Legacy Giving

To Our Lasallian Community,

It rarely fails that when we complete a task, we look back and think about how we did. Was I successful? What might I have done better? What's next? As 2022 came to a close and we got ready for the ball drop on 2023, we might even have taken a look back at our life and what was and what might have been.

For reflection on our life, different from a task, we benefit from looking through a particular perspective – a lens if you will. It helps us focus. The Lasallian Family looks through the lens made up of the values, the faith and the zeal given us by St. de La Salle and the early Brothers. These values come straight from the Gospel and Jesus' invitation to enter the Reign of God which is love. This is what we are called by him to live in our families, our work places, and in all of our relationships, including our relationship with the earth – our common home. We accompany one another in love so all may thrive.

Love calls us to be responsible stewards of our relationships and our environment and calls us to share our gifts and talents. To use all the gifts we have been given (and everything is a gift from God) not only for our own benefit but for the common good. Each of us, in his or her own way, discerns what this means personally.

God has gifted us with life and nurtures and sustains us in imperceptible ways. Meister Eckhart (a mystic) said that when we think of the life we have, the only prayer we ever need to say is "Thank You." Gratitude is a hallmark of a healthy spiritual life and is evident in all we say and do. We in our District Office hope we have shared our gifts, talents, and love as good stewards of all we have been given.

As you read through this year's Mission Impact Report, please know how important you, our Lasallian community, are to each and every one of us. Stewardship is a part of who we are. Through our various Lasallian ministries, we use our gifts and talents to make the world a better place. Please remember that the Brothers pray for you each and every day, and we consider ourselves eternally grateful to have you as a part of our Lasallian community.

Thank You!

Retreat to Community

The act of going on retreat has been a central theme to the Lasallian world dating back to the time Saint John Baptist de La Salle spent in Parmenie, France. It is here, while in retreat, that De La Salle received significant inspiration from Sister Louise and a call from the Brothers who wrote to him from Paris.

Without the setting of Parmenie, who knows where the Brothers would be today. That uninterrupted time of prayer and reflection allowed De La Salle to find a deeper sense of belonging and personal connection to the Brothers community.

Evangelization is core to the Lasallian mission. We challenge ourselves to offer salvation to the young - a relationship with Jesus, a deepening of faith and the skills needed to build a viable life in the world as contributing members of civic society. While educational ministries have always been centers of justice and evangelization through the teaching of religion, student days of reflection, and appropriate relationships with Brothers and other Lasallian teachers, more structured and institutional forms have also developed.

For example, the District has four retreat centers: La Salle Retreat Center (Wildwood, MO), La Salle Manor (Plano, IL), Dunrovin Retreat Center (Marine on St. Croix, MN) and Br. David Darst Center (Chicago, IL). Three of the centers were established specifically to serve the Lasallian students. They have done that so well that their retreatants now come from other schools and parishes. While La Salle, La Salle Manor and Dunrovin provide more traditional retreat models, the Darst Center was founded to serve with an emphasis on social justice. It is an immersion program that introduces retreatants to the world of the poor and disenfranchised by collaborating with a broad range of justice and service agencies. Each retreat experience offered by these four centers is specifically designed with evangelization in mind.

Each location allows the space for prayerful reflection and opens its doors with an inclusive heart, just as Parmenie did for De La Salle all those years ago. Our retreat centers play an integral part within our Lasallian community, and have for many years.

Mary Meeds, AFSC, reflects on her time on staff with Dunrovin Retreat Center and what she has seen transpire there for Lasallians across the District.

"Anytime the students experience life outside their neighborhood, homes, and classroom, they find out more about the world around them and about themselves. Each student can explore a different identity when the stress of grades and schooling is removed, even for a day. On a retreat, a student simply may not need to show the daily resilience that is needed when living in poverty or in a neighborhood of violence. This gives the student space for internal rest, which allows growth of internal hope. Let us remember that we are in the holy presence of God."

Brother David Darst Center Chicago, IL

The Brother David Darst Center provides transformative social justice retreats and immersion experiences grounded in the Lasallian tradition and Catholic Social Teaching. Through its programs and partnerships with local community organizations, participants gain a deeper understanding of the complex realities of injustice and obtain tools to take action. The center seeks to inspire an active and engaged faith, a commitment to serve, and a passion for social change. For more information, please visit www.darstcenter.org.

Dunrovin Christian Brothers Retreat Center Marine on St. Croix, MN

Dunrovin Retreat Center offers an encounter with Christ for every person, particularly for underserved youth, through exceptional hospitality in the Catholic Lasallian tradition. Hospitality encompasses the beauty of the setting, the homey comfort of the buildings, the nourishing food, and God's love as demonstrated by the tender care of the staff. For more information, please visit www.dunrovin.org.

