President's Message

Dear Esteemed Members,

It gives me immense pleasure to connect with you through the August 2025 edition of our Newsletter. Over the past months, IADVL has continued to make significant progress in academics, research, public health initiatives, and community outreach. The dedication and active involvement of our members remain the driving force behind these achievements, and I extend my heartfelt gratitude to each one of you. This year has been particularly encouraging with remarkable growth in our academic programs, digital platforms, and collaborations with national and international associations. The enthusiasm and participation of members in workshops, conferences, and training programs are truly commendable, helping us remain at the forefront of dermatology, venereology, and leprology.

IADVL also continues to uphold its responsibility towards society through public health awareness drives, skin camps, and anti quackery campaigns, reflecting our core values of service, compassion, and professional excellence.

At the same time, we are addressing some key ongoing discussions, including the forensic report and the CFC matter. As President, I am committed to ensuring that these are handled with diligence and resolved at the earliest, in the best interest of our association. For me, IADVL is not just an organization - it is my family, and I will always strive to safeguard its values and future. As we move forward, I encourage all members to remain actively engaged, contribute innovative ideas, and support one another in advancing the mission of IADVL. Together, we will continue to build a stronger, more vibrant, and globally respected association that excels in science, ethical practice, and social responsibility.

With best wishes for your personal and professional endeavors, I look forward to meeting many of you at our upcoming programs and events.

Warm regards,

Dr. Rajeev Sharma

LM/UP&UK/2251

President, IADVL 2025

Message of President-Elect

Embracing Excellence: A Vision for IADVL's Future

By Dr. Vinay Singh, President-Elect, IADVL

As I step into the role of President-Elect of IADVL, I do so with deep gratitude and a profound sense of responsibility. Our association stands at a pivotal moment - where tradition meets transformation, and where our collective expertise can redefine the future of dermatology in India and beyond.

Elevating Dermatology Education

Having spent decades immersed in clinical practice and academic leadership, I believe the cornerstone of progress lies in how we train the next generation. Structured assessments like OSCEs must become the norm, not the exception. Competency-based education will ensure our young dermatologists are not only knowledgeable but also clinically agile and ethically grounded.

To this end, I propose the launch of a **National Dermatology Education Taskforce** - a collaborative platform to standardize training modules, mentor educators, and integrate simulation-based learning across institutions.

Innovation in Practice

The future of dermatology is digital, data-driven, and patient-centric. Whether through AI-assisted diagnostics, teledermatology, or personalized immunotherapy, we must embrace technologies that enhance precision and accessibility. IADVL can play a catalytic role by fostering innovation hubs, supporting multicentric research, and creating open-access repositories of clinical knowledge.

At Vibrance Wellness Vista, I've witnessed firsthand how integrating technology with empathy transforms patient care. I envision similar models being scaled across our member practices.

Strengthening Community & Collaboration

Our strength lies in our diversity. From metro cities to remote districts, IADVL members bring unique perspectives and challenges. My goal is to ensure inclusive representation, amplify regional voices, and build bridges across specialties. We will expand our

outreach programs, support mental wellness among practitioners, and celebrate the unsung heroes of dermatology.

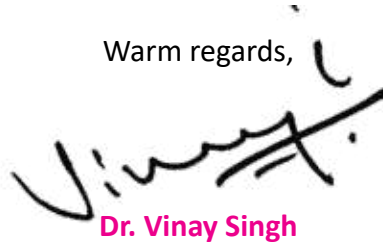

International partnerships will also be a priority - enabling cross-border learning, joint conferences, and collaborative research with global dermatology societies.

Honoring Legacy, Inspiring Leadership

IADVL's legacy is built on the shoulders of visionary leaders. As we move forward, we must continue to recognize excellence - be it in clinical innovation, academic contribution, or community service. I propose the creation of a Dermatology Changemaker Series to spotlight members whose work is shaping the future.

In closing, I invite each of you to be part of this journey - not just as members, but as co-architects of a more vibrant, inclusive, and forward-thinking IADVL. Together, let us embrace excellence, empower education, and elevate dermatology to new heights.

Warm regards,

Dr. Vinay Singh

LM/ND/2993

President-Elect, IADVL 2025

Message of Imm. Past President

Dear IADVLites,

It is with immense pride that I pen this note for our esteemed IADVL News. Having had the privilege to serve as 52nd President of the Indian Association of Dermatologists, Venereologists and Leprologists, I have witnessed the dedication, unity, and spirit of excellence that define our association being carried forward by the successive leaderships.

Our association and members have shown remarkable adaptability, whether in advancing clinical expertise, contributing to research, or guiding the community for a better dermatological care. To reiterate our commitment we have conducted a massive number of health camps that has been written in the prestigious International Book of Records. I congratulate the leadership of President Dr Rajeev Sharma and Hon Secretary General Dr Bhumesk Kumar Katakam and all the members of the association. I encourage every member, from the young postgraduate to the seniormost member to uphold the values that make our fraternity strong and commit to the service to society. Let us also remember that our work is not just about treating skin diseases, but to demystify the common beliefs including the awareness about the self-styled dermatological practitioners.

I express my deepest appreciation to the current leadership for their tireless efforts and to each of you for your unconditional support in the past. May we continue to work together to strengthen the bonds of knowledge, friendship, and purpose of our esteemed society.

Long Live IADVL,

Dr Manjunath Shenoy M

Immediate Past President, IADVL 2025

Honorary Secretary General Speaks

Namaste IADVL, Dear Esteemed Members,

Greetings! As we step into August 2025, I am proud to share that our IADVL family has now grown to 18,554 members across the country. This remarkable number reflects the trust, unity, and collective strength of our association. July was a significant month for us, marking the cut-off date for LM conversion for inclusion in the electoral roll for the IADVL 2025 elections. I congratulate and welcome all members who completed their conversions and became eligible to participate in the democratic process of our association. For those who have not yet registered as e-voters, I strongly encourage you to complete your registration by 23rd September 2025 to ensure your valuable voice is heard.

The past months have been filled with academic excellence, community outreach, and collaborative efforts led by our dedicated committees and state branches. From impactful public health initiatives to high-quality educational programs, each activity reinforces our mission of advancing dermatology while serving society with compassion and integrity.

Happy to Share a Historic Milestone! IADVL has officially entered the International Book of Records for conducting 752 Free Skin Health Camps across India on 13th July 2025! A total of 1432 dermatologists participated, reaching out to 45,903 patients, offering free consultations, medications, and spreading awareness on skin health.

This remarkable achievement reflects IADVL's commitment to:

1. Community Service
2. Connecting with the Community to promote "Healthy Skin, Healthy Body, Healthy Nation"
3. Building the IADVL Brand through impactful outreach
4. Strengthening Unity Within the Dermatology Fraternity
5. Fighting against quackery A proud moment for every IADVL member - together, we made history!

As we look forward, I invite each member to actively engage in our upcoming events, share your expertise, and contribute to shaping the future of IADVL. Together, with our growing membership and shared vision, we will continue to strengthen our presence as the leading dermatological association in India and beyond.

I am thankful to our EC Members - Dr. Rajeev Sharma, Dr. Vinay Singh, Dr. Manjunath Shenoy, Dr. Kavitha S.B., Dr. A.J.S. Pravin, Dr. Akshay Jain, Dr. Rajiv Ranjan Thakur, Dr. Shruthi H.N., Dr. Shital Poojary, and Dr. Prashant Jadhav - along with all Committee Chairpersons, Convenors, Branch Executives, and our dedicated HQ employees for their valuable support and contribution.

Warm Regards,

Dr. Bhumesh Kumar Katakam, MD-DVL, DCH
LM/TS/3891
Honorary Secretary General, IADVL

Hon. Treasurer's Note & Accounts

Dear IADVL Members,

As we reach approximately the midpoint of 2025, I am pleased to share with you the financial highlights and updates from our association. The past few months have been challenging as well as rewarding, and importantly great learning. I am grateful for the Ecs and members continued support. As we understand, our financial position is getting stronger; thanks to the collective efforts of all who are responsible. We have seen a steady increase in membership, which has directly and indirectly contributed to our financial stability. This growth allows us to invest more in educational programs, research grants, outreach activities and investments that benefits the association in turn.

In the first half of the year, we successfully organized several workshops and conferences that received positive feedback from participants. Apart from learning opportunities, they also contributed significantly to our revenue. I encourage all members to participate in upcoming events, as they are crucial for our professional development and overall growth of the association. We are committed to maintaining transparency and accountability in our financial practices. We will continue to provide regular updates on our financial status by presenting our reports in major meetings and new letters.

I would like to take this opportunity to thank our dedicated team for their hard work and commitment that includes the National/State ECs, CFCs and the chartered accountants. Together, we are making strides towards advancing dermatology in our region.

Let us work together to make the remainder of 2025 a successful year for IADVL.

Thank you.

Long live IADVL!

Dr. Kavitha S B

REPORT OF IJDVL

(16th July to 15th December 2024)

Dr (Prof) Archana Singal, Editor-In-Chief, IJDVL

1. The Journal Citation Report (JCR 2024) for the year 2024 was published on 20th June 2025. IJDVL has scored an impressive increase in the Impact Factor from 3.2 to 3.4 and rise in Scopus CiteIndex from 1.9 to 2.6. With this increase, IJDVL now features in Quartile 1 for the first time within its subject category of Clinical Dermatology across the globe and the journal citation indicator category (JCI).
2. IJDVL was awarded The Blackbuck Award for Outstanding Medical Journal in India by the Union Minister of state for Road Transport and Highways, Mr Harsh Malhotra, and Chairman National Medical Commission Dr Abhijat Sheth, on 10th Aug 2025, which was received by the EIC, Prof Archana Singal.
3. Additionally, the editorial team including EIC Prof Archana Singal and Section Editors Prof Geeti Khullar and Prof Pooja Arora were interviewed by the Medical Dialogues regarding their insights about the Journal's excellent performance and workflow of IJDVL.
4. **Revered Reviewers (IJDVL 2024):** IJDVL continue to appreciate and felicitate its revered reviewers for their contribution, for rendering their expert opinion thus helping us to improve the quality of publication of IJDVL.

• Vikram Kumar Mahajan	• Bhushan Kumar	• Diksha Agrawal
• Kidangazhiathmana Ajithkumar	• Arshi Farist	• Manobalan K
• Kabir Sardana	• Minu Chiramel	• Rhea Ahuja
• Jignaben Padhiyar	• Bhavana Doshi	• Joyce Lee
• Rashmi Jindal	• Hitaishi Mehta	
5. **IJDVL Podcasts-** Media Cell of IJDVL, under its novel initiative has published 2 podcasts in this duration (total of Twelve podcasts); one on Antibiotic sensitivity and biofilm formation in Cutibacterium acnes with Dr Navya Paul and 2nd on handheld NBUBV device in vitiligo vulgaris with Dr Suvesh Singh.
6. **Top 3 most cited IJDVL manuscripts in last 3-years (published 2022-24):**
 1. Shah RJ, Banerjee S, Raychaudhuri S, Raychaudhuri SP. JAK-STAT inhibitors in Immune mediated diseases: An Overview. Indian J Dermatol Venereol Leprol. 2023;89:691-699.
 2. Das A, Vasudevan B, Talwar A. Porokeratosis: An enigma beginning to unravel. Indian J Dermatol Venereol Leprol. 2022;88:291-299.
 3. Verma SB, Panda S, Nenoff P, Singal A, Rudramurthy SM, Uhrlas S, et al. The unprecedented epidemic-like scenario of dermatophytosis in India: I. Epidemiology, risk factors and clinical features. Indian J Dermatol Venereol Leprol 2021;87:154-75.

Report of IDOJ

(16th July to 15th December 2024)

Dr Dipankar De

Editor-In-Chief - Indian Dermatology Online Journal

Indian Dermatology Online Journal Report : April 1, 2025 to July 31, 2025

The Indian Dermatology Online Journal (IDOJ) published 2 issues (May- June and July- August) during this time. The issues were released on time and were well appreciated. While impact factor remains an important metric for journal performance, the journal is also receptive to the needs of Indian dermatologists, dermatology postgraduates and their clinical practice.

Impact factor 2024 : Journal Impact factor (Clarivate analytics) and CiteScore (Scopus) for 2024 were released during this period. The journal impact factor is 2.0 and CiteScore is 2.2. These have seen a modest and encouraging increase compared to the previous year. The journal appreciates the authors for considering IDOJ for their preferred journal; the reviewers for their timely, extensive and insightful reviews despite their busy professional schedule; the members of the editorial board- present and the past- for their contribution in taking the journal to a higher pedestal and contributing to faster processing of articles and production of accepted articles; the publisher Wolters Kluwer Medknow for their support for the journal; and the Executive Committee of IADVL for their continued support to the journal without interfering in its activities.

IDOJ Editorial Board Meeting : The IDOJ Editorial Board Meeting was held at IADVL Headquarters in Ghaziabad on July 21, 2025. Members of the IADVL EC- Dr Rajeev Sharma (President), Dr Vinay Singh (President Elect), Dr Bhumesk Kumar Katakam (Hon. Secretary General) and Dr Kavitha S.B. joined the meeting and addressed the editorial board. The IADVL EC was highly appreciative of the journal performance and assured all support on administrative and financial fronts towards the functioning of the journal.

Dr Seetharam K.A, the Emeritus Editor, was felicitated for his great contribution as Editor-in-Chief of the Journal.

The Editorial Board discussed where the journal is and the way forward, how to increase the reviewer database and utilise the precious time and expertise of the reviewers without burdening them with too many review requests, how to improve journal efficiency including further reducing time taken for article processing and production, making the manuscript management portal more friendly for the authors, reviewers and editor; adding features on the article processing and production platforms for seamless progress in these phases, augmented social media engagement for better visibility of the journal, ways to use artificial intelligence to the advantage of research and publishing and tackling the menace of mindless AI use, etc.

Mr Vikas Chawla represented the publishing team. The technical aspects raised during the meeting of the editors were communicated to him for measures to be taken at the earliest.

Follow up to editorial board meeting and the most important action taken : From acceptance to appearance of articles in search engines like PUBMED were taking several months at the cost of visibility/ searchability of the articles on PUBMED. In the publication phase, the accepted articles are first published as 'ahead of print' before it is 'published in an issue' with a lag period of some months between these. The articles were appearing in PUBMED after approximately 5 weeks of getting 'published in an issue'. This shortcoming has been addressed and the articles published 'ahead of print' are appearing on PUBMED within one week, not several weeks/ months. This is in line with reputed journals globally.

Dr Dipankar De

Editor-in-Chief

Indian Dermatology Online Journal (IDOJ)

Report of IJPGD

(16th July to 15th December 2024)

► **Yogesh Marfatia**
Editor-in-chief

Ananta Khurana ◄◄
Associate Editor

The Indian Journal of Postgraduate Dermatology (IJPGD), an official publication of the Indian Association of Dermatologists, Venereologists and Leprologists (IADVL), is the first dermatology journal focussed on Dermatology residents worldwide.

IJPGD is a bi-annual, open access, online and print journal, which has so far released five issues so far. It is a peer reviewed journal devoted to publishing novel and high quality original research, case descriptions, snippets and review articles on various disciplines of dermatology including Sexually Transmitted Diseases and Leprosy. Another major focus of the journal is on medical education pertaining to undergraduate and post graduate dermatology teaching methodologies and innovations.

The submissions to the journal have been a sharp upwards curve since its inception. And encouragingly, most of the submissions have been from residents and faculty of teaching institutes. Being the first journal targeted towards Dermatology residents, this is gratifying for the IJPGD editorial board.

In addition, we strive to involve interested residents in the peer review process as well, giving them a chance at understanding the scientific publishing process.

The statistics for last year (2024) are as follows: Total articles published : 84; Total submissions – 262, Rejection rate :43.26%; Acceptance rate – 14.6%; Submission to acceptance :79 days

The journal gives awards for Best paper in Postgraduate Thesis section, Best Original article, Best Review article, Best case series and Best case report every year.

The awards for the year 2024 were as follows : Best Review Article: Gupta S, Khullar G, Joshi R. Faculty's Forum: Approach to Learning Dermatopathology during Postgraduate Residency. Indian J Postgrad Dermatol. 2024;2:80-6. doi: 10.25259/IJPGD_160_2024

Best Original Article : Narayana Rao T, Gopal K, Chennamsetty K, Velapati S, Ananditha K, Adapa P. Clinical Features, Investigative Profile and Association with Metabolic Syndrome in Facial Acanthosis Nigricans: A Case–Control Study in Indian Patients. Indian J Postgrad Dermatol. 2024;2:69-73. doi: 10.25259/IJPGD_30_2024

Best Case Report : Méndez-Flores S, Vega-Santoyo ML, Hernández-Hernández F. Primary Cutaneous Aspergillosis in an HIV Patient and Combined Therapy: A Case Report. Indian J Postgrad Dermatol. 2024;2:98-100. doi: 10.25259/IJPGD_18_2024

IJPGD has also been consistently receiving submissions from outside the country, highlighting the gradually increasing awareness about this focussed journal.

The articles published in the journal are considered at par with other indexed journals, for the purpose of applying for IADVL scholarships and grants. IJPGD is indexed with Google Scholar, CrossRef, ReadCube, Portico currently and we hope to apply for PubMed indexation after a few more issues which shall provide further incentive to Dermatology residents to contribute towards IJPGD.

IMPORTANT DATES TO REMEMBER

STEPS FOR ONLINE PLM TO LM CONVERSION

- Log onto www.iadvl.org
- Go to 'Membership' tab on homepage and click on 'Apply for Membership'
- On the new page, drag to the bottom and click on 'View Details & Apply' on the 'PLM TO LM conversion' section
- You will open up a dialogue box stating the documents required. Make sure you have soft copies (in pdf or jpg format) of all the documents ready. Click Apply.
- On the first page, enter your details - Name, E-mail, Mobile Number and existing PLM number. Click 'Save and Proceed'. you will receive an OTP on your phone-enter that.
- On the second page, upload your recent photograph. Please choose the State branch you are presently residing/working/practicing in at the top of the page. If the State branch is different from the one your PLM is registered with, you will need a NOC from that branch. Enter your personal details & upload the documents in pdf or jpg format. Click 'Save and Proceed'.
- On the third page, enter your details about Education and practice and click 'Save and Proceed'.
- On the fourth page, review your details and Click 'Submit or Proceed' at the top of the page.
- You will receive an notification by mail with your application id once the same is accepted by the system.
- Your application will first be cleared by the concerned State branch Secretary before it reaches the dash board of the Hon. Secretary General for final approval.

❖ 12:30 PM- 12:35 PM - Discussion on IADVL Textbook Publisher

❖ 12:35 PM – 12:40 PM - Any Other Matter (Not More Than 2 with Chair's Permission)

❖ 12:45 PM - Vote of Thanks – Dr. Bhumesh Kumar Katakam National Anthem & Group Photo Followed by Lunch

PROPOSALS FOR AGBM MEET

Dr. Rajeev Sharma
LM/UP&UK/2251
President, IADVL

Dr. Bhumesh Kumar Katakam
LM/TS/3891
Honorary Secretary General, IADVL

AGBM MINUTES To Be Taken Up In The Midterm CC Meeting.

Proposal 1: Election Reforms

Proposer: Dr. Vinay Singh (LM/ND/2993)

Seconded by: Dr. Varun Tyagi (LM/ND/5374)

Dr BASANTH PAUL (LM/K/11978)

Dr AVINASH (LM/TN/11650)

Dr AKSHAY SAMAGANI (LM/KN/11496)

Dr GAURISH LAAD (LM/GO/9039)

Dr KHUSBOO MODASIA (LM/G/10694)

Dr. Gaurish Laad (LM/GO/9039)

Seconders Signature

1.	
2.	
3.	
4.	
5.	
6.	

Key Discussions:

Silent campaigning to be encouraged. **Virtual meeting** to be held for all **bidding candidates**. **Bidding candidates** will not be invited to the **Central Council meeting**. **Candidates' credentials** must align with **NMC norms**. **Candidates** to submit an **undertaking on stamp paper** stating they will not employ **non-MBBS doctors** to curb quackery.

Decision: Proposal forwarded to the Central Council meeting for further discussion.

Proposal 2: Prevention of Quackery Promotion Within IADVL

Proposer: Dr. Vinay Singh (LM/ND/2993)

Seconded by: Dr. Varun Tyagi (LM/ND/5374)

Dr BASANTH PAUL (LM/K/11978)

Dr AVINASH (LM/TN/11650)

Dr AKSHAY SAMAGANI (LM/KN/11496)

Dr GAURISH LAAD (LM/GO/9039)

Dr KHUSBOO MODASIA (LM/G/10694)

Dr MANISH KADAM (LM/M/ 7273)

Dr RAJESH KUMAR (LM/M/ 2891)

Dr NISHI YADAV (LM/ND/13451)

Seconders Signature	
64.	1. 
65.	2. 
66.	3. 
67.	4. 
68.	5. 
69.	6. 
70.	
71.	
	

Election candidates must submit a bond paper stating they will not employ or train non-MBBS individuals.No IADVL member will engage in training non-MBBS persons. Strict action will be taken against violators.

Decision:To be discussed further in the Central Council Meeting.

Proposal 3: Utilization of funds for the benefit of common members

Proposer: Dr. Vinay Singh (LM/ND/2993)

Seconded by: Dr. Varun Tyagi (LM/ND/5374)

Dr. Gaurish Laad (LM/GO/9039)

Dr RAJESH KUMAR LM/M/2891

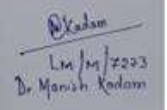

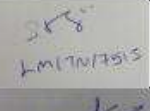

Dr MANISH KADAM LM/M/7273

Dr KARTHIK RAJA LM/TN/7513

Dr KHUSBOO MODASIA (LM/G/10694)

Dr NISHI YADAV (LM/ND/13451)

Seconders Signature

91.	
92.	 LM/ND/5374
93.	 LM/M/7223 Dr. Manish Kadam
94.	 LM/M/7513
95.	
96.	

Concerns Raised:

What does "high-interest paying instrument" mean?

IADVL cannot invest in stocks/ETFs under the Society Registration Act → Only mutual funds & fixed deposits allowed. Will there be income tax on interest earned? Interest rates are expected to decline, affecting payouts. Disbursement only after one year (as total deaths are known at year-end). Instead of creating new fellowships, existing grants should be increased (DVLWT funds can be strengthened).

Decision: Proposal forwarded to the Central Council Meeting for further clarification and review.

Proposal 4: Criteria for President-Elect and Vice-President

Proposer: Dr. Dr. Rajesh Kumar (LM/M/

Seconded by:

Dr. Gurmohan Singh (LM/UP & UK/ 2628)

Dr. SR Sengupta (LM/WB/2414)

Dr. DA Satish LM/KN/ 1923

Dr. Kaushal Varma LM/ND/1365

Dr. Vinay Singh LM/ND/ 2993

Dr. Sudip Das LM/WB/ 3322

Seconders Signature:

6.		Dr. Gurmohan Singh
7.		Dr. Sujit Ranjan Sengupta
8.		Dr. DA Satish
9.		Dr. Kaushal Varma
10.		Dr. Vinay Singh
11.		Dr. Sudip Das

Key Concerns:

Eligibility criteria for President-Elect are **unclear**—what contributions at what level should be considered?

The term "**capacities other than President and Secretary**" is **vague**. The proposal refers to "**Vice-President Elect**," but this position **does not exist**. A **major constitutional change** will be required if the proposal is passed.

Decision: Referred to the Midterm Central Council Meeting for further discussion and clarity.

Proposal 5: Official Formation of IADVL East Zone Council

Proposer: Dr. Kingshuk Chatterjee (LM/WB/5280)

Seconded by:

Dr. Manoj Ram, (LM/O/4541)
 Dr. Suchibrata Das, (LM/WB/3331)
 Dr. Nilendu Sarma, (LM/WB/3086)
 Dr. Vikas Shankar, (LM/B/5749)
 Dr. Abhishek Kumar Jha, (LM/B/2863)
 Dr. Sudip Das, (LM/WB/3322)

Key Concerns:

Additional administrative burden on IADVL due to **policy-making and elections**. **Alternative approach suggested:** Select zonal representatives (one from each state's CC members). Form a discussion group to address zonal issues instead of creating a new council.

Decision: Forwarded to the Midterm Central Council Meeting for deliberation.

1.		
2.		<i>Suchil</i>
3.		<i>Sharma</i>
4.		<i>10/8/25</i>
5.		<i>Abhishek</i>
6.		<i>Sudip Das</i>

Proposal 6: Zone-Wise Rotation Policy for DERMACON Bidding

Proposer: Dr. Sudip Das

Seconded by:

Dr. Kingshuk Chatterjee, (LM/WB/5280)

Dr. Rohit Batra, (LM/ND/5324)

Dr. RP Gupta,

Dr. Himanshu Gupta, LM/ND/7241

Dr. Anil Ganjoo, LM/ND/1510

Dr. Abhishek Kumar Jha, LM/B/2863

Seconded Signature	
1. Dr. Kingshuk Chatterjee	<i>Kingshuk Chatterjee</i>
2. Dr. Rohit Batra	
3. Dr. RP Gupta	
4. Dr. Himanshu Gupta	
5. Dr. Anil Ganjoo	
6. Dr. Abhishek Kumar Jha	<i>Abhishek</i>

Decision: Referred to the Midterm Central Council Meeting for evaluation and implementation feasibility.

