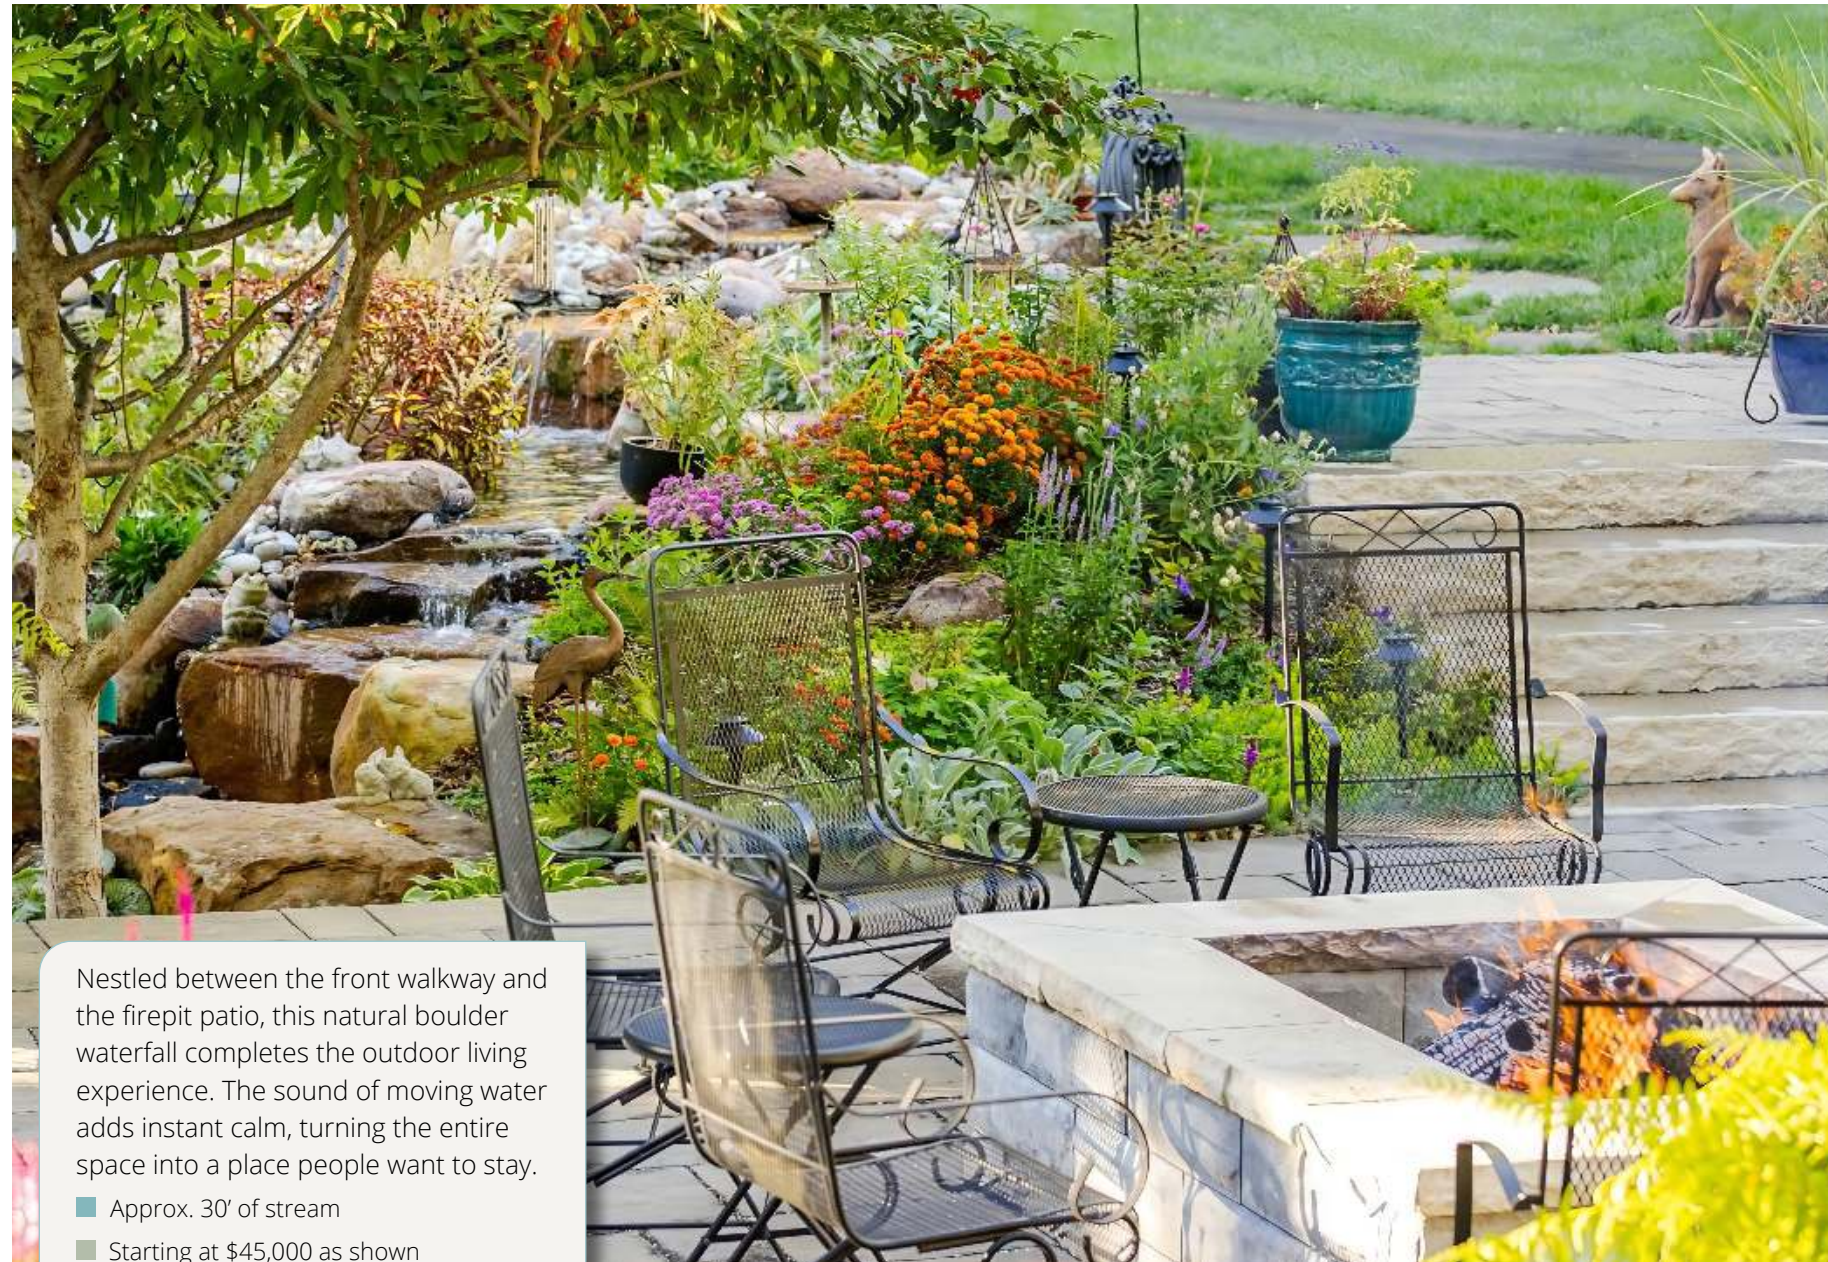

27

This expansive water garden transforms the backyard into a lush, living ecosystem with virtually no lawn to maintain. Towering lotus blooms, lily pads, and colorful koi create a landscape that feels immersive, peaceful, and entirely unique.

■ Approx. 11'w x 16'l x 3'd with 5' stream

■ Starting at \$55,000 as shown
