ABOUT US

Access Dunia Sdn Bhd is a leading information services provider. Incorporated in July 1995, Access Dunia Sdn Bhd provides and promotes electronic resources including research databases, e-books and e-journals to both the public and private sectors in Malaysia and Brunei Darussalam.

CORE COMPETENCIES

Access Dunia is run by a team of dynamic staff with competencies in data subscriptions and transactional-based data consumption. Backed by the iGroup, the company has the resources to develop, continuously review and upgrade competencies to keep pace with the fast and ever-changing information scene.

OUR MISSION

We are committed to enhance our customers' competencies and efficiency by delivering innovative information and quality services towards achieving a knowledge economy in Malaysia and Brunei Darussalam.
