About the ART X Edit

At ART X Lagos, we're proud of where we're from - and that's why we celebrate the city of Lagos itself and all it has to offer - the exhibitions, conversations, gatherings and cultural moments that make this season so special. Lagos during Art Season, ushered in by our fair, is a city in motion — studios open their doors, galleries unveil new work, restaurants and bars get creative and ideas travel well beyond the walls of the fair.

The ART X Edit is our curated guide to navigating it all. The guide is organised into eight sections: **The 2026 Fair, Our Exhibitors, Studio Visits, Exhibitions, Festivals, Talks & Performances, Food & Drink, and Beyond Lagos.** We invite you to use it as a map, a starting point or a companion for the season — whether you are planning your days in advance or allowing the city to lead you.

The 2026 Fair

ART X Lagos returns to the Federal Palace from **5-8 November 2026** for its 11th edition. Under the theme **A New Chapter, A New Decade,** this year's fair looks to the artists, architects, educators and thinkers who shaped Modernism in Nigeria, asking how the histories, knowledge and cultural inheritances we carry forward can shape what we create next.

Across its Main and Spotlight sections, ART X Lagos brings together galleries presenting established and emerging voices from Africa and its diaspora. The programme extends beyond the fair floor through **ART X ICON:** Ladi Kwali - Beyond the Vessel; Ndidi Dike's Residues of Past Encounters II, 2026; and a dynamic line-up of **ART X Talks**, **ART X Cinema**, **ART X Live!**, **Art Across Borders**, **Speakers' Corner**, **the Schools' Programme** and **The ART X Library**. Together, these presentations explore acts of bridging — between past and present, tradition and contemporary practice, local knowledge and international exchange, and established voices and those still emerging into view.
