

Barry County Acts Of Kindness
219 W. Grant St.
Hastings, MI 49048

Barry County Acts Of Kindness officially formed in 2022 and received their 501c3 non-profit status in June of 2023. Our purpose is to assist Veterans in need. Unfortunately, there aren't enough or proper government programs that are able to assist. That's where we come in. We are able to help our local veterans when other organizations are unable to.

Since our formation, we have been able to provide over \$18,500 in assistance to Barry County Veterans in various ways, including mortgage assistance, utility bills, home improvements, car repairs and even new shoes. We have also teamed with other local organizations that assist Veterans to make numerous projects possible. It is because of sponsorships and donations from community members, like you, we have been so successful in these efforts.

How can you help? There are several avenues you can get involved in and support local Veterans. Annually, we hold events to raise funding to help our veterans. You can attend one or all of these events. You can also donate items to use for gift baskets for raffles and silent auctions as another avenue of support. Lastly, and most importantly you could be an Acts Of Kindness Sponsor.

Our largest annual fundraiser, Cabin Fever Reliever, is planned for March 21, 2026. We would love for you to join us at this and other upcoming events we are possibly looking into for the rest of 2025 including a Euchre Tournament and Cornhole Tournament.

On the reverse side of this letter, you will find the various sponsorship levels we offer and all of our contact information. You can check out our website at www.barrycountyaok.org for additional information or to make a secure donation directly on our website.

We invite you to help us support our local Veterans by becoming a sponsor, on any level.

With much gratitude,

Barry County Acts of Kindness
Board of Directors