Proposal 7: Changes in SIG Sponsorship Policy and Coordination

Proposer: Dr. Suchibrata Das (LM/WB/3331)

Seconded by:

Dr. Kingshuk Chatterjee, (LM/WB/5280)

Dr. Sudip Das, (LM/WB/3322)

Dr. Nilendu Sarma, LM/WB/3086

Dr. Aniruddha Ghosh, LM/WB/7808

Dr. Indrashis Podder, LM/WB/8315

Dr. Shreya Poddar, LM/WB/11354

Seconders Signature

1. Dr. Kingshuk Chatterjee	
2. Dr. Sudip Das -	
3. Dr. Nilendu Sarma -	
4. Dr. Aniruddha Ghosh -	
5. Dr. Indrashis Podder -	
6. Dr. Shreya Poddar -	

Plan

Prevent miscommunication in SIG programs.

Establish an **SOP (Standard Operating Procedure)** for communication protocol between stakeholders.

SIG must clearly outline all expenses.

Decision: Referred to the Midterm Central Council Meeting for finalization.

Proposal 8: Resignation Due to Conflict of Interest

Proposer: Dr. Sudip Das (LM/WB/3322)

Seconded by: Dr. Kingshuk Chatterjee, (LM/WB/5280)

Dr. Suchibrata Das (LM/WB/3331)

Dr. Nilendu Sarma, LM/WB/3086

Dr. Aniruddha Ghosh, LM/WB/7808

Dr. Indrashis Podder, LM/WB/8315

Dr. Shreya Poddar, LM/WB/11354

Seconders Signature

1. Dr. Kingshuk Chatterjee	
----------------------------	--

Election candidates holding administrative posts may resign only if they win the election.
Ensures continuity in state branch and academic activities of IADVL.
The Bidding Committee for DERMACON should further discuss the clause clarification.
Decision: Referred to the Midterm Central Council Meeting for discussion.

Proposal 9: Validity of Provisional Life Membership for West Bengal Branch will be 7 years for all MD & DVD candidates only

Proposer: Dr. Kingshuk Chatterjee (LM/WB/5280)
Seconded by: Dr. Sudip Das (LM/WB/3322)
 Dr. Suchibrata Das (LM/WB/3331)
 Dr. Nilendu Sarma, LM/WB/3086
 Dr. Aniruddha Ghosh, LM/WB/7808
 Dr. Indrashis Podder, LM/WB/8315
 Dr. Shreya Poddar, LM/WB/11354

Seconders Signature	
1. Dr. Sudip Das	
2. Dr. Suchibrata Das	
3. Dr. Nilendu Sarma	
4. Dr. Aniruddha Ghosh	
5. Dr. Indrashis Podder	
6. Dr. Shreya Poddar	

Plan:

Uniform 7-year validity for all MD & DVD candidates ensures smooth PLM-to-LM conversion.

Eliminates case-by-case basis decisions that caused confusion.

Consideration of **provisional postgraduate passing certificate** for LM conversion (to be decided by GBM).

Decision: Referred to the Midterm Central Council Meeting for finalization.

Proposal 10: The issue of Skill Development and MSME-registered cosmetology training scams revolves around the proliferation of public safety and professional integrity unregulated programs that exploit government schemes for personal profit. Key Issues with MSME-Registered Cosmetology Training Programs: Many cosmetology programs falsely advertise themselves as central government certified training programs, misleading trainees and the public.

Proposer: Dr. Avinash Pravin (LM/TN/11650)
Seconded by:
 Dr. Vinay Singh (LM/ND/2993)
 Dr. Varun Tyagi (LM/ND/5374)
 Dr. Karthik Raja (LM/TN/7513)
 Dr. Khushboo Modasia (LM/G/10694)
 Dr. Akshay (LM/KN/11496)

Second Name and LM Number:

1. Dr Vinay Singh (LM/ND/2993)
2. Dr Karthik Raja (LM/TN/7513)
3. Dr Khushboo Modasia (LM/G/10694)
4. Dr Akshay LM/KN/11496)
5. Dr Basanth Paul LM/K/11978
6. Dr Varun Tyagi LM/ND/5374

Issue:

Unregulated cosmetology training programs exploit government schemes for personal profit, compromising public safety and professional integrity.

False certification leads to quackery.

Plan:

Identify and prevent non-MBBS individuals from obtaining fraudulent certifications.

Provide adequate evidence in the form of issued certificates to non-MBBS members.

Decision: Referred to the Midterm Central Council Meeting for further deliberation.

Proposal 11: Regulation of Avatar Lasers and Home-Based Laser Treatments

Proposer: Dr. Varun Tyagi (LM/ND/5374)

Seconded by: Dr. Vinay Singh (LM/ND/ 2993)

Dr. Aninash Pravin (LM/KN/11496)

Dr. Karthik Raja (LM/TN/7513)

Dr. Khushboo Modasia (LM/G/10694)

Dr. Akshay (LM/KN/11496)

Dr. Basanth Paul (LM/K/11978)

1. Dr Vinay Singh (LM/ND/2993)
2. Dr Karthik Raja (LM/TN/7513)
3. Dr Khushboo Modasia (LM/G/10694)
4. Dr Akshay LM/KN/11496)
5. Dr Basanth Paul LM/K/11978
6. Dr Aninash pravin (LM/KN/11650)

Issue:

Avatar Lasers offering home-based treatments (Laser Hair Reduction, Q-Switch Laser, PRP, IV Drips) employ unqualified therapists.

Plan:

Limit quackery practices by ensuring trained professionals handle procedures.

Decision: Referred to the Midterm Central Council Meeting for action.

Proposal 12: To allow IADVL State Executives, State President to hold key posts in the DERMACON / MIDERMACON organizing & scientific committee of the venue city bid.

Proposer: Dr. D. Dinesh Kumar (LM/TN/5354)

Seconded by: Dr Ramesh Bhat (LM/KN/2051)

Dr Rashmi Sarkar (LM/ND/1543)
Dr R Raghunatha Reddy LM/KN/2925
Dr Feroz K LM/K/3383
Dr Athota Kavitha LM/AP/2676
Dr Savitha Somaiah LM/KN/5761

Proposer Signature

Seconders Signature

1. Dr Ramesh Bhat
2. Dr Rashmi Sarkar
3. Dr R Raghunatha Reddy
4. Dr Feroz K
5. Dr Athota Kavitha
6. Dr Savitha Somaiah

Agenda:

Discuss whether State Executives and Presidents should be allowed to hold key posts in DERMACON/MIDDERMACON organizing committees.

GBM to decide on this aspect.

Decision: Referred to the Midterm Central Council Meeting for a final call.

Proposal 13: The minimum age criteria for the president elect candidates must be 40 years for state presidents and 50 years for national presidents at the time of application

Proposers: Dr. Bhumesh kumar Katakam (LM KN 2878)

& Dr. Manjunath Shenoy (LM/TS/3891)

Seconded by: Dr. Rajeev Sharma (LM/UP&UK/2251)

Dr. Vijay Zawar (LM/M/942)

Dr. Kavitha SB (LM/TS/3892)

Dr. Askon N (LM/K/1129)

Dr. KE Mukadam (LM/M/4054)

Dr. Vikas Shankar (LM/B/5749)

Dr. Nirupama T (LM/AP/6280)

Proposer Signature	
Seconders Signature	
Dr. Manjunath Shenoy M LM/KN/2878 	
Dr. Rajeev Sharma, LM/UP&UK/2251	
Dr. Vijay Zawar, LM/M/942	
Dr. Kavitha S B LM/TS/3892

Dr. Mukadam K E, LM/M/4054	
Dr. Vikas Shankar, LM/B/5749	
Dr. Nirupama T, LM/AP/6280	

Plan:

Minimum age criteria: State President: **40 years** at the time of application.

National President: **50 years** at the time of application. Ensures **experienced leadership** while maintaining **IADVL's legacy of excellence**.

Decision: Referred to the Midterm Central Council Meeting for review.

Title of Proposal :14	DERMACON & MIDDERMACON REFORMS
Name of proposer:	Dr Vinay Singh

4.	Dr MANISH KADAM LM/M/7273
5.	Dr AMBRESH S BADAD LM/KN/6458
6.	Dr KARTHIK RAJA LM/TN/7513
7.	Dr RAJESH KUMAR LM/M/ 2891
<ul style="list-style-type: none"> Is anyone one of the proposer members of CC? /Secunder members of the cc? If yes mention: Yes Dr Vinay Singh 	
<ul style="list-style-type: none"> Is it related to administrative/policy/constitutional (select one) OR we are not able to classify and accept EC's view. CONSTITUTIONAL SECTION H:CONFERENCES, (g) 6) page 42 	
<ul style="list-style-type: none"> How will it help IADVL? Brief introduction. <ol style="list-style-type: none"> The registration fee to attend Dermacon, Mid dermacons should be made affordable for all. As everything is sponsored, the registration fee should be @ 7000 for Dermacons & @5000 for Mid dermacons. The fee should be 5000 for Dermacon & 3000 for mid dermacons for the newly passed outs for 4 years, this will enable more youngsters to join Dermacon. A separate fee may be charged and the QR code on the name tag can be modified for those who want to enjoy alcohol. Each member of the organizing team must furnish copy of the Audited Income Tax Returns of self & clinical establishments filed in previous 02 years and 01 year after the conference is over (eg. For a conference in 2050, the audit report & ITR of AY 2049-50-51,2050 and 2051-52), to avoid any conflict of interest arising after the conference funds data is settled and submitted. All delegates attaining the Retirement age should be given 50% waiver for registration as after retirement it is difficult to pay a high fees. They should give in writing that they are retired from a government organization with supporting documents. The inauguration must be done by the senior most dermatologist of the city/state. GBM should be held in the main hall after inauguration to accommodate maximum number of members. No parallel session should be allowed, entry to GBM should be recorded and mentioned on attendee certificate. Restriction of halls is needed and one speaker-one talk can help in this. In between scientific sessions working lunch with faculty interaction should be provided. Arrangements should be made for smooth functioning during lunch/dinner for elderly & special needs delegates to be observed. IADVL member's talent should be explored for cultural events, this will promote interaction and also save money. 	

9. Biometric attendance should be done to avoid any non dermatologist attending the conference as has been observed in recent years.

- If constitutional – will it replace the existing clause? Or modify? Give detail of the clause –page no. and clause no.

CONSTITUTIONAL

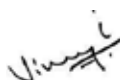

Modify SECTION H:CONFERENCES, (g) 6) page 42

-

- Do you think this needs referral to any specific committee? if yes then which committee?
GBM can decide

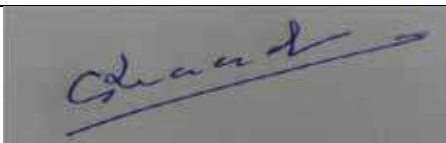

- Please note that EC may decide to refer if it thinks it is necessary.

<ul style="list-style-type: none"> Is it related to administrative/policy/constitutional (select one) OR we are not able to classify and accept EC's view. Leave it to the EC's view
<ul style="list-style-type: none"> How will it help IADVL? Brief introduction. 1) It is evident that most of the young members are not interested in the affairs of IADVL, many have not converted their PLM status to LM. Also many members have changed addresses/ state/ e mail & phone numbers, many are not traceable. It is proposed to introduce Yearly renewal of the membership to be introduced during the annual cuticons of state and Annual Dermacons where a dedicated booth should be erected where members can fill a form with attachment of the required documents and demographic details if any change is there or can update the data if no change is there at a nominal cost. This will inculcate a sense of belonging to the members and soon the database of membership will get corrected. 2) There is a need to form an Overseas branch of IADVL as some members who are holding Indian citizenship are working abroad and are permanently settled there. This will give IADVL a chance to have International presence and will help IADVL in its International pursuits. It will be a win win situation for all. The necessary changes in the bye-laws can be made after thorough discussion as the Jurisdiction will be outside the country.
<ul style="list-style-type: none"> If constitutional – will it replace the existing clause? Or modify? Give detail of the clause –page no. and clause no. Modify Section B & Section C
<ul style="list-style-type: none"> Do you think this needs referral to any specific committee? if yes then which committee?

<ul style="list-style-type: none"> Is anyone one of the proposer members of CC? /Seconder members of the cc? If yes mention: Yes, Dr Vinay Singh 	
<ul style="list-style-type: none"> Is it related to administrative/policy/constitutional (select one) OR we are not able to classify and accept EC's view. Administrative & constitutional 	
<ul style="list-style-type: none"> How will it help IADVL? Brief introduction. IADVL should engage a LAW firm which has pan India presence and can address and fight legal cases on behalf of IADVL members at the local level as IADVL v/s the opposite party. This will streamline the work against quackery in dermatology and also be of help in the legal cases if need arises. However, a proper MOU must be drafted citing all the services the Law firm is going to render to IADVL, and its scope. The amount to be furnished to the Law firm can be generated by parking a handsome amount of money from IADVL account into a high interest yielding instrument where the interest is earned back into IADVL account every month/quarter as per the decision of MOU for payment to the Law firm. This will give more confidence and clarity to the members as they can contact the local legal representative of the said Law firm, who will prepare necessary drafts and appraise the legal cell of IADVL and take proper actions. So far some amount from Rs 50,000000/- ear marked for anti 	

quackery activities has been utilized by Tamil Nadu branch.

- If constitutional – will it replace the existing clause? Or modify? Give detail of the clause –page clause no.

- Do you think this needs referral to any specific committee? if yes then which committee?

GBM can decide

Policy

-
-
-

- **How will it help IADVL?** Brief introduction.

Background

The Indian Association of Dermatologists, Venereologists, and Leprologists (IADVL) is witnessing sustained and commendable growth, with over **1,000 new members joining annually**. The total membership has now surpassed **18,200 members** across India, reflecting IADVL's expanding footprint and increasing responsibilities in academic, social, and public health domains.

Proposal Summary

In light of this significant growth and the rising scope of national-level activities led by the President and Executive Council (EC), it is proposed to increase the **annual Presidential budget from ₹5 lakhs to ₹15 lakhs**.

Justification

1. Expanded Responsibilities and Public Outreach

- The President and EC frequently initiate **community welfare projects**, including **free skin health camps**, **awareness programs**, and **public education campaigns** on skin, hair, and sexually transmitted diseases.
- Many of these activities are time-sensitive, requiring **swift, autonomous decisions** and access to discretionary funds to maintain momentum and impact.

2. Upholding the Dignity of Office

- The increase in budget ensures that the **prestige of the Presidential office is maintained** during national events, meetings, collaborations, and public representation.
- It enables dignified execution of responsibilities, including hosting national-level dignitaries, attending regional/state events, and supporting presidential initiatives without financial constraints.

3. Enhanced Engagement and Execution

- Greater flexibility in budget allocation will foster **more dynamic and visible leadership**, enabling faster rollout of initiatives without over-reliance on procedural delays for approvals.
- Supports logistical needs, promotional materials, and coordination costs for **nationwide campaigns**.

4. Transparency and Accountability

- All expenditures will continue to be **accounted for through proper documentation and audit**, in line with IADVL's constitutional norms and financial guidelines.

Conclusion

This proposal to increase the annual Presidential budget to ₹15 lakhs aligns with IADVL's vision of leadership, public

service, and national engagement. It empowers the President to carry forward critical skin health missions with efficiency and dignity while ensuring broader impact across the country.

Requested Resolution

It is hereby proposed that the Central Council may **approve the enhancement of the annual IADVL Presidential budget from ₹5 lakhs to ₹15 lakhs**, effective from the current or upcoming financial year

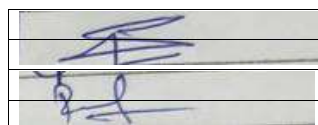

- If constitutional – will it replace the existing clause? Or modify? Give detail of the clause –page no. and clause no.

- Do you think this needs referral to any specific committee? if yes then which committee?

- Please note that EC may decide to refer if it thinks it is necessary.

• Is it related to administrative/policy/constitutional (select one) OR we are not able to classify and accept EC's view.
policy

- **How will it help IADVL?** Brief introduction.

The Indian Association of Dermatologists, Venereologists, and Leprologists (IADVL) continues to grow steadily, with its membership expanding by approximately **1,000 or more members annually**, now surpassing **18,200 members** across the country.

In keeping with our commitment to being a **member-friendly and transparent organization**, it is proposed that the **Midterm Central Council Meeting** be held **annually**, wherein the **general management of the Association** shall be vested with the **Central Council**, as per the IADVL constitution.

Furthermore, in recognition of the valuable contributions of our Central Council members and to ensure their comfort during official meetings, it is proposed that **single-room accommodations** be provided to all CC members attending the Midterm Central Council Meeting. This practice is already being followed in **Academy** and **Journal Committee meetings**, and we have adequate **financial surplus** to extend the same courtesy to CC members as a mark of respect.

This initiative not only upholds the dignity of the CC members but also promotes a conducive environment for productive discussions and decision-making.

- **If constitutional – will it replace the existing clause? Or modify? Give detail of the clause –page no. and clause no.**

- **Do you think this needs referral to any specific committee? if yes then which committee?**

Seconders Signature

-
-
-

- **How will it help IADVL?** Brief introduction.

Background:

As per the **IADVL Constitution 2024 (Page 34)**, the Hon. Secretary-Elect and Hon. Treasurer-Elect are elected by the life members of the association and serve as **observers** for one year prior to taking office. During this period, they may attend EC, Academy, and CCM meetings, assist the incumbent Hon. Secretary or Hon. Treasurer, and are entitled to travel and accommodation support. However, they currently:

- **Do not possess voting rights**
- **Are not seated on the dais** during ECM/CCM
- **Cannot perform independent functions**

Proposal:

In view of their **democratically elected status by the IADVL membership**, and to foster a culture of inclusion, respect, and preparation for leadership, it is proposed that:

1. Voting Rights:

- The **Hon. Secretary-Elect and Hon. Treasurer-Elect** be granted **voting rights** during their observer period in **Executive Council Meetings (ECM)** and **Central Council Meetings (CCM)**.
- Their voting rights shall be limited to issues **not involving financial or constitutional amendments**, preserving the sanctity of observer status while ensuring engagement in deliberations.

2. Seating on the Dais:

- Both Hon. Secretary-Elect and Hon. Treasurer-Elect be provided **seating on the dais** during ECM and CCM, similar to other EC members.
- This shall symbolically and practically **acknowledge their elected status**, preparation for future leadership, and allow better visibility and interaction with the council.

Rationale:

1. Democratic Mandate:

- Both positions are **elected by IADVL life members** through the same electoral process as other EC members. Denying dais seating or voting undermines this democratic endorsement.

2. Leadership Training:

- Active participation in discussions and decisions ensures a **more effective transition** into their future roles, aligning with the spirit of apprenticeship.

3. Respect and Inclusion:

- Providing voting rights and dais representation is a gesture of **institutional respect**, enhancing morale, motivation, and ownership among future leaders.
4. **Consistency in Functioning:**
- Other national and medical associations extend similar privileges to their elect positions. Aligning IADVL's practice with such standards will enhance the professionalism of its governance.

Suggested Resolution:

"Resolved that the Hon. Secretary-Elect and Hon. Treasurer-Elect, being elected representatives of the IADVL membership, be granted voting rights and be seated on the dais during Executive Council and Central Council Meetings, with immediate effect. These voting rights shall exclude financial and constitutional matters during their observer year."

- **If constitutional – will it replace the existing clause? Or modify? Give detail of the clause –page no. and clause no.**

- **Do you think this needs referral to any specific committee? if yes then which committee?**

- Please note that EC may decide to refer if it thinks it is necessary.

h.s.

Legal Committee Opinion :

1. The posts President (Elect) , Hon.Sec.General (Elect) and Hon.Treasurer (Elect) are posts not mentioned as office bearers in the Memorandum of IADVL (HQ) ,neither are these posts part of the Governing body of the Association, in the Memorandum.
2. These nomenclatures have been provided by the AGBM in its own wisdom for the Association.
3. Although these posts are not a part of the Memorandum of the Constitution, but yet each of these are elected members of the Central Council .
4. Therefore the mentioned posts shall retain all powers and duties conferred by the Memorandum of the Constitution, as Central Council members .
5. The Said posts cannot exceed the limits provided in duties and responsibilities other than those granted to Central Council members.
6. The Said posts are neither members of the Governing Council (Executive Council) as laid down in the Memorandum nor do they enjoy any other privilege accorded to Central Council Members except the nomenclature.
7. It would be both wise and prudent to desist from according any special status to any member of the Central Council except nomenclature.
8. The proposal to include these said posts for a special reference is primarily, illegal ,arbitrary , malafide and a colourful exercise of power .
9. Any change on the original Memorandum of the Association has to be first have a prior permission from the registering authority under the Societies Registration Act and then proceeded .
10. The said changes will be a cause of greater litigation being not in concurrence of the societies registration act as it will foster disharmony , undue interference of extra Constitutional considerations (without due responsibilities and answerability to the the members at large) and undue influence on

policy matters as it will provide an undue support / rejection to matters of consideration, by the Association ,without any Constitutional liability .

11. The Memorandum of the Association does not mention any duties for the said posts and therefore they shall be a liability on the autonomy of the EC merely because of an illegal insertion into the decision making process of the Elected office bearers for the Association Year, as by law established.

12. The alleby quoted regarding other Medical Associations does not hold good too since the largest Association of Medical Men ,the IMA (HQ) although includes Elect posts but does not allow the Elect office bearers to perform any duty of the Association or present themselves on the Dias .

13. What cannot be done directly, cannot be done indirectly": is a legal maxim
This is the core principle of the doctrine, derived from the Latin maxim "quandò aliquid prohibetur ex directo, prohibetur et per obliquum".

This is an attempt indirectly for undue illegal interference merely by increasing the numbers of a future EC into being subdued / unconstitutionally interfered upon by pre elected CC members, in the the day to day running of the Association by changes brought about in nomenclatures.

Constitution Committee Opinion :

What our IADVL Constitution 2024 says:

As per IADVL Constitution 2025 (Section D, Page 34):

The Hon. Secretary-Elect and Hon. Treasurer-Elect **are observers** during their term prior to assuming office.

They may attend EC, Academy, and Central Council Meetings (CCM).

They **have no voting rights** and cannot independently perform official functions.

They are entitled to travel and accommodation for attending meetings but cannot influence decisions.

Their presence is for training and observation only, not for active decision-making or voting.

Proposal Nature:

The proposal seeks a **policy change**, not a constitutional amendment, because the current clause defines their role but does not explicitly bar dais seating.

However, **voting rights** in EC and CCM would indirectly alter the Constitution's intent regarding the observer status of these positions.

Impact on IADVL & Concerns:

Granting voting rights may **dilute the observer principle** meant for learning, not influencing decisions prematurely.

Could raise concerns about conflict of interest before they formally assume office.

Might require careful differentiation to avoid confusion in financial or constitutional matters.

Conclusion & Recommendation:

Dais Seating: Not Acceptable as per current Constitution.

Voting Rights: Not acceptable as per current constitution . Needs *thorough deliberation*. The Constitution treats these posts as observers only; voting rights—even *partial*—may need a constitutional review or clarification by the **Constitution Committee** before approval.

The proposal can be first discussed at EC/CC level for consensus, followed by a legal/constitutional vetting if voting rights are to be granted. Potentially conflict with observer role defined in the Constitution.

SOP committee Opinion

All committee members are in agreement and support the proposal. We believe it will help ensure a smoother transition, build confidence in future office bearers, and prepare them better for their roles.

We recommend that the proposal be placed before the Central Council for consideration.

Proposal Form for Central Council Meeting 2025

-

- **How will it help IADVL?** Brief introduction.

In keeping with the tradition of honouring the selfless contributions of the National Executive Committee members, who dedicate their time and energy in service of the association, we propose the **provision of complimentary registration and accommodation during DERMACON for both the incoming and outgoing National EC members at the same venue.**

Currently, this provision is extended only to the outgoing EC. Including the incoming EC will not only acknowledge their commitment to take on leadership roles but also ensure **seamless transition, better coordination, and collective participation** in vital events such as the AGM, handover meetings, and strategic sessions that shape the direction of IADVL.

We kindly request your approval and the necessary arrangements to implement this proposal.

- **If constitutional – will it replace the existing clause? Or modify? Give detail of the clause –page no. and clause no.**

- **Do you think this needs referral to any specific committee? if yes then which committee?**
Constitution and CFC

Policy

- How will it help IADVL? Brief introduction.

In addition to the existing provision for National Executive Committee members, we propose the **extension of complimentary accommodation at the same venue** during DERMACON to the following key office bearers:

- **Academy Chairperson**

- **Academy Convener**
- **Editors-in-Chief of all three IADVL journals**

These individuals hold crucial academic and editorial responsibilities and play an integral role in the scientific and organizational success of DERMACON. Their presence at the central venue will not only streamline academic interactions and coordination but also ensure active participation in strategic discussions, meetings, and society events.

We request your kind approval and necessary arrangements to accommodate them alongside the EC members at the designated venue.

- **If constitutional – will it replace the existing clause? Or modify? Give detail of the clause –page no. and clause no.**

Constitution committee Comments

What our IADVL Constitution 2024 says:

Committees in IADVL Constitution:

The Constitution already provides for various Standing Committees at the National Level (Section D, Rule 3, Page 33–34). These committees can include advisory and expert members, as per need. It mandates that all committees must include members from IADVL and explicitly mentions *no non-member* shall be allowed. It specifies a two-year term for crucial committees like the Constitution Committee, Finance Committee, and Academy.

State Branches' Autonomy:

State branches are allowed to frame their own rules to maintain their autonomy, provided they do not conflict with the National Constitution (Section C, Page 23–24).

States can set up their own committees but align with the national rules.

No explicit mandate currently exists in the Constitution for every state branch to compulsorily have Ethics and Disciplinary Committees.

Administrative & Constitutional Nature:

This proposal qualifies as both administrative and constitutional. It proposes a new constitutional mandate requiring uniform committee formation at the state level.

Impact on IADVL:

This proposal strengthens ethical governance, ensures uniformity, and enhances accountability across all state branches.

