Forward-looking information and statements

This news release contains certain forward-looking statements and forward-looking information (collectively, forward-looking statements). In particular, this news release contains forward-looking statements, including timing of the release of financial and operational results and the related conference call and webcast and replay. The forward-looking statements are based on certain assumptions that South Bow has made regarding, among other things: market conditions; economic conditions; and prevailing governmental policies or regulatory, tax, and environmental laws and regulations. Although South Bow believes the assumptions and other factors reflected in these forward-looking statements are reasonable as of the date hereof, there can be no assurance that these assumptions and factors will prove to be correct and, as such, forward-looking statements are not guarantees of future performance. Forward-looking statements are subject to a number of known and unknown risks and uncertainties that could cause actual events or results to differ materially, including, but not limited to: the regulatory environment and related decisions and requirements; the impact of competitive entities and pricing; actions taken by governmental or regulatory authorities; adverse general economic and market conditions, and other factors set out in South Bow's public disclosure documents. The foregoing list of assumptions and risk factors should not be construed as exhaustive. The forward-looking statements contained in this news release speak only as of the date hereof. South Bow does not undertake any obligation to publicly update or revise any forward-looking statements or information contained herein, except as required by applicable laws. All forward-looking statements contained in this news release are expressly qualified by this cautionary statement.

About South Bow

South Bow safely operates 4,900 kilometres (3,045 miles) of crude oil pipeline infrastructure, connecting Alberta crude oil supplies to U.S. refining markets in Illinois, Oklahoma, and the U.S. Gulf Coast through our unrivalled market position. We take pride in what we do – providing safe and reliable transportation of crude oil to North America's highest demand markets. As an investment-grade entity based in Calgary, Alberta, South Bow's common shares trade on the Toronto Stock Exchange and the New York Stock Exchange under the symbol SOBO.
