LYNK Foundation Mission:
Transforming the Human Spirit

LYNK BUILDS SCHOOLS

We are on a mission to construct 1000 schools to transform the human spirit. We work with global partners and local communities. Through access to education, we will dismantle generational poverty and unlock the untapped potential within these communities.

LYNK CORE VALUES

Our values are our compass:

THE IMPACT WE ENVISION

We will provide access to quality education that transforms scarcity into possibility.

We will transform possibility into reality

We will create a world where everyone makes a difference.

We will build a world where each individual contributes to the global economy.

Picture children who were once limited, now empowered through education, emerging as global leaders who shape brighter futures.

BUDGET AND PROJECT SCOPE

Critical infrastructure: a school that houses 3 or more classrooms, a safe water system, a playground, sanitation facilities, a feeding center, and a garden that teaches sustainability.

PHASED APPROACH

Phase One
(Completed up to Q1 2025)

LYNK Leadership Academy - Monrovia, Liberia, West Africa (Educating 300 children preschool through grade 6).

Phase Two
(2025 - 2030)

25 schools have already been vetted for 2025. An additional 13 schools in Central America have also been vetted, bringing the total to 38 schools for 2025. The remaining 62 schools will be selected across Africa, India, and South America. We will be beginning to vett our local US and Canadian school alliances to create cultural synergy.

Budget per school:
