The middle ground is filled with a vast field of smaller saguaro cacti scattered across a dry, brownish terrain with sparse vegetation. In the background, rolling hills and mountains are visible under a bright sky with a faint rainbow arc. A large, thin, light-colored circle is superimposed over the center of the image, framing the text.

A LETTER FROM PASTOR RYAN

Dear Church Family,

I am incredibly excited about what I believe God is leading us into during this next season at Palm Valley Church. Over the past four years, we have experienced record-setting growth. In the pages ahead, you'll see that growth represented visually, but more importantly, you'll read the stories of the people behind the numbers. At Palm Valley Church, our heart is to see more stories and more evidence of life change.

That's why we are launching the ***Infinitely More*** campaign. To continue reaching people and stewarding the growth God has entrusted to us, we must invest in the tools and environments that make ministry possible.

Throughout this brochure, we want to share both the challenges and the opportunities before us, not only as a church in the far West Valley, but as part of the global body of Christ. Every church is unique, and as we reflect on the gifts, passions, and experiences God has given Palm Valley Church, we see clear and specific ways He is calling us to make a lasting impact, both locally and around the world.

As you engage with this campaign through weekend services, small groups, and prayerful consideration, my hope is that you'll be inspired, just as my wife Adrienne and I have been. We are joyfully investing financially in the next phase of growth here at Palm Valley Church because we believe with all our hearts that whatever we place in God's hands, He will do infinitely more than we could ever ask or imagine.

I am praying for you as you take this journey with us.

In Christ,

Pastor Ryan

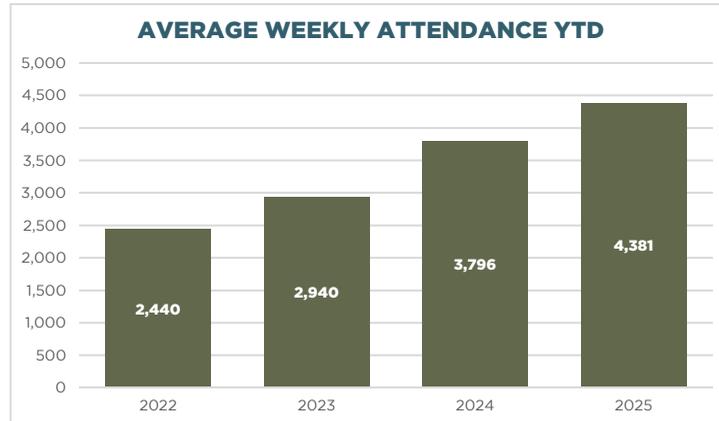

“Now all glory to God, who is able, through his mighty power at work within us, to accomplish **infinitely more** than we might ask or think.”

- Ephesians 3:20

THE STORIES BEHIND THE NUMBERS...

When we think of all the stories of life change that take place at Palm Valley Church, a verse from the end of John's Gospel comes to mind:

"Jesus also did many other things. If they were all written down, I suppose the whole world could not contain the books that would be written." - John 21:25

IZAAC & AILEEN

"When we were having trouble in our marriage, we knew that we had to make changes and go all in with God. Every step of faith we took brought us closer together. Being obedient to God was the best decision we ever made."

JON & OLIVIA

"Through the recovery ministry at church, we got to experience community, friendship, a place of healing, and hope for the moment in our lives when it was truly needed."

MONTEZ

"After being abandoned by those closest to me, I was left feeling like I had no purpose, and I decided to give up on the world. But God brought people into my life through the church, and I was reminded once again that God has a purpose for me."

JEN

"After experiencing rejection and pain from a difficult past, it took a leap of faith to try out church again. I can't explain the joy that has multiplied in my life and in my family because of the decision to answer the call back to God through Palm Valley Church."

FERNANDO & EILEEN

"Palm Valley Church has been our source of support through every stage of life. We've watched our kids grow up here, be loved on, cared for, and taught the word of God. The biggest blessing in our lives was to see each of them get baptized."

CHALLENGES

SPIRITUAL EMPTINESS

Many people in our neighborhoods, workplaces, and families do not know Jesus, or have walked away from the church. In their search for fulfillment, they turn to substitutes that never fully satisfy. Our community is overworked, overcommitted, and overindulged, yet still longing for something more.

A LONGING FOR PURPOSE AND MEANING

The far West Valley is a wonderful place to live, but many people lack deep, committed relationships where they can explore life's bigger questions. Beneath the surface, there is a quiet desire for purpose, belonging, and spiritual depth.

A RESTLESS DESIRE TO MAKE A DIFFERENCE

People see the needs around them, locally and globally, but often feel unsure where to start or how they can truly make an impact. The desire for change is there, but the direction is unclear.

OPPORTUNITIES

A UNIQUE WAY TO SHARE JESUS

God has given Palm Valley Church a vibrant and authentic approach to sharing Jesus; one that resonates with people in the far West Valley who are searching for deeper spiritual meaning. We have the opportunity to create more space and more places for people to encounter Jesus and experience the healing only He can bring.

LIFE CHANGING CONNECTIONS THROUGH SERVICES AND GROUPS

Through engaging weekend services, small groups, and ministries like Celebrate Recovery, we can help people build meaningful relationships and experience real life change. These environments create space for care, prayer, and spiritual growth to flourish.

GOSPEL-CENTERED OUTREACH THAT CHANGES LIVES

Our goal is to become a service hub that mobilizes people to meet practical needs while pointing people to Jesus. By investing in our community, strengthening local churches, and partnering globally in places like Cote D'Ivoire, we get to witness the multiplying impact of faithfully stewarding what God has entrusted to us.

WHAT IS INFINITELY MORE?

A God honoring vision is centered on people.

