

FAQ: RUN WISBOROUGH • 7TH JUNE • 09:30 START

GETTING THERE & PARKING

Where does it start?

Main race (5K & 10K) starts and finishes on the village green in the middle of Wisborough Green – you can't miss it.

Colour run also on the green – the route will be indicated.

What time is the race and when should I arrive?

9:30 start but the car park closes at 9:15. Aim to arrive at least 45 mins before the start to allow for road closures and traffic. You'll be able to grab a coffee, tea and food on the green from 08:00.

Where is the parking?

Free parking available at three locations this year. [Parking info](#) can be found on the website. Please car share to save our environment! And kindly be aware that if you leave the car park before the race has finished you'll be directed along a route that avoids the central village (should only add a few minutes to your journey).

No parking allowed around the green or feeder roads.

Is there a warm-up?

Fitness instructors will provide a warm-up in front of the pavilion at 9.15.

The race route?

Same [route](#) as 2025. Roads will be closed for the majority of the race and reopening as the last 10k runners pass.

Again, please note that if you wish to leave the car park before the race has finished you'll be directed along a route that avoids the central village (which should only add a few minutes to your journey).

Chip timing and results?

The race is chip timed. Provisional results will be available shortly after the race while all official results will be on the Nice Work website/link from our website ASAP.

If you wish to change from 5K to 10K, or vice versa, please email Nice Work before the day, or go to the registration desk on the morning of the race. Previous years' results can be viewed [here](#).

Please do not change your category or run in the wrong race at the last minute as this could delay publishing the times.

What about the off-road section?

Approx. 800m – about half is farm track with hardcore base while the rest is bridleway with mud surface which should be firm to hard. If it's rained a lot it can get slippery with exposed roots. We scrape this section each year to make it as even as possible and can apply grit if necessary.

What will I get for my trouble?

Every RW finisher gets a bespoke medal and goodies at the finish line – but only if you finish!

Are there prizes?

Yes, we have a number of prize winner [categories](#). Prize giving will be on the green at 10:45.

What about the Colour Run?

We will start the Colour Run at 10:55, giving most 10k parents the chance to finish their race.

Runners set off in two groups according to age (to be determined by number of entries). The younger group will do one lap around the green and the older group two laps.

This is your opportunity to coat your kids in paint powder (completely safe), extra paint will be available to buy.

[Please read the paint manufacturers safety sheet.](#)
