

# Scheduling Video Meetings

## Scheduling

### Proton Calendar

You have a scheduling App in your Proton mail account. Click on the four squares in the dashboard to see the various Apps. Proton schedule has Zoom built into it. If you have a Zoom account then you can use that. See Video.

## Video Meetings

### Google Meet (with gmail account)

If you have a gmail account, you can use that to access Google Meet and send invites. You should create an alias that is {fullyloadedwebsites-yourname@gmail.com}

If you use Google Meet, you will have to add the Meet link in the description of the event you scheduled in the calendar. See Video.