Palm Valley Church is **a place where people matter** because people matter to God. For the last 25 years, we have been working relentlessly to reach people who are lost, hurting, and separated from God.

Every weekend we invite people to meet Jesus and follow Him with their lives. Since we began meeting in 2000, we have seen at least one person come to faith in Jesus every single weekend! It's incredible to think of the thousands of people who have accepted Christ as their Lord and Savior here at Palm Valley Church.

Now we are entering the next season here at Palm Valley Church asking God to do it again. We are praying a dangerous prayer and trusting God to do what only He can do! We want to see lives changed for Jesus **locally** in our community, **regionally** through the health of local churches, and **globally** through our partnerships in Africa.

God has a role for Palm Valley Church to play, which means you have a role to play, too. After all, we don't just go to church, we are the church!

The goal of Infinitely More is to raise \$5.9 million dollars over the next two years to help fund these initiatives.

WHAT WILL IT TAKE?

Let's get specific about what we are asking:

1. 100% participation. Everyone has a place and an opportunity to contribute to the goal.
2. A two-year giving commitment **over and above** your normal giving.
3. A faith filled step. This is a prayer filled spiritual commitment.

LOCAL

BUCKEYE CAMPUS

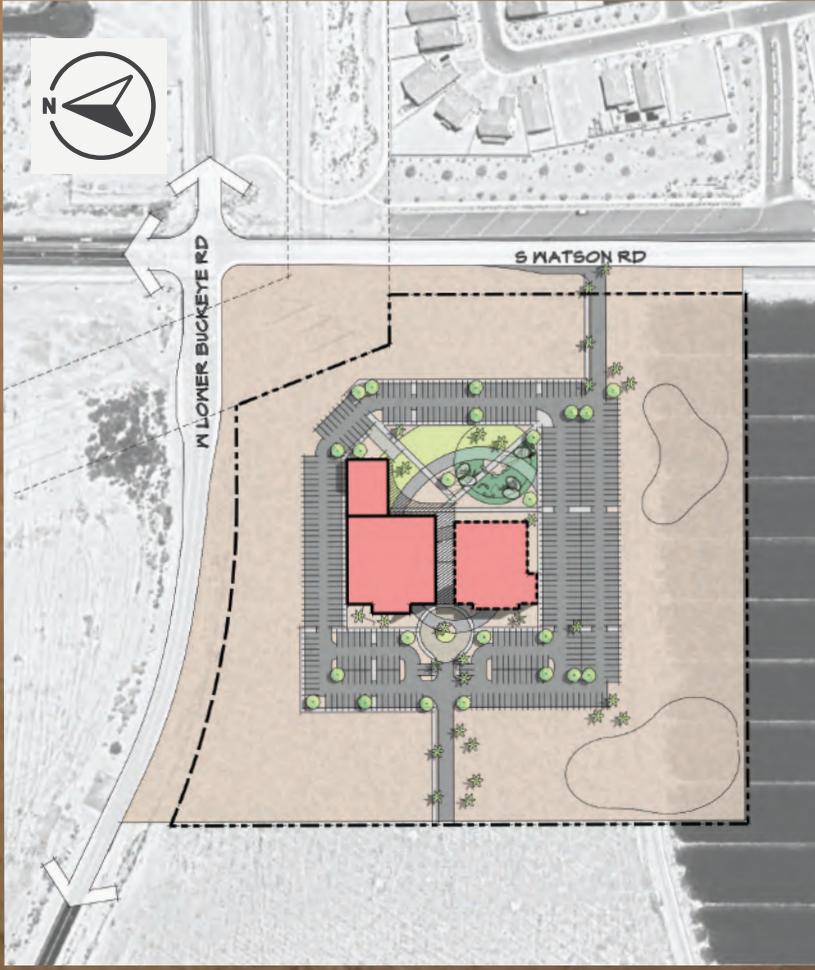

A permanent location for the Buckeye Campus.

After meeting in a portable location since 2013, we have purchased 15 acres of land in Buckeye on the southwest corner of Watson and Lower Buckeye. This will be a cornerstone for ministry for generations to come. A place to gather for worship, invite new people to attend, grow as a community, and become a central hub to serve the greater Buckeye area.

GOODYEAR CAMPUS

Since 2010, our Goodyear facility has been an incredible tool that allows us to do ministry every day of the week. As more people walk through our doors in record numbers, our spaces need to be transformed for effectiveness and bolstered for safety and security in our children's spaces. We will also be developing approximately two acres of new parking to help eliminate some of the crowding issues we are experiencing during peak service times.

REGIONAL

BETTER TOGETHER CHURCH NETWORK

We believe deeply that healthy churches can make the greatest change and impact in the world. We know that additional Palm Valley Campuses will be part of our future growth, and we also believe we can resource and help existing churches unlock their true potential. In partnership with Pure Heart Church in Glendale, we are launching the Better Together Church Network.

HEALTHY CHURCH CONFERENCE

The Healthy Church Conference is one of the primary ways that Palm Valley Church helps smaller churches get healthy. We know that healthy churches are able to make a bigger impact in their communities for Jesus. Through this conference we are able to equip local pastors, leaders, and volunteers with practical tools, meaningful connections, and fresh inspiration to strengthen every area of their ministry.

GLOBAL

For the past ten years we have been coaching and training thousands of pastors in the country of Cote D'Ivoire (Ivory Coast) located in West Africa. Our vision is to take a bold next step by helping our African partners reach the Tura tribe, a currently unreached group, with the gospel. We will accomplish this by building a PEACE Center in that region which will be crucial in meeting the physical, economic, and educational needs of the Tura people. This will also create opportunities to build meaningful relationships and through these efforts the seeds of the gospel will be spread.
