

How to plan the perfect trip in Mexico?

Viajemos México

INTRODUCTION

Welcome to this guide, where you'll discover the keys to organizing an unforgettable journey through Mexico. Here you'll find practical steps, tips, and recommendations that will help you get the most out of your experience—from choosing destinations to packing for your trip.

At Viajemos México, we're passionate about creating unique and personalized experiences that connect you with the essence of our country. Read on, and get ready to plan the adventure of your dreams.

1. Define your travel objectives

- **Type of Experience:** Are you looking to relax on the beach, explore colonial cities, or venture into natural areas?
- **Available Time:** How many days or weeks do you plan to travel?
- **Budget:** Determine how much you're willing to spend on accommodations, transportation, activities, and food.
- **Travel Style:** Family trip, with friends, as a couple, or solo?

TIP: The clearer your objectives, the easier it will be to define your route and the transportation services you'll need.

2. CHOOSE YOUR DESTINATION

- **Beaches and Sun Tourism:** Cancún, Tulum, Riviera Maya, Puerto Vallarta, Los Cabos, Acapulco, and Huatulco.
- **Colonial Cities and Culture:** Guanajuato, San Miguel de Allende, Oaxaca, Puebla.
- **Adventure and Ecotourism:** Chiapas (Lacandon Jungle), Veracruz (rafting and ecotourism), Baja California Sur (whale watching), Sierra Gorda in Querétaro, and La Huasteca Potosina.
- **Major Cities:** Mexico City, Monterrey, Guadalajara.
- **Pueblos Mágicos (near Mexico City):** Tepotzotlán, Taxco, Valle de Bravo, and Malinalco.

TIP: Consider the time of year for each destination; high season often means greater demand and higher costs, but also more activities and entertainment.

3. PLAN YOUR ITINERARY

- **Duration and Stops:** Decide how many days you want to spend in each place.
- **Must-Do Activities:** Research the main attractions at each destination: ruins, museums, nature reserves, gastronomy.
- **Travel Time:** Be sure to factor in travel times between locations.

ADDITIONAL RESOURCE: Use our Customizable Itinerary Template to keep a detailed record of dates, schedules, and points of interest.

4. BUDGET AND COSTS

- **Accommodation:** Ranging from hostels and Airbnbs to luxury hotels.
- **Transportation:** Van rental with a chauffeur, domestic flights, buses, taxis, rideshare apps.
- **Food:** Varies depending on the type of cuisine you want to try—anything from gourmet restaurants to local street food.
- **Activities:** Consider the cost of guided tours, entrance fees to archaeological sites, theme parks, museums, or shows.

TIP: Keep track of your estimated expenses and leave some margin for unexpected costs.

5. SAFE, RELIABLE TRANSPORTATION

- **Van Rental with Driver-Guide:** A great option if you're traveling with a group or family. Save time on logistics and take advantage of local expertise to discover hidden gems.
- **Domestic Flights:** Ideal if you plan to cover large distances in a short amount of time.
- **Tourist Buses:** Affordable for specific routes, though less flexible

OUR DIFFERENTIATOR: AT VIAJEMOS MÉXICO, OUR DRIVER-GUIDE SERVICE PROVIDES SAFETY, COMFORT, AND LOCAL KNOWLEDGE, TURNING EACH TRIP INTO A PERSONALIZED EXPERIENCE.

6. WHAT TO PACK?

- **Documents:** Official ID, passport (if applicable), bank cards, reservation confirmations.
- **Clothing and Footwear:** Suited to the climate of your destinations—pack light clothing for hot weather and something warmer for cool nights.
- **Basic First-Aid Kit:** Personal medications, pain relievers, bandages, insect repellent, sunscreen.
- **Electronic Accessories:** Phone, camera, chargers, power banks

TIP: Travel light. Pack versatile clothing and easily matched accessories to save space

7. SAFETY AND GENERAL RECOMENDATIONS

- **Check Official Travel Advisories:** Verify safety and health recommendations for each region.
- **Respect Local Rules:** Especially in protected areas, beaches, and nature reserves.
- **Keep Digital Copies of Documents:** Store them in your email or on a cloud service.
- **Travel Insurance:** Consider getting insurance that covers medical or luggage contingencies.

8. PLAN AHEAD AND STAY FLEXIBLE

- **Early Bookings:** If you're traveling in high season, consider booking accommodations and transportation well in advance to ensure availability and better rates.
- **Leave Room for Spontaneity:** Allow some free time for unplanned exploration. Often, the best part of a trip is stumbling upon unexpected discoveries.
