### ORIZZONTE SISTEMI NAVALI: NEW BOARD OF DIRECTORS APPOINTED

**Rome, 12 June 2026** – The Shareholders' Meeting of Orizzonte Sistemi Navali, jointly owned by Fincantieri (51%) and Leonardo (49%), has renewed the Company's Board of Directors, reaffirming its commitment to supporting the growth and development path undertaken in recent years.

The Shareholders' Meeting appointed Enrico Credendino as Chairman, a highly respected institutional and professional figure who brings to the Company extensive experience gained at the highest levels of the Italian Navy.

The new Board of Directors also confirmed Giovanni Sorrentino as Chief Executive Officer, representing Fincantieri, ensuring continuity with the work carried out during the previous term and with the significant achievements accomplished over the three-year period that has just concluded.

At the same time, Francesco Ciambra, representing Leonardo, was appointed General Manager, with the objective of further contributing to the Company's development and strengthening strategy.

The new governance structure combines management continuity with the enhancement of key competencies, laying the foundations for addressing future challenges and seizing growth opportunities in the naval defence sector, in line with the Company's strategic objectives.