It reduces risks of administrative lapses and legal/financial scrutiny by proactively managing complaints and ethics issues.

Aligning such mandatory committees with central IADVL policies will lead to smoother coordination.

Recommendation:

Yes, this proposal requires constitutional amendment as it seeks to *add* a new clause mandating state-level committees.

Referral to the **Constitution Committee** is necessary for clause drafting, placement, and legal vetting

Note:

The clause does not replace any existing clause but introduces a *new mandatory provision*.

Careful phrasing is needed to maintain state autonomy yet ensure uniform compliance.

Review:

The proposal seeks to make it *mandatory* for every IADVL state branch to have an **Ethics Committee** and a **Disciplinary Committee** with a minimum of five members (odd number preferred). If a state has an Anti Quackery Committee, either merge or rename Ethics & Anti quackery Committee if possible.

Currently, no such mandatory clause exists in the Constitution, though state branches can form committees on their own.

This proposal qualifies as both **administrative** and **constitutional**, as it aims to enforce uniform ethical structures across all states. It aligns with IADVL's mission of *clean, transparent, and accountable governance*.

Conclusion & Recommendation:

The proposal is justified, timely, and necessary for strengthening IADVL's governance framework across all state branches.

It requires a **constitutional amendment** and must be referred to the **Constitution Committee** for proper drafting, review, and inclusion.

This step will ensure consistency, safeguard ethical practices, and streamline coordination between the National and State IADVL bodies.

The proposal can be first discussed at EC/CC level for consensus.

Proposal Form for Central Council Meeting 2025

Title of Proposal :7	All the National conferences of IADVL should be fully managed by the National EC with the bidding OC team. To execute this IADVL must hire a Conference management company to do everything except the Scientific program and local logistics, which should be made and executed by the OC.

<ul style="list-style-type: none"> How will it help IADVL? Brief introduction. As in all national conferences of IADVL banner, the PAN used is of National IADVL and as in recent past Dermacons, there have been alleged financial misappropriations which has lead to lots of time & energy wastage of the National EC, as we are slapped with notices from income tax department and for the first time in the history of IADVL, have to go for a forensic audit, if we engage a event manager to do everything, on our terms and conditions (which can be discussed and finalized), except the scientific program, IADVL will be saving money, will be spared of any harassment from IT department and there will be no internal fighting. This model is being used by various societies across the globe and they are running it successfully. For logistics at the local venue city level, the seed money can appropriately be increased and the share model after the conference is over, can be modified on pro rata basis. Now we are no 	

more a charitable association but are Association of People, the tax exemption under section 12 D is no more applicable in the ITR filed from now onwards.

There will be no discrepancy in counting of the food plates, lodging rooms allotted, printing, writing materials expenses, audio-visual expenses, trade area income & expenses, dinners arrangements including the cultural event expenses, construction of the temporary structures which is discouraged in the constitution but almost all OCs get it done (fallout of the recent Hyderabad Dermacon and previous Dermacons) and there will be no issue of difficulty in opening bank account on the IADVL PAN as all the financial dealings will be done by the President of the conference i.e., The President IADVL & the EC. To achieve this we have to sign a MOU with event management company to deal with all these issues and as doctors we are then required to concentrate only on the scientific part. The event manager will solely be responsible for any financial misappropriations if found by any authority.

If constitutional – will it replace the existing clause? Or modify? Give detail of the clause –page no. and clause no.
Constitution -SECTION H: CONFERENCES pg 47:3. Financial accounts a)-f) , pg 49:2. Financial accounts.

Constitution Committee comments

What our IADVL Constitution 2024 says:

Relevant Sections:

Section H: Conferences (Pg 47–49)

Detailed clauses exist for conference finances, organization, and responsibilities.

SOP Section 8 (Pg 149):

Provides clear financial guidelines for DERMACON, including MOU with Organizing Committees.

Key Points in Current Constitution:

Current model allows **OC** to handle most aspects of the conference, with the National EC overseeing the finances and retaining supervisory authority.

The **financial responsibility** currently rests with both National EC and local OC, with strict reporting, auditing, and accountability rules.

Constitution discourages *temporary structures* and has strict guidelines for financial propriety.

However, there is **no clause mandating a compulsory external event management firm** for full conference management.

Proposal Nature:

This proposal is both **administrative and constitutional**.

It seeks to fundamentally shift the operational model by giving full conference management (except scientific program & basic local logistics) to a hired CMC under National EC control.

Impact on IADVL:

Merits:

Greater **financial transparency and control** at the National level.

Minimizes tax risks, legal scrutiny, and future disputes.

Reduces administrative burden on doctors and enables focus on scientific content.

Aligns with practices followed by many global medical associations.

Concerns:

Requires **amendments in the Constitution (Section H: Conferences)** and SOP (Dermacon Finances).

Could reduce local ownership and flexibility.

MOU terms with CMC must be carefully drafted to avoid future complications.

It can be too burdensome for National EC apart from regular organizational responsibilities getting neglected.

Conclusion & Recommendation:

The proposal holds **strong merit** for better financial governance and risk mitigation.

However, it **requires constitutional amendments** (Section H: Conferences) and **SOP revisions**.

It must be referred to the **Constitution Committee** and **Finance Committee** for legal, financial, and constitutional vetting, with clear frameworks for accountability and operational roles.

EC may first discuss the feasibility and then send it for constitutional processing.

It needs constitutional changes and careful multi-committee review before adoption.

The proposal can be first discussed at EC/CC level for consensus.

c

- (d) Each committee shall submit a report to the Central Council through the Hon. Secretary General, every 4 months and as requested by the EC.
- (e) Each committee shall have the option of co-opting a non-member when there is a need for an expert. Such a co-opted member shall attend the committee meetings like other members of the committee and shall not have voting rights. The reports of the committees shall be submitted to CCM and AGBM.
- (f) The President and Hon. Secretary General shall be ex-officio members of all such committees.
- (g) The term of office of the committees shall be as specified in the rules and regulations. The following committees shall have a two-year term: (vide AGBM minutes 2005-2006)
 - i) Constitution committee
 - ii) Finance committee
 - iii) Academy

Since these committees are vital for the functioning of the association, they shall continue until they are specifically dissolved/replaced.
- (h) The President shall have the power, under exigent circumstances, to appoint any adhoc committee or task force for a specified purpose but should seek the ratification of the CC and GB for such action at the next available meeting.
- (i) EC Co-ordinator: The President may appoint co-ordinator from EC to different committees to ensure communication and efficiency. However, these co-ordinators are not members of the committees, cannot influence decision making and shall not have voting rights. Their sole purpose is administrative co-ordination.

SECTION E: FINANCES

1. FUNDS OF THE ASSOCIATION

- (a) The funds or the income of the Association shall be derived from the following sources:
 - (i) Donations or legacies from members or well-wishers of the Association.
 - (ii) Donations will be accepted from members and others (non-members) for prizes, awards, etc., and will be reflected in the bank account.
 - (iii) Sale proceeds and amounts derived from advertisements in souvenirs, etc., or the transactions or any publications of the Association, including the royalties of the sale of textbooks, except the official journal of the Association.
 - (iv) Rents due to subletting the premises, if any, authorized by the Central Council.
 - (v) Total savings accruing from all national conferences (DERMACON and MIDDERMICON)
 - (vi) 20% of the savings of zonal conferences (DERMAZONE) (vide AGBM minutes 2020-2021)
 - (vii) The savings from any International Conference, Including the regional one like an Asian or SAARC conference, if hosted by any branch, state or local. The host branch organizing the conference shall get 20% of the share of the surplus savings.
 - (viii) Royalty from the textbooks and other academic materials published by IADVL should be credited to the central fund and will be the property of the IADVL, the management of which will be vested in the Central Council.

Constitution Committee Comment

What our IADVL Constitution 2024 says:

Committee Functioning (Section D, Page 33-34):

The Constitution allows formation of **Standing Committees** and empowers the **President** to appoint members in consultation with the Immediate Past President and President-Elect.

The President has authority to **add or remove members** of committees and sub-committees as needed during the term.

The EC and CC oversee committee functioning, but **routine replacements** don't necessarily require GBM approval.

Administrative

Nature:

This is purely **administrative**, not constitutional, as it involves internal committee processes already within the President's prerogative.

Proposal Review:

The proposal aims to enhance **efficiency and accountability** by allowing committee chairpersons and conveners to suggest the removal of non-contributing members.

This is already *implicitly permissible* under current constitutional provisions, which allow the President to restructure committees as required, ensuring flexibility.

However, formalizing this as a routine practice with clear guidelines will further improve clarity and fairness.

Impact on IADVL:

Benefits:

Improves committee productivity and morale.

Encourages active contribution from all members.

Streamlines committee work without bureaucratic delays.

Recommendation:

No constitutional amendment is needed, but it is advisable for the EC to:

Frame a simple **SOP or guideline** stating that chairpersons/ conveners may recommend replacement of inactive members to the President, with final approval by the EC.

Ensure a fair process with prior notices/ information or warnings to non-contributing members before replacement.

The proposal can be first discussed at EC/CC level for consensus.

Proposal Form for Central Council Meeting 2025

Title of Proposal :9	DERMACON proposal reform for inclusive venues
Name of proposer:	Dr Amarendra Pandey and Dr Rajeev Sharma
LM Number:	LP/MP/13413 Dr Amarendra Pandey LM/UP&UK/2251 Dr Rajeev Sharma

Yes Dr Amarendra Pandey, Dr Rajeev Sharma and Dr Vinay Singh

- Is it related to administrative/policy/constitutional (select one) OR we are not able to classify and accept EC's view.
CONSTITUTIONAL SECTION H:CONFERENCES, (g) 6) page 42

How will it help IADVL? Brief introduction.

Enhancing Inclusivity and Opportunity within IADVL

The Indian Association of Dermatologists, Venereologists and Leprologists (IADVL) is a national body representing registered dermatologists from across India's diverse states. Just as the Union of India reflects a multicultural, multi-ethnic, and multilingual populace, the IADVL's membership mirrors this rich tapestry.

Currently, the existing voting mechanism for allocating DERMACON, our annual national conference, creates an uneven playing field. States with significantly larger membership numbers inherently hold a disproportionate advantage, making it nearly impossible for smaller state branches to successfully bid for hosting the conference. This situation particularly disadvantages regions like the North East and other zones across the Indian Union.

This imbalance not only limits opportunities for smaller branches but also concentrates conference-related financial benefits – crucial for community outreach, scholarships, and anti-quackery initiatives at the grassroots level – in a few select cities/states. Furthermore, repeatedly hosting DERMACON in the same centers gives the impression that only certain parts of India are dominant within the organization.

To address these disparities, we propose a rotational system for DERMACON allocation based on five distinct zones across India: East, West, North, South, and Central. Under this system, bidding for the conference would be restricted to branches within the designated zone each year. This approach would significantly reduce the current unfair discrepancy and ensure broader participation and resource distribution.

Equitable DERMACON Allocation Through Zonal Rotation

The Indian Association of Dermatologists, Venereologists and Leprologists (IADVL) serves as a national platform for dermatologists from all states of India, reflecting the country's diverse demographic.

However, the current DERMACON bidding process disproportionately favors states with larger memberships, hindering smaller state branches, particularly those in disadvantaged regions like the North East, from hosting the conference. This also concentrates vital funds for local initiatives (community outreach, scholarships, anti-quackery efforts) in a few recurring locations, fostering a perception of regional imbalance within IADVL.

To foster a more just and equitable environment, we propose dividing India into five zones: East, West, North, South, and Central. DERMACON hosting opportunities would then rotate annually among these zones, with bidding open only to branches within the allocated zone. This will ensure fairer distribution of opportunities and resources across our national membership.

Reimagining DERMACON Allocation for Inclusive Growth

The IADVL, as a national body, brings together dermatologists from every corner of India, representing the nation's incredible diversity. Our aim is to ensure that all members have equitable opportunities and that resources are distributed fairly across the country.

The current method for allocating DERMACON, our premier national conference, inadvertently creates an uneven playing field. States with significantly higher membership numbers possess an inherent advantage, making it challenging for branches with smaller memberships to successfully bid for hosting. This particularly impacts regions like the North East and other less numerically strong zones within the Indian Union.

Beyond the issue of hosting opportunities, the repeated selection of certain cities for DERMACON limits the flow of essential funds – vital for grassroots initiatives such as community outreach, scholarships, and anti-quackery campaigns – to other parts of the country. This concentration of events and resources also inadvertently conveys an impression that leadership and opportunities are confined to specific regions.

Therefore, we advocate for a revised approach to DERMACON allocation. We propose dividing India into five distinct zones: East, West, North and South. The conference venue would then rotate annually among these zones, with bidding restricted to branches within the designated zone. Furthermore, within each zone, different venues should be given a chance, and consensus-based allotment should be prioritized over voting wherever feasible. This systemic change will promote inclusivity, ensure a wider geographical spread of conferences, and facilitate more equitable distribution of crucial resources across our membership.

Existing Zones and their State Branches as per constitution) (common across all options):

Please note that we are open to rearranging these zones based on membership strength and other relevant factors.

1. North Zone

- o **States:** Himachal Pradesh, Punjab, Haryana, Uttarakhand, Uttar Pradesh,
- o **Union Territories:** Jammu and Kashmir, Ladakh, Chandigarh, National Capital Territory of Delhi (NCT of Delhi)

2. West Zone

- o **States:** Goa, Gujarat, Maharashtra, Rajasthan, Madhya Pradesh, Chhattisgarh
- o **Union Territories:** Dadra and Nagar Haveli and Daman and Diu

3. East Zone

- o **States:** Bihar, Jharkhand, Odisha, West Bengal, North East States Branch, Manipur
- o **Union Territories:** Andaman and Nicobar Islands (often grouped here due to its location in the Bay of Bengal and proximity to the eastern coast)

4. South Zone

- o **States:** Andhra Pradesh, Telangana, Karnataka, Kerala, Tamil Nadu
- o **Union Territories:** Puducherry, Lakshadweep

-
- **If constitutional – will it replace the existing clause? Or modify? Give detail of the clause –page no. and clause no.**

Constitution Committee Comment

What our IADVL Constitution 2024 says:

Section H: Conferences, Clause (g)6, Page 42 currently governs DERMACON venue selection, which is primarily based on bidding and voting by members.

There is no constitutional provision mandating zonal rotation for conference venues. Presently, all branches, regardless of size, can bid and compete through voting.

The Constitution does allow the General Body to modify or restructure conference procedures if ratified through appropriate constitutional processes.

Nature of Proposal:

This is a **constitutional amendment proposal** as it aims to *modify Section H (Conferences)* to introduce a *zonal rotational system* for DERMACON allocation.

Impact on IADVL:

Merits:

Promotes **geographical inclusivity** and equitable representation of smaller branches.

Ensures **fairer resource distribution** and allows all regions to benefit from conference-generated funds and exposure.

Aligns with the principles of **national representation** and democratic fairness.

Concerns:

Restricts free competition in bidding, potentially reducing flexibility in conference planning.

Requires careful zoning and clear guidelines to prevent confusion or disputes.

Operational challenges may arise in less-developed city for large-scale conference logistics.

Conclusion & Recommendation:

The proposal introduces a **positive reform** for inclusivity, addressing a long-standing concern of unequal representation.

Since it directly affects the **conference bidding and allocation process** detailed in the Constitution, it **requires a constitutional amendment and there is finance concern also**.

Must be **referred to the Constitution Committee & finance Committee** for:

Detailed drafting of the clause.

Legal and procedural vetting.

Framing of rotational cycles, bidding timelines, and contingencies.

EC may review it first for feasibility before formal constitutional processing.

This proposal aims to foster equal opportunity, balanced resource distribution, and fair regional representation by introducing **zonal rotation** for DERMACON venues. It requires constitutional amendment and Constitution Committee & **finance Committee** review for structured implementation.

The proposal can be first discussed at EC/CC level for consensus.

Proposal Form for Central Council Meeting 2025

Title of Proposal :10	Zone wise rotation policy for DERMACON bidding and Executive posts viz. President, Secretary and Treasurer

Constitution Committee Comment

What our IADVL Constitution 2024 says:

Section H: Conferences, Page 40 outlines current DERMACON bidding rules, which are based on voting by Members, with no provision for zonal rotation.

The Constitution also outlines **election rules** for executive posts (President, Secretary, Treasurer), where any eligible member can contest, regardless of zone, based on democratic voting.

No rotational system exists currently for either DERMACON bidding or National Executive Posts.

Nature of Proposal:

This is a **constitutional amendment proposal** as it seeks structural changes in:

DERMACON Venue Selection (Section H, Conferences)

Election Process for Executive Posts (President, Secretary, Treasurer)

Impact on IADVL:

Merits:

Addresses **regional imbalance** in conference hosting and leadership positions.

Promotes **inclusive representation** for under-represented regions/zones.

Reduces perceived electoral disadvantages of zones with fewer voters.

Concerns:

Alters the fundamental principle of **open democratic contest** for executive posts.

Reduces flexibility and competitiveness in both leadership selection and conference hosting.

Requires very careful design of zonal definitions, timelines, and succession policies to prevent disputes.

Potential operational and legal complexities if rigidly applied.

Conclusion & Recommendation:

The proposal raises **valid concerns about fairness** and under-representation.

However, as it directly impacts constitutional processes for both **conference allocation** and **executive elections**, it **requires detailed constitutional amendment**.

Must be **referred to the Constitution Committee & Finance Committee** for:

Detailed study and recommendations.

Zonal definitions, rotation schedules, and dispute resolution mechanisms.

Assessment of constitutional, operational, and legal implications.

The proposal aims to correct long-standing disparities in leadership and DERMACON allocation by introducing **zonal rotation**.

It needs careful constitutional amendment and thorough Constitution Committee & finance committee review for fair, practical implementation.

The proposal can be first discussed at EC/CC level for consensus.

Proposal Form for Central Council Meeting 2025

Title of Proposal :11	Co-delegate/ Accompanying person registration for a particular member must be restricted to maximum 3 persons (including children) in any IADVL conference
Name of proposer:	Dr. Sudip Das
LM Number:	LM/WB/3322
Email ID & Mobile Number:	sudipderma@gmail.com 9830244385

Secunder Name and LM Number:

1. Dr. Kingshuk Chatterjee, LM/WB/5280

6.

Constitution Committee Comment

What our IADVL Constitution 2024 says:

The **Constitution (Section H: Conferences)** and **SOPs** outline rules for conference organization, finances, and conduct, but **there is no specific clause limiting the number of co-delegates or accompanying persons per member.**

Conference-related provisions mainly focus on financials, venue selection, and scientific/administrative matters, leaving such operational aspects to the **Organizing Committees** and National EC.

Nature of Proposal:

This is a **policy matter**, not a constitutional one.

It falls under **conference management guidelines**, aimed at crowd control and safety.

Impact on IADVL:

Merits:

Addresses genuine logistical, safety, and crowd-management challenges, especially for large events like DERMACON.

Allows organizers to manage facilities like banquets, cultural programs, and other social gatherings more effectively.

Enhances delegate comfort and safety, ensuring smooth flow of conference activities.

Concerns:

Needs clear implementation guidelines, including exception handling (e.g., children below a certain age).

Could face resistance from members who are accustomed to attending with larger families.

Conclusion & Recommendation:

This proposal is practical and sensible from a **conference management** perspective.

It should be discussed and formalized as a **conference policy** under the supervision of the **Conference Reform Committee (CRC)** and EC.

No constitutional amendment is required.

The EC can approve it as a **standard conference regulation** after the Conference Reform Committee's review, ensuring fairness and clarity.

This proposal offers a reasonable solution for crowd control and conference safety by capping accompanying person registrations.

It is a policy issue and should be routed through the Conference Reform Committee for EC approval and implementation.

The proposal can be first discussed at EC/CRC then CC level for consensus.

Proposal Form for Central Council Meeting 2025

Title of Proposal :12	CME credit hours based on actual presence during scientific sessions of IADVL conferences
Name of proposer:	Dr. Suchibrata Das
LM Number:	LM/WB/3331
Email ID & Mobile Number:	suchibratadas@yahoo.com 9433203128

Seconder Name and LM Number:

1. Dr. Sudip Das, LM/WB/3322
2. Dr. Arun Achar, LM/WB/2806
3. Dr. Kingshuk Chatterjee, LM/WB/5280
4. Dr. Saswati Halder, LM/WB/2576
- 5.
- 6.

- **Is anyone one of the proposer members of CC? /Seconder members of the cc? If yes mention:**
Dr. Suchibrata Das, Dr. Kingshuk Chatterjee
- **Is it related to administrative/policy/constitutional (select one) OR we are not able to classify and accept EC's view.**
Policy
- **How will it help IADVL? Brief introduction.**
Collection of CME credit hours has been mandated by majority of the State Medical Councils for renewal of registration. At present there is no stringent check on the actual presence of the delegate inside hall during scientific sessions, based upon which the CME credit hours are awarded. The implementation of such a check will ensure that scientific halls don't remain empty, especially during early hours of the day, immediately after lunch and on the last day. Empty halls demotivate faculties, who have put their heart and soul into creating a scientific lecture. This will also reduce the overcrowding in pharma stalls.
- **If constitutional – will it replace the existing clause? Or modify? Give detail of the clause –page no. and clause no. NA**

- Do you think this needs referral to any specific committee? if yes then which committee?

IADVL Academy

- Please note that EC may decide to refer if it thinks it is necessary.

Constitution Committee Comment

What our IADVL Constitution 2024 says:

The Constitution and SOPs outline **conference organization, scientific content, and financial rules**, but they **do not specify mechanisms for awarding CME credits**.

CME credits are generally governed by **State Medical Councils**, but IADVL, as the organizer, can implement attendance-based monitoring to align with state guidelines.

The Constitution permits **conference SOP modifications** by the IADVL Academy and the EC.

Nature of Proposal:

This proposal pertains to **policy and conference SOPs**, not the Constitution.

It involves the implementation of **attendance tracking** for awarding CME credits.

Impact on IADVL:

Merits:

Promotes **active participation** in scientific sessions.

Ensures **fair awarding of CME credits** based on actual attendance.

Motivates faculty by improving audience presence during sessions, especially in low-attendance slots (early morning, post-lunch, last day).

Reduces unnecessary crowding in non-scientific areas (exhibitions, stalls).

Concerns:

Needs careful operational planning, such as:

Entry/exit tracking via QR codes, RFID, or manual methods.

Privacy and logistical considerations.

Coordination with State Medical Councils for credit validity.

There may be some special issue like: special population, differently able people, females with small child or lactating mother, or elderly. We need to think and concern all before we just reach a number game.

Conclusion & Recommendation:

The proposal is justified and timely, promoting scientific integrity and better conference engagement.

No constitutional amendment is needed; it can be adopted as a **conference policy** under the **IADVL Academy** and EC supervision, with special mention of special population like differently able people, females with small child or lactating mother, or elderly, etc. We need to think and concern all before we just reach a number game.

Must be referred to the **IADVL Academy** to draft operational guidelines and recommend based on all aspect as well as solutions for better IADVL.

The proposal can be first discussed at EC/IADVL Academy then CC level for consensus.

Proposal Form for Central Council Meeting 2025

Title of Proposal :13	Restriction of maximum two academic sessions for a particular faculty during IADVL conferences

- 6.

- Is anyone one of the proposer members of CC? /Seconder members of the cc? If yes mention:
Dr. Suchibrata Das
- Is it related to administrative/policy/constitutional (select one) OR we are not able to classify and accept EC's view.
Policy
- **How will it help IADVL?** Brief introduction.
Now IADVL has 18,000 odd life members leading to a significant increase in the pool of faculties during any conference. It has been seen that due to unknown reasons, few people enjoy being faculty in multiple sessions, thus denying many young and enthusiastic delegate the privilege of being faculty in a conference, that helps to build on their CV for career advancement. Therefore, this restriction (barring official association meetings) will ensure equal opportunity for young members to showcase their work, prevent presence of same speaker repeatedly and prevent nepotism
- **If constitutional – will it replace the existing clause? Or modify? Give detail of the clause –page no. and clause no. NA**

Constitution Committee Comment

What our IADVL Constitution 2024 says:

The Constitution and SOPs of IADVL do not explicitly regulate **faculty participation limits** in academic sessions at conferences.

Conference scientific programs are generally handled by **scientific committees** under the **IADVL Academy** and local Organizing Committees, with EC oversight.

No constitutional amendment is required for such operational policies; it can be included as a **conference or scientific program guideline**.

Nature of Proposal:

This is a **policy proposal** related to conference faculty allotment.

Impact on IADVL:

Merits:

Encourages **broad participation** by creating opportunities for more members, especially young and emerging dermatologists.

Helps **avoid repetitive faculty lineups** and addresses concerns about perceived favoritism or faculty monopolization.

Promotes academic diversity and inclusivity in scientific sessions.

Concerns:

Needs careful framing of exceptions (e.g., plenary speakers, award lectures, workshops).

Must ensure scientific quality is not compromised by limiting sessions for certain experts.

Flexibility may be required for niche topics with limited specialists.

Conclusion & Recommendation:

The proposal has strong merit in promoting fairness, diversity, and encouraging younger members.

It can be implemented as a **conference policy** via the IADVL Academy, with clear guidelines and defined exceptions (for keynote, plenary, invited award lectures, etc.).

No constitutional amendment is needed.

It should be routed to the **IADVL Academy** for policy drafting, followed by EC approval and incorporation into the **conference SOPs**.

Constitution Committee Comment

What our IADVL Constitution 2024 says:

Section H: Conferences and the **SOP on Dermacon Finances** (Pages 47–49 and SOP Section 8, P the financial rules for DERMACON.

