About Intellicheck

Intellicheck, the industry leader in identity verification management, prevents the unauthorized use of IDs to stop identity-based fraud. Intellicheck is the only SaaS-based validation and proofing service that uses a unique and proprietary analysis of DMV-issued IDs to create trusted, real-time customer identity verification experiences across a wide variety of sectors, both in-person and digitally. Each year, we validate around 100 million identities across North America, providing a seamless, invisible ID verification with 100% decisioning in under a second.
