1. FOREWORD

The Northern Tasmanian Football Association (NTFA) Rules and Regulations are based on the traditional rules & regulations of Competition Football.

They are established with a view that all Clubs should recognise and accept the following basic premises:

- A Player cannot play for an NTFA Club unless they are a registered NTFA player.
- The NTFA Board is the governing body of the NTFA.
- The NTFA Executive is the decision-making group for operational matters and is the arbitrator of any dispute concerning the rights of a particular Club or a particular Player.
- In the event that the dispute is unable to be resolved, the matter may be investigated by an Independent Investigation Officer.
- All Players confirm their understanding of and commitment to abide by all NTFA Competition Rules and Regulations when accepting the online Competition registration process and any Club Player declaration form.

The Rules and Regulations are not intended to be a legal document. They are framed with the intention of all NTFA Clubs accepting them understanding that NTFA Management and Club personnel will work in a spirit of co-operation in the best interests of the NTFA as a Competition, all Clubs making up the Competition and the Players themselves.

2. ADMINISTRATION

THE RULES

These Rules are considered reasonable by the NTFA and that each Rule shall be read and construed independently of the other provisions of these Rules.

Parts of a Rule may be valid if other parts or provisions of the Rule were deleted.

ALTERATION TO RULES

These Rules and Regulations may be amended or varied from time to time by the NTFA Executive.

At least a majority of the NTFA Executive must support any proposal before these Rules can be altered.

FINAL DECISION

Where these Rules provide for decisions to be made or action to be taken by the NTFA Executive or the appointed NTFA Arbitrator, it is acknowledged that they are responsible to the NTFA Executive for decisions and actions and make those decisions and take that action within the context of NTFA policies and guidelines.

Should the NTFA Executive be satisfied that any Person who is in breach of or who has failed to comply with these Rules has acted honestly and, having regard to all the circumstances of the case, ought fairly to be excused from liability, it may relieve that Person wholly or partly from that liability on such terms and conditions as it thinks fit.

INDEPENDENT INVESTIGATIONS OFFICER

The NTFA shall be entitled to exercise its discretion to utilise the services of an Independent Investigations Officer to investigate any matter pertaining to the Rules and Regulations.

Where two Clubs in agreement wish to reschedule a match, a written request must be submitted to the Association **(14)** days prior to the scheduled date of the match, otherwise the original roster shall stand.

13.4 If an Association roster match cannot be played on the scheduled date because of the unavailability or unplayable condition of the ground, the following applies:

In this situation, the Home Team responsibilities will be assumed by the Home Team as nominated in the fixture.

13.44 If a match is not played because neither ground nor an alternative venue is available, the Association Board will decide whether the match is to be rescheduled to another date or cancelled.

13.46 In the event that any match is cancelled, the Premiership Points shall be shared, and such match shall count towards Player eligibility for Finals provided the effected Clubs submit a team sheet.