There is **no mandatory clause for 50:50 profit sharing**; these ratios are typically determined by mutual agreement and formalized via MOU.

Nature of Proposal:

This is a **policy proposal** related to DERMACON financial management and does not require a constitutional amendment. However, it does affect the **conference SOP and financial policies**.

Impact on IADVL:

Merits:

Recognizes the **significant efforts and financial risks** taken by the organizing state branch.

Encourages more branches to bid for DERMACON by offering fairer incentives.

Potentially reduces regional monopolization of conferences.

Concerns:

National IADVL bears legal, tax, and regulatory responsibilities for conference finances, including I-T compliance.

Needs careful assessment of tax liabilities, GST implications, and legal responsibilities.

Uniform 50:50 sharing may not suit every conference; flexibility may be needed based on conference scale and financial performance.

Conclusion & Recommendation:

The proposal raises a **valid concern** about equitable profit-sharing between National IADVL and organizing states.

No constitutional amendment is needed, but it must be carefully evaluated by the **Central Finance Committee(CFC)** with:

Legal and tax compliance review.

Risk-sharing arrangements.

Flexibility for negotiations in exceptional cases.

Once reviewed, a revised **profit-sharing model** can be proposed for inclusion in the **conference SOP** and MOUs.

The proposal can be first discussed at EC/CRC/CFC/ CC level for consensus.

Constitution Committee Comment

What our IADVL Constitution 2024 says:

The Constitution and SOPs for conferences **do not contain explicit provisions regarding hotel room bookings.**

Presently, such logistics are handled by Organizing Committees or Event Management Companies (EMCs) at their discretion.

The Constitution permits **Organizing Committees** to manage conference logistics, under EC supervision.

Nature of Proposal:

This is a **policy proposal** concerning conference logistics and accommodation management.

Impact on IADVL:

Merits:

Direct hotel bookings by the Organizing Committee could:

Prevent **artificial price inflation** caused by third-party event managers.

Ensure **affordable accommodation** for members, especially self-paying delegates.

Promote **transparent, fair access** to reasonably priced rooms.

Supports equitable access to conferences for all members.

Concerns:

Operational complexity in negotiating and managing large-scale hotel bookings.

Organizing Committees may need specialized sub-committees or professional assistance to handle logistics efficiently.

Needs clear policy on room allotment criteria (seniority, early booking, etc.) to avoid disputes.

Conclusion & Recommendation:

The proposal is not practical but member-friendly, promoting affordability and fairness.

No constitutional amendment is required; it can be addressed through **conference policy reforms**.

Must be referred to the **Conference Reform Committee(CRC)** & finance committee for:

Feasibility assessment.

Guidelines for room booking, pricing, and allocation methods.

Financial conflict of interest.

Final policy can be framed under EC approval and added to the **conference SOP**.

The proposal can be first discussed at EC/CRC/CFC, then CC level for consensus.

Proposal Form for Central Council Meeting 2025

Title of Proposal :16	<i>Standardized Framework for IADVL State Council Tenure, Orientation, and Conference Practices</i>
Name of proposer:	Dr Rohit Bansal President, IADVL (Haryana)

1. Dr Rajiv Kaura LM/H/4734	
2. Prof Sunil Dogra LM/P/3954	
3. Dr Parmjit Singh Walia LM/P/4599	
4. Dr Vivek Malhotra LM/P/3243	
5. Dr JS Kochar LM/P/4597	
6.	
<ul style="list-style-type: none">Is anyone one of the proposer members of CC? /Seconder members of the cc? If yes mention: Dr Rohit Bansal, Dr Rajiv Kaura, Prof Sunil Dogra	

- Is it related to administrative/policy/constitutional (select one) OR we are not able to classify and accept EC's view.

Accept CC's view

- **How will it help IADVL?** Brief introduction.

The proposals aim to bring uniformity in terms of administration, management and organising of IADVL activities across all state branches, in tune and sync with the National IADVL. The idea is to have **"One IADVL, One Policy"** across the country.

- **If constitutional – will it replace the existing clause? Or modify? Give detail of the clause –page no. and clause no.**

As per EC's discretion

- **Do you think this needs referral to any specific committee? if yes then which committee?**

As per EC's discretion

- Please note that EC may decide to refer if it thinks it is necessary.

We shall abide by that.

6.

1. Uniform Tenure Alignment:

It is proposed that all State IADVL Councils follow a uniform tenure aligned with the National Council - preferably from CUTICON to CUTICON or April to April. This alignment will facilitate smoother coordination, standardized activity cycles, and better alignment in reporting, budgeting, and planning.

2. Orientation Meeting Post Elections:

Immediately following the elections, each State IADVL branch should conduct a mandatory orientation meeting—similar to a CC Meet—during the first week of the new term.

Participants: State Presidents and Secretaries.

Purpose: To outline the roadmap for the year's activities, set clear expectations, establish timelines for key events such as CUTICONs and MIDCUTICONs, and communicate financial protocols. This practice should be uniformly implemented across all state branches to ensure consistency and effective governance.

3. Accounts and Signatory Transfer Protocol:

Operational Challenge:

One of the key challenges faced at the operational level is the delay in transferring financial authority and updating signatories following the election of new office-bearers.

Proposal:

A strict protocol should be enforced to ensure the smooth transition of financial responsibilities. This should include a clearly defined timeline—**within 15 days** of the new term's commencement—for the transfer of:

- Bank account signatories
- Access to digital banking platforms
- Custody of financial records and documents
- Handover of budgets, audit reports, and pending liabilities

Implementing this uniform protocol across all state branches will help maintain financial continuity, transparency, and accountability.

4. **Conference Organization and Budget Management:**

Clear SOPs to be drafted for organizing CUTICONS and MIDCUTICONS:

Transparent use of funds from sponsors

Avoid mere collection of funds without proper utilization and accountability

Clear budgeting with pre-defined expenditure heads

5.

Proposal: Standard Operating Procedures (SOPs) for Organizing CUTICONS and MIDCUTICONS

To ensure transparency, accountability, and consistency in the organization of CUTICONS and MIDCUTICONS across all state branches, the following SOPs should be established:

Financial Guidelines for CUTICONS and MIDCUTICONS

1. **Sponsor funds must be transparently documented and used.**
2. **Funds should be collected only with a clear spending plan.**
3. **Prepare a detailed budget with defined expense categories.**
4. **Submit post-event financial reports to State Council and National IADVL.**

6.

Proposal: Extension of Office-Bearers' Tenure to Two Years

To enhance project continuity, ensure stronger implementation, and promote greater accountability, it is proposed that the tenure of key office-bearers—**President, Secretary, and Treasurer**—be extended to **two years**.

Benefits of a Longer Tenure:

- Supports better planning and execution
- Ensures continuity for key initiatives
- Improves team coordination
- Enhances long-term governance consistency

This change aims to strengthen leadership effectiveness and maximize the impact of IADVL activities at the state level

Constitution Committee comment

What our IADVL Constitution 2024 says:

The Constitution grants **state branches autonomy** to manage their internal governance, provided it doesn't conflict with the National Constitution (Section C, Page 23-24).

No uniform rule currently exists mandating synchronized tenures, orientation meetings, or standardized conference protocols across all state branches.

Nature of Proposal:

This is primarily an **administrative and policy proposal**.

Impact on IADVL, **Concerns & Recommendation:**

Extending office-bearers' tenure to two years or more may enhance continuity and leadership stability.

Some smaller or less active branches may find implementation challenging without capacity-building support.

State policy is governed by State EC/ CC/ AGBM and state constitution. If any change need to be done then we need to follow state constitution and must be driven by State AGBM mandate. We can only suggest here to amendment/s.

No constitutional amendment is immediately necessary.

This proposal is not needed at IADVL Constitution Committee as it's a state constitution matter of autonomy.

The proposal can be first discussed at EC/CC level for consensus.

How will it help IADVL? Brief introduction

Proposal for Centralized Financial Oversight of DERMACON under IADVL Headquarters

Background & Rationale:

Over the years, DERMACON has evolved into one of the most prestigious and financially significant scientific gatherings in Indian dermatology. While the organizing committees have traditionally functioned independently and often diligently, there have been multiple instances where concerns regarding financial irregularities, lack of transparency, and even rumours of corruption and mismanagement have surfaced.

To safeguard the integrity of IADVL, maintain the public trust in its functioning, and uphold the highest standards of transparency and ethics, it is proposed that all future editions of DERMACON (National) must be conducted under direct financial oversight of the IADVL Headquarters.

Instances of Financial Misconduct or Suspicion:

Several episodes in the past underscore the urgent need for centralized financial control:

DERMACON 2013 – Ahmedabad: Serious concerns were raised regarding incomplete financial disclosures, mismatch in delegate collections versus reported expenses, and unexplained expenditure entries. Despite repeated requests, the final audited statement was delayed, with questions left unanswered.

DERMACON 2017 – Jaipur: Allegations of diversion of sponsorship funds to personal or parallel accounts and unapproved last-minute budget overruns created significant tension within the IADVL fraternity. This led to widespread discontent and damaged the credibility of the organizing branch.

DERMACON 2020 – Hyderabad: Rumors of high-level mismanagement, coupled with opaque vendor agreements and delayed financial reporting, gave rise to intense speculation about fund misappropriation. Although some explanations were later provided, the lack of proactive transparency further fuelled the perception of wrongdoing.

These incidents, though varying in severity and outcome, have collectively highlighted systemic loopholes in financial governance. Without a formal, centralized mechanism in place, such issues are bound to recur, eroding institutional trust.

Proposal Summary:

1. Centralized Financial Management:

Any state branch or body that bids for, wins, or is allotted the DERMACON National Conference must conduct the entire conference under the financial supervision and using the central IADVL Headquarters bank account.

2. Designated Conference Bank Account:

A dedicated conference account shall be opened under IADVL's National PAN and registration, with a clear event label (e.g., IADVL DERMACON 2026 Account).

The account shall be under joint supervision of the IADVL National President, National Secretary, and National Treasurer.

The Organising President, Secretary, and Treasurer of the host branch may be added as temporary authorized signatories for the duration of the conference and up to 6 months post-conference.

3. Operational Flexibility:

In today's digital banking era, this account can be seamlessly operated online from any part of the country. Authorizations, approvals, and oversight can be digitally administered through secure banking protocols and dual authentication.

4. Financial Reporting & Audits:

Quarterly financial reports must be submitted to the IADVL National Executive Committee (NEC).

A final audited statement of accounts must be submitted within 60 days of the conclusion of the event.

The audit must be conducted by a nationally registered Chartered Accountant and cross-verified by the IADVL's designated audit committee.

5. Budgeting & Expense Approval:

A provisional budget must be submitted to the IADVL Finance Committee within 3 months of being awarded the conference.

Major expenditures (above ₹5 lakhs) shall require prior written approval from the National IADVL Office Bearers.

6. Transparency Measures:

All sponsorships, exhibitor contracts, and delegate fee structures must be declared to the National Office.

No off-the-books or parallel accounts shall be permitted under any circumstances.

Benefits:

Ensures financial integrity and legal compliance

Prevents misuse or misappropriation of funds

Upholds IADVL's national and international reputation

Builds public and professional trust

Acts as a deterrent to malpractice, irregularities, and rumor-mongering

Conclusion:

With DERMACON being the flagship event of IADVL, a standardized, transparent, and centrally monitored financial structure is not just desirable but absolutely essential. Implementing this protocol will strengthen institutional governance, bring uniformity in operations across different host cities, and ensure that DERMACON continues to reflect the ethics, accountability, and excellence that IADVL stands for.

Constitution Committee comment

What our IADVL Constitution 2024 says:

Section H: Conferences (Page 42, Clause g-6) currently governs DERMACON financial protocols, where most financial management rests with the local Organizing Committee, with certain oversight from the National EC and Finance Committee.

Presently, while there is financial reporting, the **full centralized control under National Headquarters does not exist.**

This proposal seeks to **modify existing constitutional clauses** by mandating centralized financial management for DERMACON through the National Headquarters.

Nature of Proposal:

This is a **constitutional amendment proposal** that would fundamentally shift financial responsibility for DERMACON from state branches to the National Headquarters.

Impact on IADVL:

Merits:

Establishes **uniform financial control** and reduces risks of fund misappropriation or irregularities.

Enhances **accountability, transparency, and governance**.

Ensures timely audits, structured reporting, and adherence to legal and tax regulations.

Builds **public and professional trust** in IADVL's financial operations.

Concerns:

Operational complexity may increase for the National Headquarters, requiring robust financial systems and staff support.

Host branches may feel reduced flexibility in managing local vendors and logistics.

Requires proper digital banking arrangements and delegation of authority to avoid delays.

This proposal need to be discussed first at CRC, then at CFC, then at Constitution committee then at CC Meet

Conclusion & Recommendation:

The proposal addresses critical concerns of transparency and financial integrity.

As it **modifies constitutional provisions (Section H, Page 42)**, it requires referral to the **Constitution Committee** for:

Drafting detailed constitutional amendments.

Addressing operational feasibility, tax implications, and digital banking protocols.

Structuring roles for both National and State branches during the transition period.

This concern must be opined with Central Finance Committee & Conference Reform Committee.

Once vetted, the amendment can be placed for Central Council for discussion.

Proposal for Formulation of Guidelines to Regulate Entry into IADVL Webinars and Online Events
Submitted by: Anti-Quackery, Legal & Ethics Committee, IADVL

Subject:

Formulation of Standard Operating Guidelines to Restrict Access to Dermatology Webinars and Online Events Exclusively to Qualified Dermatologists

Dr. Rajeev sharma
President, IADVL

Dr . Bhumesh Kumar Katakam
Hon Secretary General, IADVL

Background:

In recent years, the increasing frequency of webinars and online educational events organized under the Dermatology speciality has led to inadvertent and at times deliberate participation of non-dermatologists, unqualified persons, and even individuals misusing fake IADVL LM numbers. This not only compromises the academic sanctity of our association but also opens the door to misuse of scientific knowledge by unauthorized individuals for commercial or quackery-linked practices.

Proposal:

We propose that IADVL urgently formulates uniform guidelines applicable to all webinars and online academic activities — whether conducted at the national, state, zonal, or local level — to ensure that access is strictly limited to verified dermatologists.

Suggested Verification Protocols:

For IADVL Life Members:

Mandatory validation of credentials via a standard IADVL verification checklist, maintained centrally.

A one-time authentication fee of ₹50,000 to be paid by organizers to enable access to the credential verification mechanism for that event. This amount will support central processing and cross-verification efforts.

For Non-IADVL Members but Qualified Dermatologists (e.g., abroad or new applicants):

Submission of a notarised copy of their MD/DNB Dermatology or DVD degree, along with their Medical Council secondary registration indicating the specialty.

For pg students to be accompanied by a verified letter from their respective teaching institution or a State Medical Council attestation.

For Recently Joined or Not Yet Digitally Verified IADVL Members:

A notarised IADVL membership certificate along with a self-declaration under professional ethics and a copy of their PG degree.

Rationale:

Dr. Rajeev sharma
President, IADVL

Dr . Bhumesh Kumar Katakam
Hon Secretary General, IADVL

1. Companies with limited budgets often skip credential checks, leading to unchecked access.
2. IADVL LM numbers are being faked or shared, compromising the integrity of our academic discussions.
3. Misuse of dermatology-specific knowledge by non-qualified persons leads to unethical practice, dilution of our science, and fuels quackery — an issue we are already battling legally and socially.

Additional Suggestions:

All event registration portals must have mandatory document upload sections as per the above verification criteria.

A national credential-verification taskforce can be constituted within IADVL to support organizers.

Repeat defaulters or events that allow entry to non-dermatologists without verification should face disciplinary action including withdrawal of IADVL backing or listing.

Conclusion:

This proposal is aimed at safeguarding the sanctity of IADVL's educational efforts and ensuring our knowledge-sharing ecosystem remains secure, ethical, and exclusive to genuine dermatologists. We request urgent consideration and adoption of these guidelines.

So if some company doesn't want the pay iadvl 50000 still the pg degree and secondary registration notarised is mandatory or iadvl lm certificate notarised

Submitted by:

Dr. Amarendra Pandey

On behalf of the IADVL Anti-Quackery, Legal & Ethics Committee

REPORT OF ACTIVITIES OF IADVL STATE BRANCHES

BIHAR

(1st April to 15th July 2025)

1. Membership detail:

Strength of branch : LM:- 192, PLM:- 95, ALM:- 02, Total:- 289

2. Academic Activities:

11 May 2025 :- Bihar IADVL organised a workshop on laser and vitiligo surgery around 35 delegates were participated.

24 May 2025 :- A CME organised at darbhanga speaker was Dr. Rajnish kumar

29 June 2025:- With Hereditary angioedema society of INDIA a scientific update on urticaria and angioedema organised by Bihar IADVL at Patna. Around 85 delegates participated.

11 July 2025:- With NMCH Patna IADVL Bihar organised a CME on "What's New in Acne" The guest faculty was Dr. Anil Ganiu, Moderator was Dr. Shivani Shekhar, Panelist were Dr. Ramawatar Singh, Dr. RRK Rahul, Dr. Pooja Nupur, Dr. U.K. Pallavi. Around 63 delegates were participated.

12 July 2025 :- A Symposia was organised on Revolutionizing Atopic Dermatitis. The speaker were Dr. Rajeev Sharma (President National IADVL), Dr. Vinay Singh (President elect national IADVL), Dr. Kavitha S.B. (treasurer national IADVL). Also panel discussion organised Moderator Dr. Bhumesh katakam (HSG national IADVL), Panelists were Dr. Manoj Ram, Dr. Ravi Vikram Singh, Dr. Rajeev Thakur, Dr. Swetalina pradhan around 93 delegates participated.

3. Social Activities:

12 May 2025:- Mission prison camp was organised by Dr. Rajnish kumar at Darbhanga. 42 patients were benefited.

02 June 2025:- Mission prison camp was organised by Dr. Rajnish kumar at Darbhanga. 38 patients were benefited.

25 June 2025:- On the Occasion of World Vitiligo Day • June 25, 2025 Following Activities done by IADVL Bihar

Participants:

- | | |
|-----------------------------------|--------------------------------------|
| * Government & Medical Colleges, | * NMCH, Patna |
| * AIIMS, Patna | * IGIMS, Patna |
| * ANNMCH, Gaya | * JLN Medical College, Bhagalpur |

| * MGM Medical College, Kishanganj | * Katihar Medical College & Hospital |
| * NMCH, Sasaram | |

Private Clinics:

Dr Rajnish Clinic, Darbhanga
Dr Alok Clinic, Bihar Sharif
Outreach Event

Prabhat Pheri (morning awareness march) led by the IADVL Patna team

Key Activities:

Awareness talks & patient counseling in OPDs

Poster exhibitions and pamphlet distribution

Community outreach, including the morning march (Prabhat Pheri) in Patna

Campaign messages aligned with the global theme, emphasizing AI-driven innovation in vitiligo care.

Raise awareness, reduce stigma, and highlight advancements in vitiligo diagnosis and management—echoing the global message of leveraging “Innovation for Every Skin, Powered by AI.”

12 July- 13 July :- On the occasion of World Skin Health day and GWR, Bihar IADVL conducted Total 104 Health Camps.

- * Total 9 skin camps were arranged at R.K. Mission/Red Cross Society by Dr. Vikas Shankar.
- * Total 3 skin camps were arranged at Madhepur village by Dr. Abhishek Jha

4. Any other Activities:-

4 May 2025:- A Mega Health camp was organised in Madhepur Village around 600 patients are benefited. Around 300 Vitiligo Surgery also done at same Mega camp

CHHATTISGARH

(1st April to 15th July 2025)

Chapter Activities:

1) Bilaspur society of Dermatology

● CME on Urticarial management and intense moisturizer in patients(13th June 2025)

On 13th June 2025 Bilaspur society of dermatology organized a CME on Urticarial management and intense moisturizer in patients. The speaker for the event was Dr. Aditi Bansal Dubey and chairperson was Dr.Santosh Agrawal. The CME was organized by President of Bilaspur society of Dermatology Dr. Shantanu Mishra and secretary Dr. Ajay Agarwal. Discussion on Urticarial management took place at the CME. Dr. Ajay Pandey , Dr. Daniel Henry, Dr. Manjeet Gupta and Dr . Dennis Henry are the notable names who attended the CME.

● CME on world vitiligo day (25th June 2025)

On 25th June 2025 (world Vitiligo day) IADVL CHHATTISGARH in association with Bilaspur society of Dermatology conducted a CME on Vitiligo where Dr. Pankaj Kaushik was the speaker and Dr . JP Swain was the chairperson. The notable attendee the cme was Dr. Santosh Agrawal, Dr. Ajay Pandey, Dr. Shantanu Mishra, Dr. Ajay Agrawal, Dr.Daniel Henry and Dennis Henry.

● CME on Intense moisturizer and sun protection for normal and sensitive baby skin (4th July 2025)

On 4th July 2025 ,Bilaspur society of Dermatology conducted a CME on Intense moisturizer and sun protection for normal and sensitive baby skin where Dr. Daniel Henry was the speaker and Dr. Aditi Bansal Dubey was the chairperson. The notable attendee the cme was Dr Alok Sultania, Dr. JP Swain, Dr. Santosh Agrawal, Dr. Ajay Pandey, Dr. Shantanu Mishra, and Dennis Henry.

2) Raipur Dermatology society

● CME on Advancements in Sunscreen Formulations (27th May 2025)

On 27th May 2025, Raipur Dermatology Society conducted a CME on Advancements in Sunscreen Formulations. Capital hosts skin health camps in world record bid

Ridhima Gupta
hereporter@hindustantimes.com

NEW DELHI: The Indian Association of Dermatologists, Venereologists and Leprologists (IADVL) organised skin health awareness camps at multiple locations across the country, including 28 camps in Delhi, on Sunday as part of an International Book of Records attempt for the largest number of free Skin Health Camps and Public Awareness Programmes conducted on a single day.

The camps were part of IADVL's campaign themed "No Health Without Skin Health," which aimed to raise awareness about the importance of skin health in achieving overall physical, mental, and social well-being, according to the president of the association, Dr Deepika Pandhi.

At the Sarvodaya Kanya Vidyalaya in Pushp Vihar, where one of the Delhi camps was held, children accompanied by their guardians began arriving as early as 10am to seek free consultations and advice.

Manish Kumar, 36, who brought his daughter to the camp, said, "My 14-year-old daughter has been struggling with acne issues for a while that often affect her confidence. I had tried over-the-counter skin creams. Today at the camp, after the consultation, I found out how her diet could also have a huge role, and now we are going to work on that."

Another parent, Sona Mukherjee, 38, said, "My daughter informed me that their school was going to have a skin health camp, and I thought maybe I should come to get myself checked, and I'm glad I did. I was having skin rashes for a long time but was just avoiding going to a doctor. Now, from the camp, I've been asked to get a few tests done and have been prescribed some medication."

Speaking at the Pushp Vihar camp, Dr Pandhi said that a lot of their patients were young people. "The aim was to educate them that topical steroid creams are prescription medicines not cosmetic or fairness products and their misuse can cause serious side effects. These include skin thinning, stretch marks, acne, pigment changes, delayed wound healing, and worsening of fungal infections like ringworm, which has reached epidemic proportions largely due to steroid misuse."

She also stressed that the foundation of healthy skin lies in balanced nutrition, regular exercise, and proper skincare.

आरोग्यदायी त्वचेसाठी

आम्ही सगळे त्वचेचे सौंदर्य वाढावे आणि ती उतून दिसावी म्हणून खूप प्रयत्न करीत असतो. कित्येक 'इन्फ्लुएन्सर' आणि 'सेलिब्रिटी' आपल्या डे रुटिन आणि नाईट रुटिन-च्या जाहिराती करून लाखो रुपये कमावतात. ह्या सगळ्या गोष्टींमध्ये आम्ही हे विसरतो की त्वचा ही आपल्या अंगाचा एक भागच आहे आणि ती सुंदर असण्या ऐवजी ती सुदृढ असावी यावर लक्ष दिले पाहिजे.

हेल्दी स्किन म्हणजे काय?

त्वचा जी सर्व रोगांपासून मुक्त असेल, ज्यात पाण्याचे प्रमाण व्यवस्थितरीत्या असेल, अशी त्वचा जी आपल्याला बाहेरच्या धूळ माती आणि इतर बाहेरील घटकांपासून वाचवणारी असेल. तर या वर्ल्ड हेल्थ डे दिवसाच्या निमित्ताने आपण आपल्या त्वचेची काळजी एक अंगाचा अवयव असे जाणून घ्यावी .

आरोग्यवान त्वचेसाठी आम्ही काय करावे?

- त्यासाठी आरोग्यवान जीवनशैली आत्मसात करावी.
- त्वचेवर नवनवीन स्किन केअरचा प्रयोग न करता त्वचारोगतज्ज्ञाकडून सल्ला घ्यावा

- डॉ. दीक्षा फडके,
त्वचारोग तज्ज्ञ

GUJARAT

JHARKHAND

(1st April to 15th July 2025)

“CHALO OLD AGE HOME” – A HEART WARMING INITIATIVE BY IADVL JHARKHAND.

We feel truly blessed to have spent a meaningful day with the residents of the Old Age Home at Baradwari, Jamshedpur. Under the banner of IADVL’s “Chalo OLD AGE HOME” initiative, all IADVL-certified dermatologists of Jamshedpur came together to offer care and compassion.

More than 30 elderly residents were personally consulted by our team of dermatologists. We also distributed fruits and shared valuable guidance on maintaining skin, hair, and nail health in old age.

I (Dr. Rajukumar) State Secretary of IADVL Jharkhand, extend my heartfelt thanks to Dr. A.N. Jha, Dr. Rajiv Thakur, Dr. Pallawi, Dr. Deep Anurag, and Dr. Banashree Mazumdar.

