ACTS OF KINDNESS

★ ★ ★ ★ ★ ★ ★

“Passion led us here to
enrich the lives of
veterans.”

Barry County Acts of Kindness

Barry County Acts Of Kindness officially formed in 2022 and received their 501c3 non-profit status in June of 2023. Our purpose is to assist Veterans in need. Unfortunately, there aren't enough or proper government programs that are able to assist. That's where we come in. We are able to help our local veterans when other organizations are unable to.

Fundraising

Our main goal is to raise awareness and funds to provide for the needs of any Veteran in Barry County, whatever the need may be. We have also teamed with other local organizations that assist Veterans to make numerous projects possible. It is because of sponsorships and donations from community members, like you, we have been so successful in these efforts.

Previous Donations

Since our formation, we have been able to provide over \$18,500 in assistance to Barry County Veterans in various ways, including mortgage assistance, utility bills, home improvements, car repairs and even new shoes.

We continue to raise funds through our various fundraising events and were pleased to present a check to the Disabled Veterans, through the American Legion Post #45, for the 3rd year in a row. Year 2025 the check was for \$1,500. As always, the group was extremely grateful for the donation.

We were also able to present a check to an organization called "I Carried the Cross", organized by a local veteran, who is working to re-condition a home for homeless veterans. His check was in the amount of \$1,050. Again, he was extremely grateful for this donation.

How Can You Help?

Barry County Acts of Kindness was also the recipient of an ENF Grant Check from the Hastings Elks Lodge #1965 to be used to help our local Veterans. As always, we are grateful for the community support.

There are several avenues you can get involved in and support local Veterans. Annually, we hold events to raise funding to help our veterans. You can attend one or all of these events. You can also donate items to use for gift baskets for raffles and silent auctions as another avenue of support. Lastly, and most importantly you could be an Acts Of Kindness Sponsor.

Our largest annual fundraiser, Cabin Fever Reliever, is planned for the third Saturday of March every year. We would love for you to join us at this and other upcoming events.

Stay tuned for more information on upcoming events and fundraisers that your participation in would be greatly appreciated and very welcomed!
