

SKYX Announces a Global Sales and Marketing Collaboration Agreement with World Leading Ceiling Fan Manufacturer Parrot Uncle for Its Smart Turbo Heater & Ceiling Fans Among Other Plug & Play Products

Parrot Uncle is a World Leading Ceiling Fan and Home Décor Manufacturer Selling Millions of Ceiling Fans in the U.S. and Global Markets

Ceiling Fans and Space Heaters Category Represents a Multi-Billion-Dollar Annual Market with Tens of Millions of Units Sold in the U.S. Alone

SKYX Anticipates Q3 Winter Global Launch Will Support its Path to Cash-Flow Positive in 2025

MIAMI, July 08, 2025 (GLOBE NEWSWIRE) -- SKYX Platforms Corp. (NASDAQ: SKYX) ("SKYX" or the "Company"), a highly disruptive smart home platform technology company with over 100 issued and pending patents globally and a growing portfolio of over 60 lighting and home décor websites, with a mission to make homes and buildings become smart, safe, and advanced as the new standard, today announced a U.S. and global sales and marketing collaboration agreement with Parrot Uncle, a world leading ceiling fan and home décor manufacturer selling millions of fans globally.

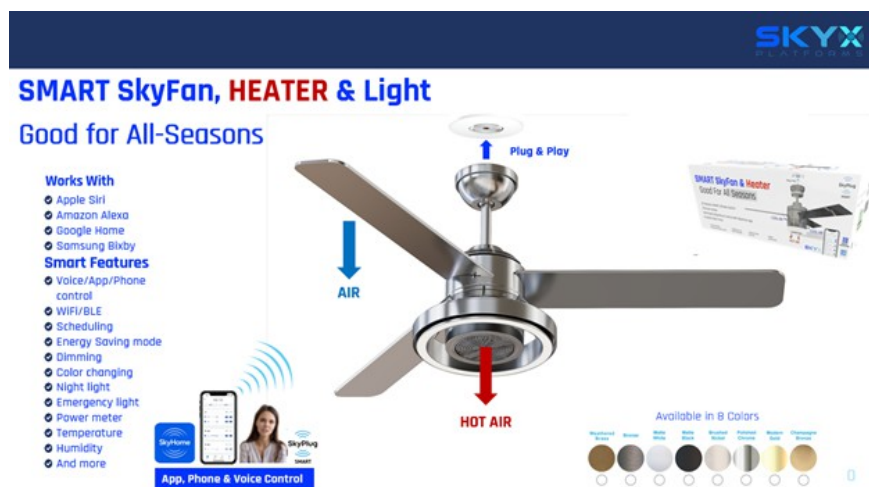

SKYX and Parrot Uncle will jointly market SKYX's disruptive technologies and products in the U.S. and to global markets including its patented all-in-one smart turbo heater & ceiling fan.

The ceiling fan and space heater category represents a multi-billion-dollar annual market with tens of millions of units sold in the U.S. alone.

In response to the strong demand, SKYX will introduce two different versions of the product each in 6 to 8 colors, designed to meet both residential and commercial needs. Production has officially begun with the Company's manufacturing partners, and SKYX anticipates a broad launch in Q3 2025, aligned with the upcoming winter season.

This highly innovative product-integrating a ceiling fan with a built-in heater-is designed to address a massive market opportunity for all four seasons. The combined ceiling fan and portable heater category is a multi-billion-dollar market, with tens of millions of units sold annually in the U.S. alone.

The Company believes that the successful launch of this product line is a critical milestone on its path toward achieving cash-flow positive operations in 2025.

Forward-Looking Statements

Certain statements made in this press release are not based on historical facts, but are forward-looking statements. These statements can be identified by the use of forward-looking terminology such as "aim," "anticipate," "believe," "can," "could," "continue," "estimate," "expect," "evaluate," "forecast," "guidance," "intend," "likely," "may," "might," "objective," "ongoing," "outlook," "plan," "potential," "predict," "probable," "project," "seek," "should," "target," "view," "will," or "would," or the negative thereof or other variations thereon or comparable terminology, although not all forward-looking statements contain these words. These statements reflect the Company's reasonable judgment with respect to future events and are subject to risks, uncertainties and other factors, many of which have outcomes difficult to predict and may be outside our control, that could cause actual results or outcomes to differ materially from those in the forward-looking statements. Such risks and uncertainties include statements relating to the Company's ability to successfully launch, commercialize, develop additional features and achieve market acceptance of its products and technologies and integrate its products and technologies with third-party platforms or technologies; the Company's efforts and ability to drive the adoption of its products and technologies as a standard feature, including their use in homes, hotels, offices and cruise ships; the Company's ability to capture market share; the Company's estimates of its potential addressable market and demand for its products and technologies; the Company's ability to raise additional capital to support its operations as needed, which may not be available on acceptable terms or at all; the Company's ability to continue as a going concern; the Company's ability to execute on any sales and licensing or other strategic opportunities; the possibility that any of the Company's products will become National Electrical Code (NEC)-code or otherwise code mandatory in any jurisdiction, or that any of the Company's current or future products or technologies will be adopted by any state, country, or municipality, within any specific timeframe or at all; risks arising from mergers,

acquisitions, joint ventures and other collaborations; the Company's ability to attract and retain key executives and qualified personnel; guidance provided by management, which may differ from the Company's actual operating results; the potential impact of unstable market and economic conditions on the Company's business, financial condition, and stock price; and other risks and uncertainties described in the Company's filings with the Securities and Exchange Commission, including its periodic reports on Form 10-K and Form 10-Q. There can be no assurance as to any of the foregoing matters. Any forward-looking statement speaks only as of the date of this press release, and the Company undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by U.S. federal securities laws.