22ND JUNE 2025, WORLD VITILIGO AWARENESS

A Program was organized by IADVL Jamshedpur, Jharkhand Branch at IMA Bhawan, Sakchi, Jamshedpur. The program witnessed the presence of several eminent dermatologists from the city, along with other distinguished doctors associated with IADVL. In total, around 50 doctors participated in the event.

During the seminar, four key speakers presented on various aspects of vitiligo:

- Dr. Deep Anurag gave a detailed presentation on “What is Vitiligo, its causes, and how it is diagnosed.”
- Dr. Nikita Gupta addressed common myths and misconceptions related to vitiligo.
- Dr. Raju Kumar discussed modern treatment options for vitiligo including phototherapy and excimer laser, in addition to medications.
- Dr. Rajiv Thakur explained that in certain special cases, surgical treatment can also be an effective option for vitiligo.

WORLD SKIN HEALTH DAY –13TH JULY -JHARKHAND

On the occasion of world skin health day, I feel extremely proud to share that we successfully conducted over 20 free skin health camps in a single day across Jharkhand - a milestone that, to the best of my knowledge, has happened for the first time ever in our state!

This achievement was only possible due to the dedication and commitment of each and every doctor who took out their precious time on a Sunday, despite their busy schedules. Your contribution is truly commendable.

My heartfelt thanks to our dynamic state coordinators - Dr. Raj Kishore, Dr. Prabhat sir, and Dr. Rajiv Thakur - whose constant motivation played a key role in bringing all participants together.

Highlights of the programme:

- The session on Bed side investigations: “Dermoscopy: basics to bedside”, by Dr Naveen M, Senior Resident.
- Procedural dermatology talk on “The Hands-On Dermatologist: Unlocking the potential of procedures in Dermatology practice” was delivered by Dr Madura C, Chief Hair Transplant & Dermatologist, CUTIS Academy, Bengaluru. The tips and tricks of various keloid surgeries were very well explained.
- The most interesting part of the CME was the Debate “Artificial Intelligence in Dermatology”
For: Dr Kattalcheke Deepa, Junior Resident.
Against: Dr Lalitha K Horti, Junior Resident.

2) Social activities:

- a) On 2nd March 2025, BDS in association with IADVL-KN organized a mega event “SKINATHON-RUN FOR SKIN HEALTH”, A 10K, 5K & 3K marathon at Atal Bihari Vajpayee Stadium, HSR layout, Bangalore. The theme of the event was to create awareness of quackery among the public, steroid abuse and self-medication. The event also focused on delivering basic knowledge of skin care and about common skin disorders to the public. There was active participation of around 6000 people including doctors in this event.
- b) On 9th March 2025, Bangalore Dermatological Society conducted a free skin health camp in Sanrakshan rainbow home - an orphanage for girls with a capacity of 60 children. The health camp had a significant impact and was well received by the children. The health camp also helped the children understand the importance

of personal hygiene and created awareness regarding skin conditions. The camp was conducted by Dr. Heera Ramesh & Dr. Sachin S, both EC members of BDS.

April 2025

1) Academic activities:

- b) On 27th April, BDS CME was organized at the Bangalore City Institute. The scientific session was conducted by the Department of Dermatology, MVJ Medical College & Research Hospital headed by Dr. Aneesh S, Professor & HOD.

- A Panel Discussion on “Recalcitrant Dermatophytosis” was moderated by Dr. Manoj Rajagopal, Assistant Professor.

The panelists were: Dr. A Geeta Kiran Professor, Dr. Aneesh S, Professor and HOD.

Dr. (Maj.) Sandhaya Associate Professor.

The discussion was informative. The panelists gave their expert opinion on the recent practical problems in treating recalcitrant dermatophytosis. There was active participation from the delegates.

- The most interesting part of the CME was the Debate on “Teleconsultation in Dermatology”

For: Dr. Deborah Ann Mammen, Junior Resident.

Against: Dr. Mohana Priya, Junior Resident.

2) Social activities:

- a) Dr. Shishira R Jartarkar, Hon’ Treasurer, BDS conducted a Skin camp at Samarthanam Trust for the disabled, HSR Layout on the 1st April 2025. Free consultations were provided to the 104 residents. Bangalore Dermatological Society procured the necessary school items for the institute, which was distributed by Dr. Shishira & her family to each resident. Skin products like moisturizer & treatment specific drugs were also distributed to the residents.

May 2025:

1) Academic activities:

On 11th May 2025 the Skin Allergy Research Society (SAS) in association with the Bangalore Dermatological Society (BDS) conducted a focused CME dedicated to skin allergy education and clinical excellence. The Scientific programme was conducted at The Bangalore City Institute.

- A Panel discussion on Management of Atopic Dermatitis was moderated by Dr D S Krupashankar. The panel discussion was actively participated by delegates.

The masterclass offered valuable perspectives, practical tips and opportunities for meaningful engagement with peers and pioneers in the field.

June 2025:

1) Academic activities:

- a) On June 1st, 2025, Pediatric Dermatology Foundation in collaboration with Indira Gandhi Institute of Child health and Bangalore Dermatological Society organized a CME on “Pediatric Dermatology on Discerning Clinician” at SDS Tuberculosis Research Center and Rajiv Gandhi Institute of Chest Disease Bengaluru. The CME focused on case discussions with eminent speakers in the field of pediatric dermatology.

b) On 22nd June 2025, BDS CME was conducted at Karnataka Badminton Association, Jasma Bhavan Road, Millers Tank Bund Rd, Vasanth Nagar. The scientific session conducted by Department of Dermatology, Vydehi Institute of Medical Sciences and Research Centre (VIMS&RC) headed by Dr Shishira R Jartarkar, Associate Professor & HOD.

- A Panel Discussion on on “Hirsutism: From diagnosis to treatment” was moderated by Dr Akash M, Assistant Professor.
- The most interesting part of the CME was the Debate on “Rituximab as first line therapy in all patients with pemphigus vulgaris”

For: Dr Varun C Katti, Junior Resident.

Against: Dr Chandana H, Junior Resident.

panel discussion- moderate by Dr Akash M -
“Hirsutism : from diagnosis to treatment “

2) **Social activities** : To commemorate World Vitiligo Day on 26th June 2025, various medical colleges conducted awareness programmes and competitions at their institutions.

a) **PES University Institute of Medical Sciences and Research.**

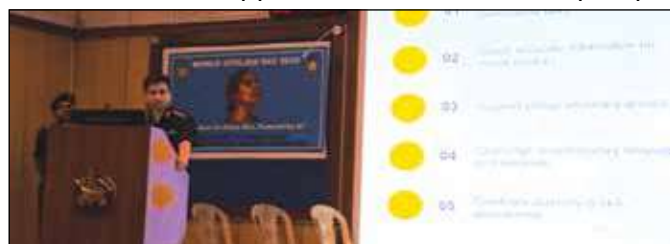

World vitiligo was observed on 26th June 2025, in the Department of Dermatology, PESUIMSR, Electronic city, Bengaluru. An awareness talk was given to the patients and general public followed by active interactive sessions. Free phototherapy was provided to the needy patients for the entire week.

b) **Command Hospital Airforce**

On World Vitiligo Day, the Department of Dermatology, Command Hospital Airforce, Bangalore organized an impactful awareness program aimed at dispelling myths, reducing stigma, and educating the community on vitiligo. There was active participation from military personnel, their families, and school-going children.

A short skit was performed by nursing cadets, portraying the common misconceptions about vitiligo, its real-life challenges, and the journey of acceptance and treatment. The event concluded with an interactive Q&A session, where attendees asked insightful questions, reflecting increased awareness and reduced apprehension. Educational pamphlets in regional languages were also distributed.

c) St John's Medical College Hospital

World Vitiligo Day was observed by Department of Dermatology, St John's Medical College Hospital. Activities included Public Education in the form of an "easy to understand" presentation in the Electronic Display system of the Hospital, Patient counseling and treatment.

d) Adichunchanagiri Institute of Medical Sciences

World Vitiligo day was observed at Department of Dermatology, Adichunchanagiri Institute of Medical Sciences, BG Nagar, Nagamangala. Quiz competition and Poster making competition were held for MBBS students and cash prize was awarded to top the top 3 teams from each competition. Vitiligo awareness campaign was held in OPD and free medications were distributed to vitiligo patients

e) BGS Global Institute of Medical Sciences

"WORLD VITILIGO DAY" was celebrated on June 25th 2025. The invited guest speaker Dr. Harish Prasad B R, Consultant Dermatologist, Dermatosurgeon & Hair Transplant Surgeon, Bengaluru delivered a speech on Vitiligo Surgeries under the theme "Innovation for Every Skin, Powered by AI".

f) Akash Institute of Medical Sciences

World Vitiligo Day was observed in the Department of Dermatology at Akash Institute of Medical Sciences. A poster-making competition was held for MBBS students, encouraging them to creatively depict the medical, psychological, and social aspects of vitiligo. In addition, the postgraduate students organized a skit performance in the hospital lounge, targeting the public. The skit aimed to raise awareness about vitiligo, emphasizing the importance of early diagnosis and treatment, dispelling common myths, and promoting social acceptance of individuals living with the condition.

g) ESIC Medical College, PGIMSR & Model Hospital

World Vitiligo Day is observed globally to raise awareness about vitiligo, promote acceptance of those affected, and dispel the myths and stigma surrounding the condition. ESIC MC PGIMSR & MH commemorated the day with a series of awareness activities aimed at both students and the general public. To spread awareness in an engaging and impactful way, the 3rd term MBBS students performed a street play focusing on: Basic understanding of vitiligo. Social stigma and myths surrounding the condition the importance of support and empathy. The play was well-received by the public and effectively communicated the intended message. The program received widespread digital media coverage and was widely publicized, enhancing its reach and impact.

h) Ramaiah medical College

World Vitiligo Day June 2025 was celebrated in the Department of Dermatology, Ramaiah medical College on 27th June. The event in the gracious presence of dignitaries like the Principal and the Registrar was attended by Nursing and MBBS students. A myriad of activities with the theme "Innovation of every skin: powered by AI" were held on the campus to create awareness on Vitiligo.

A brainstorming quiz competition was organised for the undergraduate students of Ramaiah Medical College. There was active participation from the students.

A painting competition was conducted for the Nursing and MBBS students to create awareness regarding Vitiligo in the future caretakers. The response was heartening, and prizes were distributed for the best entries.

A survey regarding awareness on vitiligo was conducted by the Department of Dermatology where in there were more than 300 respondents over a period of 6 days visiting skin OPD. The questionnaires (both in Kannada and English) were directed to assess the knowledge, attitude and behavior towards vitiligo affected individuals.

The event concluded with a debate between the first-year postgraduate students who were organised into a team of two. Students put forth heated arguments for and against the use of AI in understanding and treatment of Vitiligo. The debate gave a clear and impactful message that AI when used judiciously plays a significant role in awareness but consultation with the expert is essential for treatment.

July 2025:

1) Academic activities:

- On 6th July 2025(IADVL) EC and IADVL ACADEMY in association with IADVL Karnataka, BDS The Oxford Medical College Hospital & Research Centre, Bangalore presented SIG Summit with SIG Acne & Appendageal Disorders and SIG Lasers. There was CME cum workshop on Acne and LASERS.
- On 20th July 2025 BDS CME is FOUNDER'S DAY & PRACTITIONER'S FORUM hosted by BDS at Hotel Radisson Blu, Atria, Bengaluru.

CONFERENCES AND CME ACTIVITIES:

1. SARCD 2025 - May 2nd to 4th, 2025

The 13 th South Asian Regional Conference of Dermatology (SARCD XIII 2025) was held from May 2 nd to 4 th 2025 at Dr TMA Pai International Convention Centre in Mangalore, India. It was organized by the Indian Association of Dermatologists, Venereologists and Leprologists (IADVL) National, in collaboration with IADVL Karnataka and IADVL Karavali. The conference served as a pivotal platform for dermatologists across South Asia to exchange knowledge and discuss advancements in the field of dermatology. Inaugural ceremony was conducted on 2 nd May 2025 at 6:30PM. Dr Ganesh S Pai presented the welcome address and the conference was inaugurated by Dr. Rajeev Sharma, President IADVL who graced the event as the chief guest. Other dignitaries included Dr. Bhumesh Kumar Khatakam, Hon. Secretary, IADVL, Dr. Lucinda Claire Fuller, Chairperson, International Foundation for Dermatology and Dr. Hassan Galadari, President, Asian Society of Dermatology. Dr. Janaka Akarawita, President, South Asian Regional Association of Dermatology (SARAD) presided over the inaugural ceremony. The activity report of SARAD was presented by Dr Indira Kahawita, Hon. Secretary, SARAD. This was followed by brief scientific messages by members of SARAD countries. Dr Hari Narayan Gupta, Dr Suresh Joshipura, Dr Ganga Sirimanna, Dr Anil Kumar Jha and Dr Sudha Agrawal, senior Ex co members of SARAD were felicitated by the association to honour their dedicated services towards SARAD. The ceremony also featured the official book launch, which was conducted by Dr. Lucinda Claire Fuller and Dr. Hassan Galadari. In his new book, One Hundred Thousand Hours on the Hamster Wheel of Practice, Dr. Ganesh S. Pai, a seasoned dermatologist, explores the complex dynamics of medical practice. Dr Bhumesh Kumar Katakam, conveyed an important message on Skin health and was joined by the dignitaries on the dais. The ceremony concluded with vote of thanks was presented by Dr Jyothi Jayaraman, Organising Secretary, SARCD 2025.

SARCD XIII 2025 with a net participation of 1120 participants (914 delegates and 206 co-delegates) successfully achieved its objective of fostering scientific exchange and collaboration among dermatologists in the South Asian region. The conference not only highlighted clinical dermatology, dermatopathology, pediatric dermatology, aesthetic procedural dermatology and advancements in dermatology but also emphasized the importance of addressing neglected tropical diseases affecting the region.

Key note address sessions presented by five eminent dermatologists, Dr Lucinda Claire Fuller, Dr Rajeev Sharma, Dr Somesh Gupta, Dr Janaka Akarawita, Dr Anil Kumar Jha focussed on pertinent topics in clinical dermatology and practice management. The conference also featured a novel session of Young Dermatologists Forum providing a platform for young practitioners to connect and discuss on the emerging science of Artificial Intelligence in Dermatology.

There were scientific paper presentations comprising of 68 award paper presentations, 15 dissertation award presentations by post graduate residents, 228 free paper presentations and 283 poster presentations by post graduate residents and practising dermatologists. The conference also hosted international quizzes for postgraduate students and delegates, fostering interactive learning in which 67 quiz teams participated from India and SAARC countries. The Karnataka Medical Council accredited the conference with 6 Continuing Medical Education (CME) credit points, underscoring its educational significance.

The conference was complemented by cultural programmes and social events during faculty networking dinner, welcome dinner and a banquet replete with participation of delegates in SARCD DERMATALENT which enabled the attendees with opportunities to network and experience the rich cultural heritage of Mangalore.

SARCD XIII 2025 was meticulously organized by a team led by the Chairman: Dr. Ganesh S Pai, Co-Chairman: Dr. Sukumar D, Coordinator: Dr. Ramesh Bhat, Scientific Committee Chair: Dr. Jacintha Martis, Scientific Committee Co-Chairs: Dr. Gatha M Upadya and Dr. Smitha Prabhu S, Organizing Secretary: Dr. Jyothi Jayaraman and Treasurer: Dr. Rochelle Monteiro.

2. CME on Allergy and Immunology was held on June 15th 2025:

CME on Allergy and Immunology was held on June 15th 2025 at A.V. Rao Conference Hall, IMA House, Attavar Road, Mangalore. It was jointly hosted by department of Dermatology, Venereology and Leprosy of Yenepoya Medical College, Yenepoya (Deemed to be University) in association with Indian Medical Association,

Mangaluru branch and Karavali Dermatology Society (IADVL Karavali). A total of 76 participants attended the programme.

IADVL ACTIVITIES

1. World Skin Health Day. 8th July 2025

The Department of Dermatology at Father Muller Medical College, in collaboration with the International League of Dermatological Societies, organized an awareness talk on steroid abuse in dermatophytosis titled "Unveiling the Consequences: Enhancing Patient and Pharmacist Knowledge on the Impacts of Over-the-Counter Steroid-Combined Topical Antifungals for Dermatophytosis" on 8th July 2025, marking World Skin Health Day. The session, held at Rajath Bhavan, was attended by nursing students and Pharm D interns. The event began with a prayer. Dr. Jyothi Jayaraman, Associate Professor, highlighted the importance of skin health, emphasizing that the skin reflects overall well-being and that neglecting skin changes can lead to complications. She urged timely consultation with dermatologists for early diagnosis and proper care. Dr. Ramesh Bhat, Professor, delivered a powerful talk on the misuse of topical steroids. He warned against self-medication and over-the-counter steroid use, stressing that such practices can lead to serious dermatological and systemic effects. He encouraged responsible prescribing and public awareness. Dr. Kiran, Assistant Professor, discussed steroid abuse in dermatophytosis using clinical case examples. She illustrated how misuse delays diagnosis and worsens fungal infections, especially with combined steroid-antifungal creams promoted without medical advice. Certificates were distributed to the speakers by Ms. Sunitha Priya Menezes, Assistant Professor at Father Muller College of Nursing. The sessions were well-received and spurred discussions on the need for medically supervised steroid use. The event was attended by dermatology faculty and postgraduates, nursing students, and Pharm D interns. Dr. Ronita and Dr. Swathi Yatheesh Pujar compered the program. A total of 150 delegates participated.

- As part of the Indian Association of Dermatologists, Venereologists, and Leprologists (IADVL) initiative to set a Guinness World Record for the largest simultaneous free health camps across India, a Free Skin Health Camp was successfully organized on 13th July 2025 at Fr. L.M. Pinto Health Centre Charitable Trust, Badyar, Madyanthar Church Premises, by the Department of Dermatology, Venereology, and Leprosy, Father Muller Medical College, Mangalore.

The camp was attended by: Dr. Prajna Shetty, Senior Resident

Dr. Janice Lewis and Dr. Eric, Postgraduate Residents

A total of 90 patients consisting of 48 Males, 42 Females and 26 patients (< 18 years old) attended the camp and availed free skin consultations. The event witnessed active participation and enthusiasm from the local community. A wide range of dermatological conditions were addressed, including acne, fungal infections, dermatitis, pigmentation issues, and hair loss.

Skin health counseling was done to educate patients on daily skincare routines, hygiene practices and sun protection.

The camp was well received and appreciated by the attendees

- As part of the Indian Association of Dermatologists, Venereologists, and Leprologists (IADVL) initiative to set a Guinness World Record for the largest simultaneous free health camps across India, a Free Skin Health Camp was successfully conducted in White Doves Psychiatric and Destitute Home, Kulshekar, Mangalore, Karnataka on 13/7/2025. This camp was organized by Department of Dermatology, Kasturba

Medical College Hospital, Attavar with Kasturba Medical College, Mangalore. Dr Ramith Shetty and Dr Jayakrishna worked on this camp to make it successful.

Key Highlights:

- Total Beneficiaries: 36
- Male Patients: 24
- Female Patients: 12
- Free dermatological consultations and medications were provided.
- Common skin issues addressed included acne, fungal infections, dermatitis, and pigmentation concerns.
- Awareness about skin hygiene, sun protection, and preventive care was emphasized.
- Patients were also educated about the importance of early detection and treatment of skin conditions.

The camp was well-received and contributed to IADVL's mission of improving skin health awareness while supporting the national record-setting effort.

4. As part of the Indian Association of Dermatologists, Venereologists, and Leprologists (IADVL) initiative to set a Guinness World Record for the largest simultaneous free health camps across India, a Free Skin Health Camp was successfully conducted by the department of dermatology, Kanachur institute of medical sciences at ullasayyedmadanidargaand Athmashakthi Multipurpose Co.op. Society Ltd. at Near Holy Cross Church, Elyarpadavu, Konaje on 13th July 2025.
5. As part of the Indian Association of Dermatologists, Venereologists, and Leprologists (IADVL) initiative to set a Guinness World Record for the largest simultaneous free health camps across India, a Free Skin Health Camp was successfully conducted by the department of dermatology, Yenepoya Medical College, at Ullal, Konaje on 13th July 2025.
6. As part of the Indian Association of Dermatologists, Venereologists, and Leprologists (IADVL) initiative to set a Guinness World Record for the largest simultaneous free health camps across India, a Free Skin Health Camp was successfully conducted by the department of dermatology, KSHEMAat Kankanady on 13th July 2025.

MDS activitie

April month

MDS news bulletin MYDERMIS second edition was released In the month of June world vitiligo Day was observed by MDS DR Purushotham SM delivered talk on viitligoawareness . DR Raghvendra KR and DR Naveen N riefed about the importance of the VitiligoDay .

July month

Its tradition to honour the senior dermatologist and immediate past president so we honoured Dr Bangaru H, immediate past president and Dr Devakumarindra and Dr Akbar Sait for their contribution to MDS.

Belagavi Dermatology association

Skin Health Day 2025 was celebrated with great enthusiasm and commitment on Sunday, 13th July, under the aegis of IADVL Karnataka, at the Department of Dermatology, KLE Dr. Prabhakar Kore Hospital, Belagavi. As a part of this statewide initiative to raise awareness about skin health, a comprehensive skin health camp was organized from 9:00 AM to 1:00 PM. The event witnessed active participation from patients of various age groups, who were evaluated for their dermatological conditions by the department's

team of dermatologists.

The significance of Skin Health Day lies in its mission to bridge the gap between public awareness and access to dermatological care. This annual observance, driven by IADVL across the nation, highlights the increasing burden of skin diseases and the need for early diagnosis, proper treatment, and preventive education. It serves as a platform to reinforce the idea that skin, being the largest organ of the body, deserves equal attention and care as any other organ system.

During the camp, 74 patients received expert clinical consultations but were also provided with free sample medications tailored to their conditions. Additionally, minor outpatient procedures such as radiofrequency ablation, electrocautery, and chemical peels were performed free of cost, making quality dermatological care more accessible to all strata of society.

In conclusion, Skin Health Day reminds us of the vital role that healthy skin plays in maintaining overall well-being, self-confidence, and quality of life. Right dermatological treatment from certified dermatologists and regular check-ups are essential in preventing chronic and potentially serious skin conditions. We are grateful to Principal, JN medical college, Medical Superintendent JN Medical College and Medical Director, Dr Prabhakar Kores KLE hospital for waving off the registration fees.

UTTARA KANNADA ASSOCIATION OF DERMATOLOGISTS

1. Skinathon 2024 – A Marathon for Skin Health Awareness

The Skinathon, a unique marathon event aimed at spreading awareness about skin disorders and busting common myths related to dermatology, was successfully conducted on 30th April 2024. (1st April to 15th July 2025)

Membership:

Strength of the branch on 20th July 2025

LMs: 1196, PLMs: 256, ALMs: 0, E-voters: 879

Academic activities:

IADVL KERALA ONLINE ACADEMY CELL

IADVL Kerala online academic cell was created to conduct academic sessions to offer precise learning opportunities for its members and to improve their skills and knowledge. IADVL Kerala online academic cell team has Dr Feroze Kaliyadan as chairperson, Dr Nimitha P as convener and Dr Bhavya Valsalan, Dr Nima Andrews, Dr Zarina Hazil, Dr Vandana and Dr Rashmi Subramaniam as members. The IADVL Kerala Online Academic Cell continues to play a pivotal role in advancing dermatological education by organizing academic sessions tailored to the needs of both practitioners and postgraduate students. Second Webinar: "Skin Sense"

The second webinar in this series was held on Friday, 13th June 2025. The session featured a compelling, case-based panel discussion titled "Skin Sense: Common but Difficult-to-Treat Dermatoses." This intellectually stimulating event was expertly moderated by Dr. Soumya Jagadeeshan. Over the course of an hour, the panel delved into a range of challenging dermatological conditions. The webinar was met with an enthusiastic response, drawing approximately 90 participants. The interactive format and the depth of clinical insights shared contributed to the event's resounding success.

IADVL KERALA RESEARCH FACILITATION CELL

A research facilitation cell was constituted with the main aim of promoting research activities amongst IADVL Kerala members.

IADVL Kerala & research cell conducted an online journal club on 14/07/2025. Session was chaired by Dr Ajithkumar K, Professor & HOD Dept of Dermatology, Govt Medical college Kottayam and Dr Rajani Jose, Professor dept of Community medicine, Govt Medical college Kochi. Session started at 8:00 PM. Dr Shahina S JR Dept of Dermatology GMC Kottayam and Dr Riya Rose JR Dept of Community medicine GMC Kottayam presented the article. This was followed by discussion. 52 participants attended. Session concluded at 9:15 PM.

Social activities:

On 25th May 2025, Malappuram Dermatology Society in association with IADVL Kerala conducted this year's Midcuticon Kerala 2025 at Rozia International Convention Centre. This year's conference was themed "Man & Machine," focusing on the interplay between human expertise and emerging technology in dermatology. We had around 220 registrations, and around 190 delegates attended the conference. Midcuticon Kerala 2025 was inaugurated by Dr. Asokan N. The keynote address was delivered by Dr. Jayadev Betkerur. IADVL President Dr. Rakesh S. V. gave the presidential address.

We had 25 faculties with talks on Human and Artificial Intelligence, Leprosy, STIs, Psoriasis, and a few talks on Procedural Dermatology. We had a debate session based on the theme "Man and Machine" and an interesting Dermatopathology quiz. The IADVL General Body meeting was also held during the conference.