La Salle Manor Retreat Center Plano, IL

La Salle Manor is a conference and retreat center dedicated to human development within religious, civic, and educational communities through continuing education and spiritual development. La Salle Manor Retreat Center is a place for people of all ages and faiths to reflect on their lives, and to discover God's love and peace. For more information, please visit www.lasallemanor.org.

La Salle Retreat Center Wildwood, MO

La Salle Retreat Center is located on 180 acres of beautiful wooded grounds and is the perfect place to find peace in a quiet setting. The St. Joseph Grotto provides a picturesque backdrop for reflection and prayer for all to visit. For more information, please visit www.lasalleretreat.org.

Dear Friends,

On behalf of the Christian Brothers and our Lasallian community, thank you for all you do to bring life and vitality to the Lasallian Mission. This 2022 Mission Impact Report highlights the many individuals who support our work with students through their generous gifts and talents.

When Saint John Baptist de La Salle moved in with the small group of teachers with which he started, he began the community which has now become our world-wide Lasallian Family. Our Family was built on the values of our Lasallian charism, in service to God, mission, and each other. In these values we find the strength and vision to grow and serve. Our vision and mission elevate us, bring us together, and allow us to reach for our highest dreams.

It takes many hands and hearts to perpetuate this mission, from Brothers to Lay Partners, to faculty, staff, students, and certainly, our friends and benefactors. Your trust and generosity advances the work of those who have made this mission their life. Through your giving, you not only support the work of those who were influential to you, but also that of people, children and adults, that you will never meet, but who will pay it forward through their own giving.

This listing acknowledges friends who have made contributions advancing the mission of the Christian Brothers and our District ministries from September 1, 2021 through August 31, 2022. We hope you see this growing list as a sign of strength in the Lasallian mission and charism. The kindness represented in this booklet creates the fiscal strength and flexibility to sustain programs that provide for our senior Brothers, support vocations, and strengthen formation opportunities across our school ministries. If your name is listed, please continue your journey with us. If you were unable to join us this past year, we understand and hope to see your name in our next publication.

The names in this report are grouped according to level of contribution and alphabetically within each category. While every effort has been made to maintain an accurate listing, errors or omissions do sometimes occur. In the event of a mistake, please accept our apologies and contact Samantha VenHuizen in our Development Office at 630.323.3725, Ext. 218, so we can make the correction and update our records.

May God bless you and your family with peace, prosperity, and good health as you have blessed us with your kindness. You are, today and always, remembered in prayer by our Christian Brothers and our entire Lasallian Family.

Live Jesus in our Hearts. Forever.

With gratitude,

Anthony C. Chimera, M.B.A.

“I knew that I wanted to remain in Catholic school as I had attended Catholic school my entire life and didn’t want that to change in my senior year. While there were many differences in the education between Montini and St. Joe’s, having both schools modeled by Lasallian roots and teachings made it easier to comprehend and more familiar.”

“Since my freshman year at St. Joseph, I had been taught the values of the Christian Brothers and admired them. I felt a strong connection to St. John Baptist de La Salle and his teachings because of how they were ingrained in me and knew I wanted to continue my education at an institution with the same values.”

**The Christian Brothers
were born of a thought.
Saint John Baptist de
La Salle thought, “Maybe
there is a different way
to approach students
and education altogether.”
The result has been
a 340-year-long
commitment to that
same idea. Students first.**

What will your legacy be?

St. John Baptist de La Salle and the group of teachers with whom he lived and taught have left us a legacy—the legacy of the Lasallian charism, dedication to education, and to the betterment of others. It is the legacy of the Lasallian Family—a legacy we hold deep in our hearts to this very day.

There comes a time in our lives too, when we look to the legacy that we will leave. We ask if we have been good parents or friends, if we have lived a good life, if the world is a better place for our having been here. We ask if we have given back for all the blessings we have received. We ask how people will remember us. The Christian Brothers have touched the hearts of many, and on **our new website legacy.cbmidwest.org**, you will find stories of those who have chosen to remember the Brothers as part of their legacy. You will also find information on the ways that you too can include the Christian Brothers as part of your legacy.

Please contact Anthony C. Chimera, M.B.A., Director of Development, at 630.323.3725, Ext. 211, or achimera@cbmidwest.org, if you are interested in learning more about Legacy Giving. Our Office of Gift Planning can review your goals, discuss areas you wish to support, draft sample language for your will or trust, and explore vehicles that provide lifetime income and tax benefits.