The free paper session had 6 candidates, whereas there were 19 e-posters for the conference. Award papers were conducted under two categories: Case Report (Total – 9) and Case Study (Total – 8). All prize winners of the award papers and e-posters were given prizes during the valedictory function.

All in all, we had a well-crafted, insightful conference.

PGCON 2025

PGCON 2025 organized by IADVL Kerla , Dept of dermatology Govt medical college Kottayam and Dermatology alumni association was held at Golmedex hall Govt medical college Kottayam on 29/06/2025.

Official inaugural function of CME started at 8 :30 AM . Dr Ajithkumar K HOD , Dept of Dermatology Govt medical college Kottayam welcomed the gathering and Dr Rakesh SV IADVL Kerala state president gave presidential address. Dr Varghese Punnoose Principal Govt medical college Kottayam inaugurated the CME and was followed by felicitations.

Total 165 delegates attended the CME , 20 professors from various medical colleges all across Kerala conducted exam oriented sessions.

Sessions started at 9 :15 am and First session was long case on vesiculobullous disease chaired by Dr Jaydev Betkerur and Dr George Kurien and residents from Travancore Medicity Dr Roshni T and Dr Nasiha TS presented the case.

Session on STI case I was discussed by Dr Anuja Elizabeth and Dr Mamatha George and the presenters were residents from Govt medical college Trivandrum , Dr Gopika menon and Dr lakshmi K Menon.

Following this Dr Soumya Jagadeesan , professor AIMS , Kochi gave a talk on How to approach exams.

Next session was long case 2 Systemic sclerosis and was chaired by Dr Najeeba Riyaz and Dr Bifi Joy and the case was presented by residents of Govt medical college Kannur Dr Amrutha P and Dr Krishnapriya.

MAHARASTRA

(1st April to 15th July 2025)

1. Academic Activities

- i. 06/04/25- IADVL MH conducted the 1st of three Quarterly Scientific Meetings at Hotel Holiday Inn, Mumbai, on Current Trends in Infectious Diseases in Dermatology. The meeting was attended by 209 delegates & was accredited with 2 MMC points.
- ii. 24/06/25- IADVL MH collaborated with the YAAM ADAC academy for a Weekend Forum meet at Seven Hill Hospitals, Mumbai. It was conducted by Dr. Madhuri Agarwal & Dr. Farida Modi, & featured international experts in aesthetic medicine from Thailand, Dr. Rungsima Wanitphakdeedecha & Dr. Woraphong Manuskiatti. The meeting was attended by 236 delegates & was accredited with 4 MMC points.
- iii. 14-15/06/25: The Kolhapur chapter of IADVL MH branch organized their annual KDACon at Hotel Sayaji, Kolhapur. The theme was: From Resistance to Relief: Tackling Chronic Refractory Skin Diseases. The meeting was attended by 178 delegates & was accredited with 4 MMC points.
- iv. 14-15/06/25- IADVL MH collaborated with VFI (Vitiligo Foundation of India) for the world's first ever Hands-on Cadaveric Workshop for Vitiligo Surgery at the Skill Lab, B.Y.L. Nair Hospital & T.N. Medical College, Mumbai. It was followed by a one-day CME on Vitiligo surgery at Hotel Holiday Inn, Mumbai. The meeting was conducted by Dr. Munish Paul, Dr. Madhulika Mhatre & Dr. Deepti Ghia. The meeting was attended by 261 delegates & was accredited with 4 MMC points.
- v. 22/06/25- IADVL MH conducted a CME on Advances in Immunodermatology: Bridging Immunology and Skin Science, at Hotel Orchid, Mumbai. The meeting was attended by 196 delegates & was accredited with 2 MMC points.

2. Clinical meetings: One-day scientific feasts, held by various college departments, showcasing wide variety of talent in our student cadres.

- i. G.S. Medical College & K.E.M. Hospital, Mumbai.

The Clinical Meeting was held under the guidance of Dr. Vidya Kharkar, Prof. and HOD. It was attended by 92 delegates. One CME credit was awarded by MMC.

3. Community Service Projects

Maharashtra IADVL wholeheartedly supported and took part in the Pan India International Book of Records attempt for the Maximum Number of Free Skin Health Camps on the 13th July 25. MH state had the 2nd highest number of camps all over the country, with 61 camps & 118 participating doctors. 3682 patients were examined/treated/sensitised on this day. MH state Community Dermatology Co-ordinator Dr. Shraddha Mahalle was instrumental in the co-ordination of all the doctors, camp sites and medicine deliverance.

- 06/04/25: QSM on Current Trends in Infectious Diseases in Dermatology

- 22/06/25: CME on Advances in Immunodermatology: Bridging Immunology and Skin Science

- 24/05/25: IADVL MH & YAAM ADAC – Weekend Forum

- 14 -15/06/25: IADVL MH & VFI: 2nd VFI Vitiligo Workshop & CME @ Skill Lab TNMC & BYLH, Mumbai.

NORTH EAST STATES BRANCH

(1st April to 15th July 2025)

MEMBERSHIP

TOTAL MEMBERS: 256, LIFE MEMBERS 187, PLM MEMBERS 69, E -VOTERS: 183

ACADEMIC ACTIVITIES:

24.04.25: CME on “Approach and management of sexually transmitted diseases” by Dr K A Sangma & “Oral minoxidil” by Dr Biswas SRD NEIGRIHMS. Also, few interesting case presentation was done by 2 post graduate students from NEIGRIHMS.

10.05.2025: CME on “Role of lactic acid in sunscreen for prevention and management of melasma” by Dr. Subrata Kumar Das.

10.05.2025: CME on “What impacts patient satisfaction in Dermatology” by Dr. Leishiwon Kumrah. & “Vitiligo management today: Exploring newer treatment modalities and therapeutic Advances” by Dr. Ruopfukhrietuo Tetso.

27.06.25: CME on “updates on AD management” by Dr. Karthi Kishore.

26.04.25: CME on “Three-in-one Breakthrough: Ushering in an Era of Acne-Free Skin” by Dr. Shromona Kar.

10.05.25: On the occasion of World Lupus Day an integrated CME was conducted by Department of Dermatology, SMCH with Department of Medicine, SMCH.

12.07.25: CME on “Acne vulgaris & its implication on quality of life: a multidisciplinary approach” at CIHSR.

19.07.2025: CME on “Chronic itch & antihistaminics” by Dr. Shromona Kar

The MIDCUTICON NE States 2025 was held on the 14th June at the Waii international hotel, Itanagar, Arunachal Pradesh, focused on the theme of “Quackery in dermatology & practice management.”

Shri Indraneel Chowdhury, Advocate General, Govt. of Arunachal Pradesh & Dr. Amarendra Pandey, Convener, Antiquackery, Legal & Ethics Committee, IADVL were the invited speakers who gave valuable insights on various aspects of quackery, its legal implications, and preventive measures to the attendees. It was a full day scientific program with talks and panel discussion on quackery in dermatology and practice management. Free papers and E-poster presentations were done by post graduate residents with awards for the best paper and poster. Our colleagues from different disciplines were also sensitized regarding the menace of quackery in dermatology by involving IMA state branch President & Secretary. The conference was given good media coverage especially highlighting quackery & skin health awareness issues.

Dermatologists and healthcare professionals attended the conference, interacted with the esteemed speakers and benefited from their expertise.

NEIADVL installed its 7th city chapter during MIDCUTICON, as Arunachal chapter of NEIADVL.

The SIG Acne & Appendageal Disease program was successfully held on June 28th, 2025 at hotel Novotel, Guwahati, featuring expert discussions and panel deliberations. Dr. Sanjay Rath, Coordinator and Dr. Abhinetha Hosthota, Convener along with local faculty members from NEIADVL, led the engaging lectures and interactive panel discussions on acne, appendageal diseases and acne scars with great enthusiasm & participation from the attendees. The event saw significant participation from medical college faculty, consultant dermatologists, and postgraduate students. Representatives from various North East states attended the CME, making it a fruitful experience for all.

NEIADVL SOCIAL ACTIVITIES: On 18.05.2025 a mega health camp was held at Sadiya, Assam by Dibrugarh chapter under the banner of Community Dermatology NEIADVL in collaboration with IMA and Lions Club. Dr. Debojit Dutta, Chairperson, community dermatology NEIADVL with PGTs from AMCH and physicians from various specialties were present to deliver services to the community. Along with health check up, awareness about skin care, myths about various skin diseases, and importance of early consultation with physicians for disease control were done. Leaflets regarding daily skin care, leprosy, vitiligo and dermatophytosis were distributed to the attendees. A total of 750+ people benefitted from the camp. The camp was inaugurated by local MLA and electronic media was also present to spread the message regarding the camp among the people of the entire region.

World Vitiligo Day was observed by NEIADVL members across various states organized by medical colleges & city chapters. Silchar Medical College in association with the Barak Chapter of NEIADVL, organized a poster-making competition for undergraduate students. The two best posters were selected by our judges, and the winners were awarded prize money along with mementos. Dermatology PGTs from SMC performed a thought provoking skit aimed at breaking the common myths surrounding vitiligo.

Jorhat Medical College and Hospital (JMCH), proudly organized an awareness program in line with this year's theme "Innovation and AI: Empowering Vitiligo Awareness and Care." As part of the awareness initiative, informational pamphlets were distributed to educate the public about the myths and facts of vitiligo, highlighting the importance of early consultation and compassion in care. The highlight of the program was an impactful skit performed by the enthusiastic MBBS students, creatively delivering a message against discrimination and encouraging empathy, inclusion, and scientific understanding.

Moreover, an interactive session was also held with patients debunking the myths and social stigma regarding vitiligo. The message conveyed in the discussion was that through lens of innovation and artificial intelligence, we envision a future with better diagnosis, management, and above all, societal acceptance of vitiligo. Dr Sunita Mech observed World Vitiligo day at Compositie Hospital CRPF, Guwahati

Diphu medical college faculty, nurses & UG students participated in the program in the form of awareness meeting, skit performance by phase 3 students, handing out of myths and facts leaflets and distribution of free medicines to vitiligo patients.

Tripura medical college in association with Agartala chapter of NEIADVL observed the day along with patients, attendants, nursing staff and students.

NEIADVL organized 19 skin health & awareness camps on 13th July 2025 at various places across the NE states as a part of IADVL's historic International Book of Records Attempt. The skin health camps were held at slums, orphanages, old age homes, and prisons. More than 90 doctors participated in this mega mission of IADVL & served 1352 patients with free skin health awareness & consultations along with distribution of free medicines. Moreover, activities received a great publicity by various local & national, print, electronic & digital media platforms with wider penetration & coverage in the community.

NEIADVL MEDIA CELL ACTIVITIES: A total of 23 creative posts and reels have been shared in the official NEIADVL Instagram handle as a part of skin health awareness initiatives. The uploaded content is primarily focused on anti-quackery and awareness under the active & enthusiastic guidance of Dr. Jagjeet Sethi & Dr. Saloni Katoch. A few of the videos have been translated into Hindi & Assamese languages for wider penetration in the community. An article on quackery titled "Bane of quackery in dermatology" was published in the most widely circulated English daily, the Assam Tribune on the 13th July 2025.

Academic activities

- CME on Basics in Dermatology Clinical Research - “Essence of Research”
Held on 18th May 2025 at Sri Venkateshwara Medical College Hospital and Research Center, Ariyur, Puducherry, this CME focused on introducing core concepts of clinical research in dermatology. The event saw enthusiastic participation from around 60 delegates and was very well received for its practical relevance and interactive sessions.
- SIG LASERS – CME cum Workshop: “The Art & Science of LASERS in Dermatology”
Conducted on 1st June 2025, this signature event was organized by Puducherry IADVL in collaboration with the Department of Dermatology, PIMS. The programme included a postgraduate quiz on LASERS. With over 120 delegates in attendance, the event witnessed active engagement and was a resounding success.
- Dermatopathology Workshop-cum-CME. On 15th June 2025, Sri Manakula Vinayagar Medical College and Hospital hosted a comprehensive dermatopathology workshop and CME. The programme included expert lectures, a PG quiz, and a dedicated glass slide viewing session. More than 100 delegates participated, and the sessions were particularly appreciated for their academic depth and practical orientation.

Public Awareness Programmes

- A total of six ‘Chalo Pathshala’ programmes were successfully conducted by various institutions under the Puducherry IADVL banner, focusing on school-based dermatological awareness and outreach.
- As part of the historic IADVL Skin Health Initiative, the Puducherry branch organized nine free skin health camps and awareness programmes on 13th July 2025, reaching diverse communities and reinforcing IADVL’s commitment to public dermatological health.

PUNJAB

(1st April to 15th July 2025)

1. Title: International Aesthetic and Clinical Dermatology Conference- “Biologicals & JAK Power: Transforming Dermatologic Therapeutics”

Venue: Bhargava Auditorium, PGIMER, Chandigarh

Date: 11-13th April 2025

The International Aesthetic and Clinical Dermatology Conference, held from April 11 to 13, 2025, at PGIMER Chandigarh, centered around the theme “Biologicals & JAK Power: Transforming Dermatologic Therapeutics.” The event commenced with hands-on surgical workshops, including live demonstrations of micropunch grafting, non-cultured epidermal cell suspension for vitiligo, acne scar management using energy-based devices, fat grafting, and surgical treatment of hidradenitis suppurativa. A plenary session highlighted the transformative role of JAK inhibitors in modern dermatologic care. Key topics of discussion included the application of artificial intelligence in dermatology, innovative treatment approaches for psoriasis, acne, autoimmune bullous disorders, and vitiligo. Sessions dedicated to vitiligo, hidradenitis suppurativa, alopecia areata, cutaneous vasculitis, and atopic dermatitis were discussed with focus on their immunopathogenesis, conventional therapies, novel uses of JAK inhibitors, and future treatment possibilities. The various discussions emphasized the shift from conventional therapies to biologics and personalized treatment regimens. Expert panels addressed complex cases in connective tissue diseases and chronic urticaria, offering practical insights into current and emerging therapeutic strategies.

2. Title: CME on Research Methodology in Dermatology- “Research Methodology Made Easy II: Translating Clinical Experience into Evidence”

Venue: Dumra Auditorium, Dayanand Medical College & Hospital, Ludhiana, Punjab

Date: 1 JUNE 2025

The Department of Dermatology, Venereology & Leprosy, Dayanand Medical College & Hospital (DMC&H), Ludhiana, in collaboration with the Indian Association of Dermatologists, Venereologists & Leprologists (IADVL), successfully hosted a one-day Continuing Medical Education (CME) programme titled “Research Methodology Made Easy II: Translating Clinical Experience into Evidence” on Sunday, June 1st, 2025, at Dumra Auditorium, DMC&H. The CME provided a valuable platform to promote research culture among young dermatologists and guided them on translating clinical experience into evidence, aligning closely with the college’s ethos of fostering excellence through research. The CME coordinators were Dr. Sukhjot Kaur (President, IADVL Pb, Chd & HP State Branch), Dr. Jaspriya Sandhu (Hon. State Secretary), Dr. Navneet Kaur (Joint Secretary), and Dr. Rajwinder Singh (Convener, SIG-DCR), who worked tirelessly to ensure the event’s success.

3. Title: WORLD VITILIGO DAY

Venue: DMC&H Ludhiana , Dr RPGMC Tanda, AIIMS Bilaspur

Date: June 25, 2025

To mark World Vitiligo Day, the Departments of Dermatology at DMC&H Ludhiana, Dr. RPGMC Tanda (Himachal Pradesh), and AIIMS Bilaspur (Himachal Pradesh) organized impactful awareness programs

focused on education, destigmatization, and community engagement. At DMC&H Ludhiana, the day was observed with a vibrant and multifaceted program. MBBS students presented informative posters on vitiligo, dietetics students highlighted the role of nutrition in its management, and nursing students contributed beautiful theme-based paintings. A highlight of the event was a moving personal story shared by a patient living with vitiligo, followed by an engaging skit performed by faculty, residents, and staff—depicting the social challenges and common misconceptions surrounding the condition. The program also included expert talks on available treatments and the emerging role of Artificial Intelligence in dermatology. The Department of Dermatology at Dr. RPGMC Tanda hosted an informative session for OPD patients, focusing on causes, treatment options, and the importance of early medical intervention in vitiligo. Special emphasis was placed on busting myths and promoting societal acceptance. Posters and educational talks helped create awareness and foster empathy among attendees. The Department of Dermatology at AIIMS Bilaspur also organised the awareness program, where they featured an emotionally powerful skit performed by nursing students, spotlighting the stigma and societal pressures associated with vitiligo. This was followed by talks on the medical aspects and myth-busting. A heartfelt testimony by the grandmother of a young patient of vitiligo added a deeply human element to the program. Students also contributed thoughtful and creative posters promoting inclusivity and acceptance. The Department of Dermatology at Punjab Institute of Medical Sciences, Jalandhar also organised an awareness drive at the campus for patients and staff to destigmatise vitiligo. Across all four institutions, the observance of World Vitiligo Day served as a strong reminder of the importance of awareness, compassion, and support for those living with vitiligo - uniting the medical community and the public in a shared effort to eliminate stigma and foster inclusivity.

4. Title: Check-up and awareness camps

Date: 13th July, 2025

The Indian Association of Dermatologists, Venereologists, and Leprologists (IADVL) Punjab, Chandigarh, and Himachal Pradesh State Branch successfully organized 32 free skin check-up and awareness camps across the region. The IADVL aimed to set a record in the International Book of Records for organizing the maximum number of camps in a single day, where more than 700 camps were organised all over India and the state branch's contribution of 32 camps was a significant step towards achieving this goal. A total of 42 IADVL members from the state branch actively participated, examining more than 1,900 patients during the drive. The initiative not only offered medical care but also aimed to raise awareness about common skin conditions, debunk prevalent myths, and promote skin health in the community. By doing so, it demonstrated the commitment of IADVL and DMC&H to providing quality healthcare services and making a positive impact on the lives of people. The camps served as a valuable platform for dermatologists to interact with patients, provide expert advice, and educate them about skin health, ultimately contributing to the overall well-being of the community.

5. Title: Revamp of IADVL Punjab Website

The official website of the IADVL Punjab, Chandigarh, and Himachal Pradesh state branch-iadvlpunjab.org-has undergone a major revamp to enhance communication, accessibility, and community engagement. The redesigned platform is intended to serve as a dynamic hub for dermatology professionals, offering a user-friendly interface for seamless navigation, timely updates on upcoming events such as conferences, CME programs, and workshops, and valuable networking opportunities to foster collaboration among colleagues across the region.

Academic Activities

1. Ghaziabad dermatology Society (GDS)

Date: 25th April 2025 | Time: 8:00 PM onwards

Venue: Hotel Fortune, District Centre, Ghaziabad

Hair Today, More Tomorrow – Advances in Androgenetic Alopecia.

The Ghaziabad Dermatology Society (GDS), hosted an insightful and well-attended CME session focused on the latest advances in managing androgenetic alopecia. The session was enriched with evidence-based clinical knowledge, real-world experiences, and new therapeutic frontiers.

2. World Lupus Day 10th May 2025

A. AIIMS Gorakhpur

Educating, Empowering, and Embracing Every Skin In alignment with its commitment to community education and compassionate dermatology, the Department of Dermatology at AIIMS Gorakhpur organized impactful public awareness programs commemorating World Lupus Day 2025. This event aimed to dispel myths, promote early diagnosis, and showcase how innovation and empathy are shaping the future of skin health.

Theme: "Make Lupus Visible"

The department hosted an informative public awareness session focused on Systemic and Cutaneous Lupus Erythematosus (SLE & CLE) under the guidance of Professor & Head Dr. Sunil Kumar Gupta. Faculty members delivered talks on:

- Early warning signs and clinical presentation of lupus
- Importance of photoprotection and lifestyle adjustments
- Role of dermatologists in early referral and multidisciplinary care
- Mental health support and long-term management

Educational posters and leaflets were distributed across the hospital OPD and waiting areas. The event witnessed active participation from students, interns, patients, and faculty. The Lupus awareness was also published by the print media.

B. Moti Lal Nehru Medical College, Prayagraj, Uttar Pradesh

The Department of Dermatology at Moti Lal Nehru Medical College, Prayagraj, joined the global

community in commemorating World Lupus Day on 10th May 2025. The initiative aimed to increase awareness about systemic and cutaneous lupus erythematosus (SLE and CLE), enhance early diagnosis, and encourage support for those living with the disease.

3. A CME Evening on Emerging Dermatological Perspectives

The city of Varanasi witnessed a dynamic and enlightening Continuing Medical Education (CME) event on 21st June 2025, hosted under the banner of HALT (Hirsutism and Acne Lowering Treatment) and under the chairmanship of Dr. Arvind Singh. Organized at Hotel Dolphin International, the session brought together eminent experts from the fields of dermatology, endocrinology, and gynecology to discuss the management of PCOS-induced acne and hirsutism. The session focused on Myo-inositol's role in the management of PCOS-induced acne and hirsutism, emphasizing its growing relevance in dermatological and gynecological practice. Valuable insights, recent research data, and clinical case discussions made the CME highly practical and engaging.

4. World Vitiligo Day – 25th June 2025

Theme: "Innovation for Every Skin, Powered by AI"

This year's observation emphasized the transformative role of Artificial Intelligence (AI) in dermatology, especially in the diagnosis, monitoring, and personalized treatment of vitiligo.

A. AIIMS Gorakhpur:

Under the guidance of Professor & Head Dr. Sunil Kumar Gupta, a public awareness program was organized. In this program, the patients and their attendants actively participated and they asked different myths related to the vitiligo that were effectively replied. The activity was well covered by the print media.

B. Noida:

Raising Awareness. Restoring Confidence.

World Vitiligo Day (WVD) 2025 was commemorated in Noida with an impactful and inspiring event dedicated to raising awareness, addressing stigma, and sharing advances in vitiligo management. Organized by Torrent Pharmaceuticals, the evening brought together dermatology experts, patients, and healthcare professionals to unite in advocacy and education.

C. Himalayan Institute of Medical Sciences (SRHU), Dehradun, Uttarakhand:

On the occasion of World Vitiligo Day, the Department of Dermatology at Himalayan Institute of Medical Sciences, Dehradun, conducted a meaningful awareness program on 25th June 2025. The event was held at the Dermatology OPD and academic classrooms of the institute campus in Doiwala, Uttarakhand.

D. Baba Raghav Das (BRD) Medical College, Gorakhpur, Uttar Pradesh:

On the occasion of World Vitiligo Day, the Department of Dermatology at BRD Medical College, Gorakhpur, held a comprehensive public awareness and education event on 25th June 2025. The observance aimed to dispel myths about vitiligo, foster empathy, and educate the public and students about advancements in treatment and support strategies.

E. Shri Ram Murti Smarak (SRMS) Institute of Medical Sciences, Bareilly, Uttar Pradesh

The Department of Dermatology at SRMS IMS, Bareilly, observed World Vitiligo Day on 25th June 2025 with a meaningful and engaging program aimed at increasing awareness, reducing stigma, and promoting scientific understanding of vitiligo among medical professionals and the public.

5. Let's Talk About Itch" - A Focused Clinical Symposium on Pruritus

The vibrant city of Varanasi hosted a compelling symposium titled "Let's Talk About Itch" on 25th June 2025. The session drew a focused gathering of dermatologists, clinicians, and healthcare professionals to explore contemporary clinical perspectives on the management of pruritus.

Dr. Abhishek De's session provided an insightful exploration into the pathophysiology of pruritus, the impact on patient quality of life, and practical approaches to diagnosis and therapy. He highlighted new classifications of itch and the role of neurological and inflammatory pathways in chronic pruritus.

6. Free Skin Health Camps:

The members of IADVL UP & UK actively participated in the Nation wide free skin health camps on awareness on skin/hair/nails and genital health. A total of 49 camps were organised in UP & UK.

WEST BENGAL

(1st April to 15th July 2025)

A. Membership:

Fifteen Members (15) have been enrolled during the period from 01.04.2025 to 15.07.2025.

B. Academic Activities:

- As part of the World Vitiligo Day observance, the IADVL West Bengal, organized a one-day CME program titled “Breakthroughs in the Management of Vitiligo” on 27th June, coinciding with the auspicious occasion of Ratha Jatra, at Hyatt Regency, Kolkata. The academic program featured engaging and thought-provoking sessions, The event was further enriched by the presence of several senior and distinguished faculty members. The event witnessed enthusiastic participation from a wide spectrum of attendees — from senior dermatologists to young postgraduate students — all of whom actively engaged in vibrant academic discourse and interactive learning. The program was widely appreciated for its comprehensive content, practical insights, and collaborative spirit.
- IADVL WB State Branch organized 3 Clinical Meetings on 28/4/25, 28/5/25 & 30/6/25 at RKM Seva Pratisthan, NRS MCH & College of Medicine & Sagore Dutta Hospital, Kolkata. Various topics were discussed with live case demonstration by many Faculties for PGT Students.
- MID CUTICON WB 2025: Advancing Dermatology Through Knowledge and Collaboration was held on June 15, 2025, brought together 219 attendees from across the dermatology community for a day filled with insightful discussions, interactive sessions, and collaborative learning. The venue, JIMSH, Budge Budge, offered a well-equipped and welcoming setting that seamlessly supported the academic and social proceedings.

The conference was inaugurated in the presence of Chief Guest Dr. Santanu Tripathi, Principal, and Guest of Honour Dr. Balram Gupta, Vice Chairman, JIMSH. The event featured distinguished guest speakers Dr. Maninder Singh Setia and Dr. Avijit Hazra, whose contributions added academic depth to the sessions.

The Symposium on Study Design and Data Analysis, led by Dr. Maninder Singh Setia, offered practical guidance on conducting clinical research and overcoming common challenges — a standout segment of the conference.

A special highlight was the Dr. B.C. Lahiri Memorial Oration, delivered by Dr. Firoze Kaliyadan, which was both enlightening and inspiring for attendees.

The conference concluded with a grand banquet dinner, facilitating professional networking and camaraderie.

- On 25th May 2025, KPC Medical College hosted Brush Up 3.0, a dynamic academic event simulating MD/DNB dermatology exit exams. Aimed at strengthening core concepts, it promoted interactive learning and knowledge exchange. The event began with a session on “Ethics in Medical Dermatology” by Dr. Arijit Coondoo, followed by the inauguration and lamp lighting ceremony. The success of the program was driven by the collaborative efforts of IADVL WB leaders, including Dr. Dinesh Kumar Hawelia, Dr. Suchibrata Das, Dr. Sudip Das, Dr. Sujata Sengupta, and Dr. Anupam Das. It was attended by

enthusiastic PGs from across institutions, the event reinforced its commitment to academic excellence in dermatology. The program was an outstanding success with more than 100 attendees, accomplishing all its intended goals with remarkable precision and grace

- IADVLWB proudly marked the grand launch of its prestigious Master Class Series with Session 1, Episode 1 held on 8th July at R. G. Kar Medical College. The inaugural session was a housefull event, showcasing an extraordinary blend of academic excellence, expert insights, and vibrant participation.

The event was formally inaugurated by Dr. Manas Kumar Bandhopadhyay, Principal of R. G. Kar Medical College. His inspiring words set the tone for the day. The occasion was further graced by the presence of Dr. Saptarshi Chatterjee, MSVP of the institution, adding immense value to the launch.

The central theme of the inaugural session focused on Autoimmune Connective Tissue Diseases (AICTD), offering in-depth exploration through expert-led discussions and scholarly presentations.

Interactive Quiz Session An engaging quiz round was conducted by Quiz Master Dr. Anupam Das, featuring active participation and competitive enthusiasm. **Winners:** 1st Prize: Joheb Mondal 1st Runner-up: Sweta Singh 2nd Runner-up: Mayukh Hazra The event drew an overwhelming response from a highly engaged audience, reaffirming the academic spirit and commitment of the dermatology community in West Bengal. The enthusiasm and collaborative energy of the speakers, panelists, attendees, and organizers ensured the session was not just informative but truly memorable. With such a successful beginning, the IADVLWB Master Class Series sets a high benchmark for future sessions, promising continued excellence in dermatological education and collaboration.

C. Social activities

1. World Vitiligo Day, observed on June 25, serves as a global reminder of the need to raise awareness about vitiligo - a benign skin condition often associated with considerable social stigma. The role of Dermatologists extends beyond clinical management; they are entrusted with the responsibility of educating patients, providing empathetic counseling, and actively working to dispel societal misconceptions, thereby enhancing the overall quality of life for individuals affected by the condition. In alignment with this objective, Dermatologists across West Bengal, particularly in various medical colleges, commemorated World Vitiligo Day within their respective institutions. The observances focused on patient education, treatment awareness, and counseling initiatives, with the collective aim of fostering a more informed, compassionate, and inclusive society for those living with vitiligo.
2. On the occasion of World Skin Health Day, on 13th July, the IADVL launched a landmark initiative—organizing nationwide free skin health camps simultaneously across the country. This pioneering effort aimed to: Raise awareness about skin, hair, and nail diseases among the general public Encourage individuals to seek consultation from qualified dermatologists Break myths and stigma associated with dermatological conditions. An additional goal was to attempt a record-breaking feat—registering the maximum number of skin health camps conducted in a single day in the International Book of Records. West Bengal IADVL, reaching every corner in alignment with this initiative, the West Bengal branch of IADVL organized statewide free dermatological camps at the grassroots level—ranging from private clinics to community halls, Vedic ashrams to correctional homes. 32 camps were conducted across the state, 59 dermatologists volunteered their time and expertise, 1,716 patients were examined and counseled in a single day This remarkable achievement was made possible by the dedication and tireless efforts of all participating dermatologists and volunteers, making the event a resounding success.

IADVL ACADEMY OF DERMATOLOGY

(1st April to 15th July 2025)

Dr. Sunil Dogra
Chairperson

Dr. Nilay Kanti Das
Convener

After the DERMACON 2025, the new team of Academy 2025 started its job with full enthusiasm within the first week. An initial introductory meeting was conducted virtually with academy members, and the coordinator and conveners SIGs and Task Forces to discuss and communicate the vision and mission of IADVL Academy.

Mid-Term Academy Meeting 2025 : The Mid-Term Academy Meeting was planned on 10th and 11th May 2025 but due to the inadvertent issue of Operation Sindoor, the meeting was cancelled. The Meeting was split into an Online Meeting with the SIG and Task Forces on 11th May 2025 and IADVL Research Grant Jury Meeting on 1st June 2025 in a physical mode at IADVL HQ Ghaziabad Delhi NCR.

Online Meeting with the SIG and Task Forces : The online meeting on 11th May Meeting was attended by IADVL President (Dr Rajeev Sharma), President Elect (Dr Vinay Singh), Honorary Secretary General (Dr Bhmesh Kumar Katakam), Treasurer IADVL (Dr Kavitha SB), IADVL Academy Chairperson (Dr Sunil Dogra) & Convener (Dr Nilay Kanti Das), Joint Conveners (Dr Manas Ranjan Puan & Dr Vinay K) and Academy members (2025) along with the Coordinators and Conveners on SIGs and Task Forces

Dr Nilay Kanti Das, convener, IADVL academy welcomed everyone and requested Dr Sunil Dogra, chairperson, IADVL academy to deliver the welcome address. Following that, the welcome remark was delivered by Dr Rajeev Sharma, President IADVL and Dr Bhmesh Kumar Katakam, Honorary Secretary General IADVL.

Dr Soumya Jagadeesan & Dr (Col) Vinay Gera (The SIG and Task Forces Coordinators) then coordinated the presentation by the SIGs and the 4 task forces.

The Road map of each SIG and Task Forces for the year 2025 was discussed in details and inputs and critical appraisals were provided by the meeting attendees.

The meeting ended with the Vote of Thanks by Dr Nilay Kanti Das (Convener, IADVL Academy)

IADVL Research Grant Jury Meeting : The Research grant jury meeting was held in 1st June 2025 and the meeting was attended by IADVL President (Dr Rajeev Sharma), President Elect (Dr Vinay Singh), Honorary Secretary General (Dr Bhmesh Kumar Katakam), Treasurer IADVL (Dr Kavitha SB), IADVL Academy Chairperson (Dr Sunil Dogra) & Convener (Dr Nilay Kanti Das), Joint Conveners (Dr Manas Ranjan Puan &

Dr Vinay K) and Academy members (2025) apart from Research Grant Jury members.

Dr Nilay Kanti Das, convener, IADVL academy welcomed everyone and requested Dr Sunil Dogra, chairperson, IADVL academy to deliver the welcome address. Following that, the welcome remark was delivered by Dr Rajeev Sharma, President IADVL and Dr Bhumesh Kumar Katakam, Honorary Secretary General IADVL.

Dr Vishal Gupta & Dr Biswanath Behara (Research Grant Coordinators) then coordinated the presentation by the Principal Investigator (PI) and subsequent discussion by the jury.

This time the research grant evaluation was modified by allowing the PI (or the nominee of PI) to present the research proposal via online platform, following which the jury sought clarification from the PI. Each proposal was scored in real time by the jury after each presentation and the score was collated by the system in Academy Central.

The meeting ended with the Vote of Thanks by Dr Nilay Kanti Das (Convener, IADVL Academy)

IADVL Observership & Training 2025-26

-Dr. Parul Verma and Dr. Pragya Nair, (IADVL Observership/Training Coordinator)

This program continues to attract young dermatologists nationwide.

Observership Programs 2025:

IADVL Observerships for duration of 4 weeks (with a stipend), for IADVL LMs or PLMs aged less than 35 years and for duration of 2 weeks (without a stipend), for IADVL LMs aged 35 years or above are offered at approved centers.

Courses Offered: Lasers, Aesthetic Dermatology, Dermatosurgery, Hair Transplant Surgery, Dermoscopy, Trichology, Pediatric Dermatology, Dermatopathology, HIV Medicine, Leprosy, Phototherapy, Urticaria.

Among a total of 244 applicants (230 <35 years, 14 >35 years), total of 92 (81 <35 years with stipend INR 15,000; 11 >35 years) were allocated. An email with the details of candidates, feedback form was sent to the course directors and of the course details, consent form, feedback form are sent to all the candidates. A WhatsApp group is created to ensure ease of communication and address queries from

course directors and observership candidates. Out of 92 candidates, till date 29 have completed the course (26 <35 years, 3 >35 years). Their details after receiving all the relevant documents have been forwarded for completion certificates.

- **Program updates:**

- Increase in stipend amount to INR 15,000.
- Mandatory life membership before joining.
- Creation of WhatsApp groups for ease of communication.
- Consent forms and course completion certificates standardized.

Training Programs 2025:

- Training courses span over 4 months with a stipend of 30,000 INR per month.
- **Courses offered:** Pediatric Dermatology, Dermatopathology, Procedural Dermatology, Hair Restoration.
- Applications for 2025 Training Course were invited in December 2024.

IADVL International Dermatopathology Observerships

Dr Rhea Ahuja completed the six-week training at the University of California, San Francisco (UCSF) from May 1st to June 13th, 2025 under the mentorship of Dr. Philip LeBoit. She has submitted the completion certificate, and the scholarship amount was disbursed.

IADVL Academy Publications

-Dr Dharshini Sathishkumar (IADVL Publication Coordinator)

The IADVL Academy has been actively contributing to dermatological science through publications, consensus statements, and guidelines. Below are the major highlights from 2024-25:

- Books by SIG/Task Force and under IADVL are in progress.
 1. Traditional Immunosuppressive Agents, Biologics, and Small Molecules in Pediatric Dermatology
 2. IADVL Textbook of Pediatric Dermatology
 3. IADVL Textbook of Dermatoses of Skin of Color
- Consensus/Recommendations Published or in Editorial process:
 - Evidence-Based Recommendations for Managing Atopic Dermatitis in Pediatric Patients: A Systematic Review and Meta-Analysis (International Journal of Dermatology, July 2025).
 - Standardizing the Diagnosis and Management of Atopic Dermatitis in India: A Consensus Statement (STAND AD) – Accepted in IJDVL.
 - Consensus Guidelines – Academy Reviewed (being Submitted for Publication to Journals)
 - Guidelines for Management of Complications in Aesthetic Procedures – Part 1 and 2 (SIG Aesthetics).
 - Consensus statement on the management of chronic pruritus in the Indian Real-World Setting (SIG Pruritus).
 - Updates in the management of rosacea (SIG Acne).
 - Topical therapy in acne – What's new? (SIG Acne).
 - Delphi Consensus Recommendations on Mild to Moderate Psoriasis: Role of Topical Therapies and Phototherapy (SIG Psoriasis).

- Consensus-based guidelines for surgical management of vitiligo from Indian experts (Vitiligo Task Force)
- Consensus Guidelines for Diagnosis and Management of Cutaneous Non
- Tuberculous Mycobacterial Infections (SIG NID).
- In Pipeline:
- Guidelines on alopecia areata (SIG Trichology and SIG DCR).
 - Positional statement on regenerative therapies in trichology (Regenerative Medicine Task Force).
- Additionally, the SIG Pediatric Dermatology newsletter received Academy approval in February 2025.

IADVL Postgraduate Activities

- Dr. Hima Gopinath and Dr. Chethana SG (IADVL Post Graduate Activities Coordinator)
- Multiple PG-oriented programs were conducted.
- DERMACON 2025, Jaipur: 26 applications, 10 selected; three awards announced with similar prize distribution.
 - Upcoming: MIDDERMACON 2025 with paper and poster sessions

Thesis Grants:

- 2024: 66 applications, 26 selected (one later withdrew after ICMR funding).
- 2025: 34 applications, 25 selected; each awarded INR 50,000.

IADVL Scholarships

Coordinated by Dr. Hima Gopinath and Dr. Cheena Langar, IADVL has supported members through national and international scholarships.

2024 National Scholarships:

MIDDERMACON 2024: 30 scholarships announced (10 each for LMs >35, LMs <35, PLMs); 27 applications, 27 awarded.

2024 International Scholarships:

- **ADC (Shanghai):** 20 scholarships of INR 50,000 announced; 1 awarded.
- **EADV Amsterdam:** 20 scholarships of INR 50,000; 20 selected, 17 completed participation.

2025 National Scholarships:

- **DERMACON 2025:** 30 scholarships (10 each for LMs >35, LMs <35, PLMs); 143 applications, 100 selected.
- **SARCD XIII, Mangalore:** 60 scholarships of INR 15,000 each; 80 applications, 44 awarded.

2025 International Scholarships:

1. AAD-IADVL scholarships of INR 50,000 each announced, 4 candidates selected.
2. AAD (Orlando): Reciprocal registration scholarships; 2 candidates selected.
3. ICD (Rome): 20 scholarships of INR 50,000 each; 41 applications, 20 awarded.
4. ILC (Bali): 20 scholarships of INR 50,000 each; all awarded.
5. AAD 2026 (Denver): Reciprocal and Strauss-Katz scholarships; 2 selected in each category.
6. EADV Paris 2025: 20 scholarships of INR 50,000 each; 17 applications received.

IADVL Research grant report:

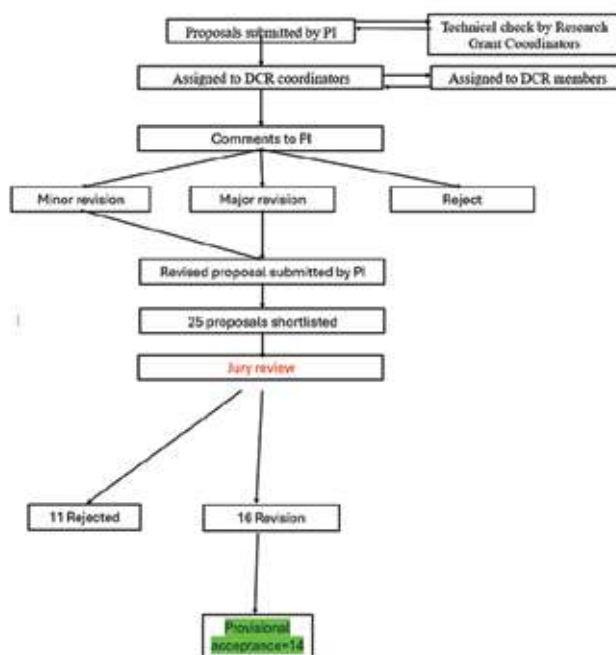

-Dr Vishal Gupta, Dr Biswanath Behera (IADVL Research Grant Coordinator)

Summary of Research Projects Utilization 2020-2024:

- Research Projects sanctioned:
2020: 9; 2021: 12; 2022: 7; 2023: 8; 2024: 16
Total: 52
- Total Research Grant sanctioned/disbursed (in INR):
2020: 40,04,073 / 37,57,323; 2021: 56,46,244 / 18,94,250; 2022: 44,53,750 / 34,28,750; 2023: 49,73,800 / 30,07,600; 2024: 1,06,71,995 / 42,29,248
Total: 2,97,49,862 / 1,63,17,171
- Research project on Tract/Completed Successfully
2020: 2/5; 2021: 4/0; 2022: 6/0; 2023: 7 / 0; 2024: 15 / 0;
Total: 34 / 5
- Submitted manuscript to the journal
2020: 3; 2021: 0; 2022: 0; 2023: 0; 2024: 0
Total: 3
- Published
2020: 3; 2021: 0; 2022: 0; 2023: 0; 2024: 0
Total: 3

As per decision taken in IADVL Academy meeting 2024 and 2025 along with IADVL EC, any Investigator who default on IADVL Research Grant Projects will not be considered for future IADVL Research Grants and other IADVL Member benefits.

Research Proposals for year 2025 Pathway:

Webinars

-Dr Sahana Srihari (IADVL Webinar Coordinator)

The focus of this year was on both off-line and online seminar and workshops. The webinars hosted during the quarter is enumerated as follows

Event Date: 16th April

Title: World Vitiligo Day

Time: 9am – 5pm

Registrants: 1214

Attendees: 719

Event Date: 16th April

Title: SIG Dermoscopy- Applied Dermoscopy

Time: 8:00 PM – 9:30 PM

Registrants: 458

Attendees: 262

Event Date: 21st April

Title: Regenerative Medicine Task Force

Time: 8:00 PM – 9:30 PM

Registrants: 292

Attendees: 113

7. Event Date: 25th April

Title: SIG STI/HIV/AIDS Genital Dermatoses

Time: 8:00 PM – 9:30 PM

Registrants: 297

Attendees: 148

Event Date: 8 May

Title: Common clinical riddles in Pediatric Dermatology

Time: 8:00 PM – 9:30 PM

Registrants: 728

Attendees: 335

Event Date: 10th June

Title: SIG Dermoscopy- ISS

Time: 8:00 PM – 9:30 PM

Registrants: 256

Attendees: 132

Event Date: 21st June

Title: World Prurigo Day

Time: 8:00 PM – 9:45 PM

Registrants: 433

Attendees: 210

Event Date: 28 June

Title: Atopic Dermatitis

Time: 7:30pm - 10 pm

Registrants: 252

Attendees: 104

Event Date: 29 June

Title: SIG Leprosy and NTDs

Time: 8:00 PM – 9:30 PM

Registrants: 193

Attendees: 122

Event Date: 6 July

Title: Injectable in clinical practice

Time: 10:30 am- 12:17 pm

Registrants: 512

Attendees: 209

Event Date: 15th July

Title: Smart Skin: AI innovations in cosmetic dermatology

Time: 7:30 PM – 9:05 PM

Registrants: 126

Attendees: 71

Event Date: 28 July

Title: CPC and best practices in spotters in Dermatology

Time: 8:00 PM onwards

Registrants: 478

Attendees: 336

Online Training Module

Recording has been completed for :

1. Dr. Ashique KT
2. Dr. M Sendhil Kumaran
3. Dr. Pooja Arora Mrig
4. Dr. Asit Mittal
5. Dr. Suneil Gandhi
6. Dr. Geeti Khullar
7. Dr. Kabir Sardana

Scientific Program at National Conferences

MIDDERMACON, Surat 2025

SIG Acne and Appendageal Diseases and SIG LASERS will be organizing their sessions at MIDDERMACON 2024. They have finalized the scientific program, the same has been approved by the IADVL EC and the program has been communicated to the organizers. Selected 10 candidates will also present their thesis work in the PG thesis-based award paper session and 3 candidates in PG Thesis based e-poster award at MIDDERMACON 2025. Details are announced in IADVL website (<https://www.iadvl.org/announcements/announcement-details?id=6868e9320f0302883849f2bf>)

Academy members, shortlisted topics for two Academy focus sessions and applications were invited from IADVL members for these sessions on 7th June 2025. The evaluation was done by the academy members and the results are as follows:

Academy session 1

Debates: Precision medicine in dermatology: Hype or boon? 30 mins

- a. Dr Manish Khandare (against)
- b. Dr Kaleem Khan (in favor)

Panel Discussion: Navigating post-graduation to early career in Dermatology 35 mins

Dr Anuradha Babu (moderator)

Panelists: Dr Pankaj Das, Dr Atreyo Chakraborty, Dr Ruchi Hemdani, Dr Monal Sadhwani,

Practice Pearl: 12 mins

TB and Hepatitis Screening before Biologics/ ISA – Practical pathways

Dr Malcolm Pinto

How to manage? 12 mins

Post Acne Sequelae: Dr Pravesh Valecha

Academy session 2

Debates: Biologics vs cDMARDs in Psoriasis: Which to choose? 30 mins

- Dr Gaurav Dash (against)
- Dr Priyansh Gupta (in favor)

Panel Discussion: WhatsApp to AI: How Dermatology is changing 30 mins

Dr Priyansh Gupta (moderator)

Panelists: Dr Jansi Priyadarshini, Dr Mandeep Bhukar, Dr Neha Fogla, Dr Yashashree, Dungarwal, Dr Teghveer Singh

Practice Pearl: 10 mins

Vaccines in Dermatology Practice: what we must know?

Dr Kinjal Rambhia Gulati

How to manage?

Perianal Pruritus: Dr Neha Jangid 10 mins

Scarring Alopecia: Dr Nirupama Tatavarthi 10 mins

IADVL SIG Activities

- Dr Soumya Jagadeesan, Dr Vinay Gera, IADVL SIG coordinators

The activities of SIGs in the present quarter is enumerated below

SIG Acne and Appendageal Disease

-Dr Sanjay Kumar Rathi, Coordinator; Dr Abhineetha Hosthota, Convener

From March 5th to April 3rd, 2025, the SIG under ACAD google groups conducted weekly case-based discussions. These sessions were facilitated by Dr. Sanjay Rathi, Dr. Nina Madnani, Dr. Gulrez, and Dr. Nidhi. Academy members actively participated, contributing to interesting and productive discussions.

CME conducted: Bathinda

- CME on “Navigating Acne & Appendageal Challenges in practice”
- Venue & date of event – Auditorium, All India Institute of Medical Sciences, Bathinda , on 3rd August 2025
- Collaborating SIG/Task Force/ Society (if any) SIG Acne and appendageal disorders, IADVL EC, IADVL Academy, IADVL Punjab, Chandigarh & Himachal Pradesh states branch.
- The CME was attended by 92 delegates in person

CME conducted: Bangalore

- CME on Active Acne & Appendageal disorders Management to scar resolution : optimizing outcomes. 6th July, 2025.
- SIG SUMMIT- CME cum workshop in collaboration with SIG Lasers
- CME points - 02
- Collaborating SIG/ Society- SIG Acne and appendageal disorders, IADVL Karnataka, Bangalore dermatological society & SIG Lasers
- The CME was attended by 162 delegates in person

CME conducted: Guwahati

- CME on Active Acne & Appendageal disorders Management to scar resolution : optimizing outcomes , 28th June, 2025.
- Collaboration: NE states branch of IADVL .
- The CME was attended by 60 delegates in person

From March 5th to April 3rd, 2025, the Academy under ACAD google groups conducted weekly case-based discussions. These sessions were facilitated by Dr. Sanjay Rath, Dr. Nina Madnani, Dr. Gulrez, and Dr. Nidhi. Academy members actively participated, contributing to interesting and productive discussions.

PUBLICATION

	Type of publication	Proposed Title	Proposed Authors from SIG side	First Draft by
1.	Review	“Topical Therapy in acne: what’s new”	Dr Pooja Bains, Dr gulrez, Dr vivek, Dr Surabhi, Dr Nisha, Dr Sanjay Rath, Dr Abhineetha	Sent to Postgraduate Journal of Dermatology Under review
2.	Review	Update on rosacea	Dr Shivangi, Dr Kavita, Dr kavya, Dr Nina, Dr nidhi, Dr Rochelle, Dr Sanjay Rath, Dr Abhineetha	Sent to IDOJ Under review
3.	Delphi	Expert Delphi Consensus on acne	Dr Sanjay Rath Dr Abhineetha Hosthota	Manuscript formatting
4.	Newsletter	Sig acne & Appendageal disorders	Dr Nidhi Shah & Dr Gulrez	Published
5.	Systemic Review on Bromhidrosis	With SIG DCR	Dr Sanjay Rath & DR Firoz	Under process

SIG Pediatric Dermatology

-Dr Divya Gupta, Coordinator; Dr Liza Mohapatra, Convener

9. 12th july press meet done at Patna, Bihar on international book of record attempt for the maximum number of pan india free skin health camps and awareness on skin/hair/nail&genital health
10. 13th july pan india free skin health camps done, 752 camps,1432 dermatologists, 45903 patients seen
11. International book of records achieved
12. Mission prison camps 45+(from march 2025 till date)
13. Chalo pathsala camps 63+(from march 2025 till date)

IADVL CONSTITUTION COMMITTEE

(1st April to 15th July 2025)

Dr. V.K. Sharma
Chairperson

Dr. Vikas Shankar
Convener

Formation and First Steps:

The IADVL Constitution Committee was formally constituted this year under the guidance of the Honorable President and Hon. Secretary General and Executive Committee (EC) of IADVL. Immediately after its formation, an official WhatsApp group of all members was created to ensure smooth, transparent, and real-time communication.

On 16th February 2025, a joint meeting was held with the IADVL Executive Committee. During this meeting, Dr. Vikas Shankar (Convener) and Dr. V.K. Sharma (Chairperson) presented the roadmap of the Constitution Committee, reaffirming our collective commitment to serve the association by addressing constitutional matters within a defined timeframe.

Commitments and Work Delivered

The Committee has pledged to deliver considered and consensus-based opinions on all matters referred to it by the IADVL President, General Secretary, or Executive Committee. Importantly, we resolved to respond without delay, with a standard turnaround of 48–72 hours.

Since its inception, the Committee has:

Received the Central Council meeting proposals, on which the Honorable Secretary General sought the Committee's opinion on select constitutional matters. The IADVL Constitution Committee deliberated and delivered its opinions on all such proposals within the stipulated time frame.

Provided deliberated opinions on 5–7 important proposals referred by the Honorable General Secretary and the Honorable President.

Ensured all responses were finalized and submitted within 48 to 72 hours, maintaining both accuracy and efficiency.

Supported the Executive Committee by offering constitutional clarity wherever needed, ensuring smooth governance in line with the IADVL Constitution.

Future Plans

To strengthen constitutional awareness among members, the Committee has outlined several initiatives:

1. Constitution Quiz

A planned IADVL Constitution Quiz will be organized for both Life Members and Provisional Life Members.

The goal is to enhance understanding of how the Constitution functions and to create wider awareness of members' rights and responsibilities.

2. "Know Your Constitution" Campaign

After every Central Council (CC) meeting 2025, the Committee will release concise educational cum awareness posters highlighting key constitutional provisions.

This initiative aims to bring the Constitution closer to every member in a simple, accessible format. Guiding Principle The Constitution Committee reaffirms that it remains fully committed to:

Upholding the sanctity of the IADVL Constitution, Serving the members of IADVL with diligence, and Delivering timely, transparent, and accurate opinions whenever constitutional matters are referred.

IADVL'S ANTI-QUACKERY, LEGAL, AND ETHICS COMMITTEE

(1st April to 15th July 2025)

Dr. Rajetha Damisetty
Chairperson

Dr. Amarendra Pandey
Convener

Anti-quackery committee:

Over 450 complaints were lodged by IADVLites using the google form that was uploaded on the IADVL website and circulated in numerous dermatology whatsapp groups. Over 100 complaints were processed and sent to respective medical councils and state clinical establishment regulatory authorities such as CMOs, CMHOs and DM&HOs based on the nomenclature in each state. Two clinics were closed down for good following our complaints. Other complaints could not be followed up due to the lack of pan-Indian district level anti-quackery cadre.

Dr Rajetha Damisetty, the chairperson, appeared in an hour long interview on 5th May, 2025 on Aadhan TV, a youtube channel. The video had over two lakh views and led to a social media furore with numerous dentists making verbal attacks on various social media channels on dermatologists in general and Dr Rajetha in particular. After tens of videos and thousands of comments, many highly objectionable and some obscene, a FIR was lodged against the main miscreants in the cybercrime department and representation submitted to the Telangana medical council (TGMC) and dental council (TGDC). On 12th May, 2025, a demonstration of solidarity and resolve was made by close to a hundred IADVLites who assembled in the Cyberabad police Commissionerate. This was followed by a well-attended press conference on 13th May 2025 that led to extensive press coverage in Telangana regarding the magnitude and public health implications of quackery.

The Telangana dental council issued a notice (Lr. No. 042/Ethics-Notice/1GDC2025) that stated that “dental surgeons shall name and style the establishment only as a Dental Clinic” and warning dentists that calling themselves cosmetologists would attract penal action. Telangana medical council also issued two long awaited notices in May and June 2025 including one that mentioned that MDS OMFS holders are not eligible to perform hair transplantation and facial aesthetic procedures. This notice is expected to have a positive impact in the two ongoing cases in Madras and Bombay high courts.

IADVL successfully submitted a complaint through a Bangalore advocate in Karnataka medical council against a high profile doctor who is self-proclaimed “celebrity dermatologist” in spite of her lack of a NMC recognised postgraduate degree in dermatology.

Legal aspects:

Letters were sent to various authorities including the NMC regarding the training institutes like ILAMED and COCTRASI which have played a major role in propagating quackery in India. IADVL has been named a respondent in the ongoing case regarding dentists performing hair transplantation in the Bombay High Court. A lawyer was hired through the good offices of Dr Amarendra Pandey, the convener as IADVL did not have a legal firm on a retainer agreement.

A legal notice was sent to HK clinics based in Hyderabad for unauthorised usage of IADVL logo and other unethical acts showcased in their instagram post.

Ethics related activities: Show cause notices were sent to IADVLites who were found to be flouting the medical code of ethics and creating a bad precedent to young dermatologists and promoting self treatment and promoting quackery. This is an unprecedented move for IADVL and followed the ratification of the social media etiquette guidelines by the IADVL GB in February 2025.

Personal attacks on AQCLEC members:

During this quarter, members of the committee were subjected to unfortunate attacks and malicious false propaganda as a direct consequence of their IADVL committee work. Dr Amarendra Pandey faced multiple RTIs and harassment in terms of legal notices for his anti-quackery work. Dr Rajetha Damisetty received personal legal notices from IADVLites who received show-cause notices from IADVL and was targeted by a senior member of IADVL. DR Avinash Pravin also faced cyber threats from dentists and an IADVLite who was accused of unethical practices and supporting quackery. All of them faced courageously handles the lamentable personal attacks in spite the lack of a IADVL lawyer or a formal communication to support them.

IADVL'S WEBSITE UPDATE COMMITTEE

(1st April to 15th July 2025)

Dr. Rasya Dixit

Chairperson

Dr. Fabin Thanveer

Convener

We're happy to share that our content creation efforts are going strong. A dedicated content creator is now onboard, ensuring regular uploads to keep our website informative and engaging.

The following new topics are now live on the website: Eczema, Nail Disorders, Impetigo, Scabies, Bullous Skin Disease, Alopecia Areata, Acne in Adolescents, Facial pigmentation, Premature greying of hair, Myths about vitiligo, Laser hair reduction, Chemical peels, Hyperhidrosis, Skin tags, Freckles, PCOS and your skin, Pregnancy and your skin.

Clinical photographs from various medical colleges have been collated, tagged, and been approved by the Executive Committee for the website. These will soon enhance the IADVL Main Site and IADVL Public Site, making our resources even more valuable.

Our new member app, Communa, continues to grow with 2074 total downloads so far. This shows our members' enthusiasm for connecting and accessing resources on the go.

We'll continue to focus on consistent updates, visually rich content, and wider member engagement to make our digital presence stronger than ever.

IADVL'S HEADQUARTER COMMITTEE

(1st April to 15th July 2025)

Dr. Amit Malhotra
Chairperson

Dr. Himanshu Gupta
Convener

27 APRIL, 2025 – EC MEETING

A significant meeting of National IADVL Executive Council was held at IADVL Headquarters on 27th April 2025.

The meeting was attended by President Dr. Rajeev Sharma, Immediate Past President Dr. Manjunath Shenoy, President-Elect Dr. Vinay Singh, Vice Presidents Dr. Akshay Jain and Dr. AJS Pravin, Honorary Secretary General Dr. Bhumes Katakam and Treasurer Dr. Kavitha. Also present were Honorary Secretary General-Elect Dr. Sheetal Poojary, Treasurer-Elect Dr. Prashant B. Jadhav, Joint Secretaries Dr. Rajiv Ranjan and Dr. Shruthi, and Dr. Himanshu Gupta, Convenor of the HQ Committee.

The meeting was further supported by HQ staff, including Mrs. Tanu, Ms. Hina, and Mr. Bisht. Discussions focused on ongoing initiatives, upcoming projects, and collaborative efforts to advance the organization's objectives.

1 JUNE, 2025 – IADVL ACADEMY MEETING

Meeting of IADVL Academy was held at IADVL Headquarters on 1st June, 2025.

The meeting was attended by President Dr. Rajeev Sharma, President-Elect Dr. Vinay Singh, Honorary Secretary General Dr. Bhumesh Katakam and Treasurer Dr. Kavitha. Also present were Academy Chairperson – Dr Sunil Dogra, Academy Convenor - Dr Nilay Kanti Das, Joint Convenors - Dr Vinay Keshavmurthy and Dr Manas Ranjan Puan, along with other members of IADVL Academy.

Discussions focused on various Academic and SIG activities to be held during the year.

IADVL INTERNATIONAL LIAISON CELL

(1st April to 15th July 2025)

Dr. Sandipan Dhar
Chairperson

Dr. Abhishek De
Convener

1. INTRODUCTION

The IADVL International Liaison Committee (ILC) was formally constituted on February 25, 2025, with the mission to expand IADVL's international footprint, promote academic exchange, and establish meaningful partnerships with dermatology societies worldwide. Since our inception, we have steadily moved from planning to implementation, conducting high-impact academic webinars and initiating liaison and fellowship proposals with several global societies.

2. COMMITTEE MEETINGS AND OPERATIONS

Since its formation, the ILC has conducted:

- ✓ One full-board meeting (on February 28, 2025) to outline the vision and operational framework.
- ✓ Multiple subgroup meetings and coordination sessions for individual webinars and society liaisons.
- ✓ An official email ID was created (iadvlinternational@gmail.com) to streamline and professionalize communication with international faculty and organizations.

3. WEBINARS CONDUCTED

We successfully organized six international academic webinars under the ILC banner, featuring renowned global experts and panelists:

Date	Speaker	Country	Institution	Topic
15th May 2025	Prof. Mark Koh	Singapore	KK Women's & Children's Hospital	Vascular Anomalies: Newer Concepts
18th July 2025	Prof. Mark Koh	Singapore	KK Women's & Children's Hospital	
22nd July 2025	Dr. Hugh Cartier	France		A joint session with IMCAS, Paris Dermatology and Dermatosurgery: Where the twin meet

28th July 2025	Prof. Diamant Thaci	Germany	University of Lübeck	Role of JAK Inhibitors in AD
1st August 2025	Prof. Amy Paller	USA	Northwestern University	Newer Therapeutics for Pediatric Psoriasis
8th August 2025	Prof. Elena Pope	Canada	University of Toronto	Mycosis Fungoides in Children

Each session included a 25–30-minute keynote lecture followed by a moderated panel discussion with participation from Indian and international faculty, offering evidence-based, multidisciplinary insights.

4. UPCOMING FINALIZED WEBINARS (AUGUST–SEPTEMBER 2025)

The following ILC webinars are confirmed and scheduled for the near future:

Date	Speaker	Country	Topic
22nd August 2025	Prof. Aarti Nanda	Kuwait	Cutaneous Lupus Erythematosus and its relationship to Systemic Lupus Erythematosus
6th September 2025	Dr. A. Ramanan	UK	Pediatric Vasculitis
10th September 2025	Dr. Suzanne Keddie	UK	GADA: Goals, Targets and Scope
17th September 2025	Dr. Siba P Raychaudhury	USA	Limitations of JAK Inhibitors
23rd September 2025	Dr. Christian Vestergaard	Denmark	AD Management During Pregnancy

Each upcoming session is carefully curated to bring in global perspectives on emerging dermatological challenges, with active panel participation from senior IADVL members.

5. PROGRESS ON INTERNATIONAL LIAISONS AND FELLOWSHIP INITIATIVES

A. SOCIETY-LEVEL COLLABORATIONS

We are in active discussions with several dermatology societies for exchange and academic partnerships:

- Kuwait Society of Dermatology
- Malaysian Dermatological Society
- Danish Dermatology Society

The focus is on resident exchange programs and short-term fellowships, for which IADVL will support selected candidates through grants, with hosting institutions expected to waive registration or tuition fees.

B. FELLOWSHIP PROGRAM IN EVIDENCE-BASED DERMATOLOGY

Following outreach by Dr. Saumya Panda, a positive response has been received from Prof. Robert Dellavalle (USA, University of Minnesota) to host IADVL-selected candidates for a fellowship in Evidence-Based Dermatology. The structure and timeline are currently under development.

C. ONGOING COLLABORATION WITH GRAPPA

We are working with GRAPPA (Group for Research and Assessment of Psoriasis and Psoriatic Arthritis) to develop scholarship opportunities for Indian dermatologists. Further announcements will be made after internal review and planning.

6. STRUCTURAL AND STRATEGIC DEVELOPMENTS

- The ILC official email (iadvlinternational@gmail.com) is operational.
- SOP review is underway for procedural consistency.
- Internal sub-groups are managing webinars and society liaisons effectively.

7. SUMMARY OF KEY MILESTONES (FEB–JULY 2025)

- ✓ 5 high-quality webinars with participation from globally renowned dermatologists
- ✓ 5 additional webinars finalized for Aug–Sept
- ✓ Outreach to 5 international societies for liaison or fellowship collaborations
- ✓ One proposed international fellowship program in progress (EBD with Prof. Dellavalle)
- ✓ Communication infrastructure established
- ✓ Strong internal coordination and execution framework built

8. CONCLUSION & NEXT STEPS

In the first six months of its operation, the IADVL ILC has laid a strong foundation for sustained international engagement and academic enrichment. With regular webinars, new collaborations, and growing interest from global dermatology leaders, IADVL is rapidly emerging as an active partner in the international dermatology arena.

IMMEDIATE PRIORITIES:

- Formalize and announce fellowship and exchange programs
- Follow up on MoUs with Kuwait, Malaysia, and Denmark
- Continue monthly webinar series with broader regional representation
- Launch social media and podcast outreach

We thank the President, Hon. Secretary General & entire IADVL EC, ILC members, and international faculty & all IADVLites for their unwavering support in making this vision a reality.

MENTORSHIP COMMITTEE

(1st April to 15th July 2025)

Dr. Saloni Katoch
Chairperson

Dr. Kinnor Das
Convener

- **Form Release and Submissions:** Application forms for the mentorship program were released and received an encouraging response, with 81 submissions from prospective mentees.
- **Evaluation and Matching:** The committee has completed the evaluation of all submissions. Mentor mentee matching has been done based on the scores and mentor choices provided by the candidates. In instances where a mentee declines the assigned mentor, the pairing will be reassigned to the next eligible candidate.
- **International Mentorship:** We also need to revisit and advance discussions around the International Mentorship component that was brought up during the recent meeting.
- **Program Commencement:** The mentorship program is scheduled to officially commence on August 15, 2025, following the confirmation of all mentor-mentee pairings.

NATIONAL RESIDENTS COMMITTEE

(1st April to 15th July 2025)

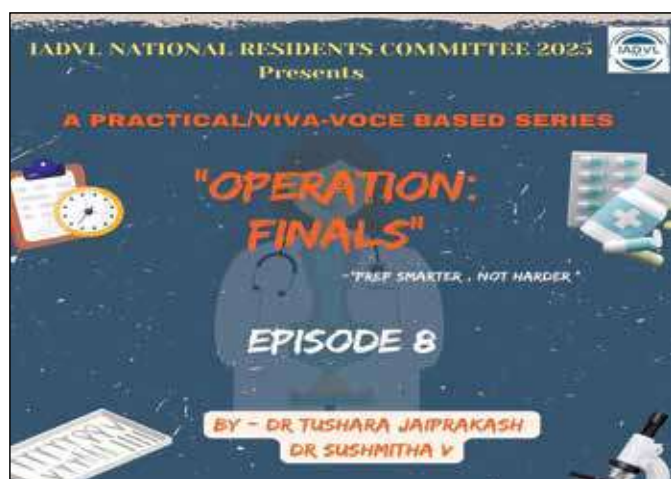

Dr. Bhumesh Kumar K
Chairperson

Dr. Rahul Nayak
Convener

1. Committee formation:

- PG representatives were chosen from each college across India
- Online Instagram academic series - Operation Finals, The Drug Diaries

4. World Vitiligo Day - Reels making competition

- World Skin Health Day - Awareness Campaigns about Skin Health and Quackery
- IADVL Residream Magazine - Design and editing

Service to IADVL

IADVL Journals

Editor-In-Chief, Indian Dermatology Online Journal (2022-24)

Associate Editor IJDVL (2014-16, 2020)

Expedited publication timelines.

Onboarded many of our younger colleagues as reviewers and editorial board members. Balanced with senior experts to enable mutually learning and growth.

Rewarded researchers and reviewers with excellence certificates.

IADVL Academy

Worked as Chairperson (2018-19) and Convener (2016-17).

Organized and formulated SOPs for many academic programs.

- President, IADVL Andhra Pradesh Branch 2015
Received the IADVL Best Branch Award for 2015
Mentored many young members to get involved in IADVL activities
- Chairperson, Dermazone South Conference 2015
Formulated the SOP for Dermazone South for the first time
- First Chairperson, IADVL Quiz Committee 2013
Led the quiz committee to establish an SOP and standard format with the help of IADVL EC.

- Member, IADVL Constitution Committee
Helped restructure the Constitution (2021- 2024)
- Member, IADVL Finance Committee (2019, 2022-23)

Vision

If given opportunity, I will lead with clarity and collaboration.

- Fostering leadership by nurturing talented youth
More platforms and opportunities to our young colleagues
Half of the nominated positions to our young talent, who wants to contribute to IADVL
- More women dermatologists in leadership
- Systematic multipronged approach to anti-quackery efforts
Provide strong legal support
Approach government regulatory bodies for stricter implementation
Bring awareness among public through state bodies
- Impactful conference reforms
Reduction of registration fees and optimizing accommodation costs
More scholarships to benefit more members
Close monitoring and scrutiny of all conference accounts
One-presentation-per-faculty in national conferences to provide opportunities to more members
- Every decision is made with consultation and consensus
Digital portal will be launched to streamline volunteer sign-ups for all activities
- Formation of technical advisory task force to safeguard our procedural practice
Guidance for minimum technical specifications, vendor credibility checks, mandatory warranty and service agreements.
Prepare standard MOU for vendors to ensure accountability, refunds and replacements in case of defective equipment.
Comparative specifications for technologies from various companies by a team of experts

WELFARE SCHEMES OF IADVL - BENEVOLENT FUND, ACCIDENT FUND. DVL WELFARE TRUST

IADVL WELFARE SCHEMES

IADVL is glad to introduce two welfare schemes for the benefit of IADVL members. The schemes are intended to foster goodwill among members and thereby make the association more popular and purposeful. The schemes are as below:

- * **BENEVOLENT FUND**

- * **PERSONAL ACCIDENT RELIEF FUND**

IADVL also has an on-going PROFESSIONAL INDEMNITY INSURANCE POLICY for financial protection against any medicolegal claims. Each of the above is to help and benefit IADVL member during any personal crisis or tragedy. Both these funds are through internal accrual while Professional Indemnity is in association with National Insurance Company limited.

IADVL BENEVOLENT FUND

IADVL Benevolent Fund is to extend solace and support to IADVL members who have undergone the misfortune of being afflicted by serious disability/prolonged illness. The disability or ailment should be due to diseases or mishaps that are not self-inflicted. The intent of the fund is to provide emotional and financial assistance and a helping hand at a critical time. The objectives of this scheme will be to provide financial support to the deserving members in the case of invalidation or in the event of their suffering any injury or physical disability or unforeseen misfortunes like prolonged sickness leading to premature retirement. The support will be extended in the form of one-time payment to a maximum of Rupees 2 lakhs per member as per set guidelines.

Following is the list and definition of critical illness/disability eligible for grant of Benevolent Fund:

1. Stroke resulting in paralysis: Defined as a cerebrovascular accident or incident producing neurological sequelae of a permanent nature, having lasted not less than six months.
2. Chronic renal Failure: End stage kidney failure presenting as chronic irreversible failure of both kidneys to function, as a result of which regular renal dialysis is initiated or renal transplantation carried out.
3. Major Organ Transplant: The actual undergoing of a transplant as a recipient of one of the following human organs: (a) Kidney, (b) Lung(s), (c) Liver, (d) Heart, (e) Bone marrow
4. Blindness: The total, permanent and irrecoverable loss of the sight of both eyes.
5. Major Burns: Third degree burns covering more than fifty percent (50%) of the Life Assured's body surface area
6. Amputation of limb: Amputation of one or more limbs warranted due to conditions other than accidents.
7. Any other medical conditions deemed to result in a permanent or partial disability / COVID 19 infection requiring intensive unit care.

IADVL PERSONAL ACCIDENT RELIEF FUND

The personal accident relief scheme is no longer there

MODE OF DISBURSEMENT OF BENEVOLENT FUND & PERSONAL ACCIDENT RELIEF FUND

Aggrieved member can send the duly filled application form, with bills, hospital summary etc through their branch /City unit to State President/Secretary who shall forward to IADVL President/Hon. General

Secretary. Upon receipt of the application an Expert Committee duly authorised by the IADVL Executive Committee headed by the President of IADVL shall evaluate and approve the same based on the merit of the case. The approved fund can be electronically transferred only in the name of the affected member whose PAN card is verified.

Mutual benefit scheme of IADVL – The DVL Welfare trust

Introduction: IADVL has launched a mutual benefit scheme coupled with professional legal protection in 2011 and named it DVL welfare trust. It is one of the important financial benefit scheme aimed at securing financial security for the family members of our association. The Executive committee of IADVL urges all its members to join this mutual benefit scheme to make it a successful initiative of IADVL. The details of this welfare scheme are as follows:

DERMATOLOGISTS VENEREOLOGISTS & LEPROLOGISTS WELFARE TRUST (DVL trust)

has been established for the benefit of members of IADVL. The trust has been registered at Vadodara. DVL Welfare Trust is by IADVL, of IADVL and for IADVL ites”.

Aims and objectives of the scheme:

- 1) To provide financial assistance to the family of a member of this scheme in the event of his/her death.
- 2) To inculcate a habit of savings among the members for their mutual benefit.
- 3) An option to provide comprehensive indemnity cover in the event of litigant situations arising out of alleged professional negligence by the members.
- 4) To educate the members, including clinic staff, to prevent any litigant situation and to guide them, how to deal with it in the event of such a situation.

Eligibility of the members: Any life member of IADVL, irrespective of age is eligible to become a Regular Member of the scheme. Family members of Life members of IADVL can also join the scheme as Beneficiary Members. Please note that separate forms need to be filled for each member of a family.

Total Amount Payable at the time of admission:

1. Admission Fees (as per age –given below).
2. Annual Membership Fees Rs. 750. (for the year 2020-2021) Increment of Rs.50/- every year.
3. Advance Fraternity Contribution (AFC) Rs.2000 (Rs Two thousand only) a minimum amount kept with DVL trust towards members future fraternity contributions.

Optional amount to be payable at admission: Member can deposit additional amount of his choice as deposit for future annual contribution. The 4% interest will be credited on deposit amount.

Details of one time Admission fees: The Admission Fees payable shall be based on age in years of the proposed member or their family member who likes to join the scheme, as follows:

- | | |
|-----------------------------|-----------|
| a) Upto the age of 10 Years | Rs. 1,000 |
| b) 11 of 20 Years | Rs. 1500 |
| c) 21 of 30 Years | Rs. 2000 |
| d) 31 of 40 Years | Rs. 3000 |
| e) 41 of 50 Years | Rs. 4000 |
| f) 51 of 60 Years | Rs. 5000 |
| g) 61 of 70 Years | Rs. 7000 |
| h) above 70 Years | Rs. 8000 |

Optional Legal fees for professional indemnity For life members of IADVL who volunteer to have professional legal cover, this option is available. However, they necessarily have to be members of DVL trust as well. Annual legal fee is based as per type of Dermatology practice: a) The Consultant with only office practice will have to pay Rs. 1000/- per year; (B) The consultant with practice of cosmetic, laser & other Dermato surgical procedures will have to pay Rs. 3000/- per year; to cover these procedural events or litigations. The indemnity coverage will be Rs. 7,00,000 (Rupees seven lakhs) per case and Rs. 15,00,000 (Rupees Fifteen lakhs only) aggregate per year.

Member's annual contribution: [a] Annual membership fee of Rs. 750/- (with increment of Rs. 50/- every year). and [b] Fraternity contribution Rs. 500 x N, where N = No. of Death of members) . Plus, Optional professional indemnity annual legal fees, to be paid by those members who opted for professional indemnity. Benefits for IADVL members of DVL trust: 1) Social security to family members: Note: Financial benefits will start after ONE year of joining the scheme. Nominee will get Rs. 450 x N, where N = No. of members of DVL trust. In other words, when more IADVL members join this scheme, more fraternity benefit for members families. 2). Professional legal protection, when applicable, for those members opting for it: Legal help is extended in all types of cases like civil, criminal, labour & consumer redressal fora. For Medico-legal aspect we have successfully negotiated with LegalMD Global Consulting Services Pvt. Ltd. Members can avail the services all over India.

The enrolment form is available on www.dvlwelfaretrust.org

Dr. Chetan N.Patel, Chairman, DVL Welfare Trust

DVL WELFARE TRUST

IADVL has launched a mutual benefit scheme coupled with professional legal protection in 2011 and named it DVL welfare trust. It is one of the important financial benefit scheme aimed at securing financial security for the family members of our association. The Executive committee of IADVL urges all its members to join this mutual benefit scheme to make it a successful initiative of IADVL.

Objectives:

- To provide financial assistance to the family of a member of this scheme in the event of his/her death.
- To extend the same benefit to the family members (Spouse& Children) as beneficiary members.
- To inculcate a habit of savings among the members for their mutual benefit.
- An option to provide comprehensive indemnity cover in the event of litigant situations arising out of alleged professional negligence by the members.
- To educate the members, including clinic staff, to prevent any litigant situation and to guide them how to deal with it in the event of such a situation.

Eligibility of the members: Any life member(LM)of IADVL, irrespective of age, is eligible to become a regular member of the scheme. Family members of LMs of IADVL can also join the scheme as Beneficiary Members.

For further clarifications contact IADVL National HQ. (+918800891111), at administrator@iadvl.org Dr Chetan N Patel at email: dvlwelfaretrust@gmail.com or drcnpatel@gmail.com or Dr. Vineet Relhan (vineetrelhan@gmail.com) or State coordinators.

OBITUARY

CONDOLENCE

Dr. Bharat Shah

With profound grief and sorrow, we share the sad news of the passing of Dr. Bharat Shah, the senior-most dermatologist of Gujarat, on 14th May 2025, at the age of 91. Dr. Bharat Shah was not only an astute clinician but also a revered teacher and academician.

As the Professor and Head of the Department of Dermatology at B.J. Medical College, Ahmedabad from 1966 to 1990, he played a pioneering role in establishing the first recognized dermatology course in Gujarat. Through his unwavering dedication, he nurtured and mentored generations of dermatologists, shaping the field in the state and beyond.

His passing marks the end of an era. The Doyen of Indian Dermatology, Dr. Shah's immense contributions to medical education and clinical dermatology will remain etched in our memories forever.

On behalf of IADVL, we extend our deepest and heartfelt condolences to his bereaved family. Our prayers are with them in this difficult time, and we pray to the Almighty that his departed soul may rest in eternal peace.

With Deepest Condolences,

Dr. Rajeesh Sharma
President, IADVL

Dr. Bhumesk Kumar Katakam
Hon. Secretary General, IADVL
