Center for Women & Children

The Center for Women and Children provides a safe place for women to non-medically detox from alcohol and drugs, where we connect clients with providers who can assess for medically assisted treatment. The 14-day program utilizes a trauma-informed approach and allows women to bring children 10 years old and younger with them.

During their stay, women will have the opportunity to meet with a case manager to discuss their eligibility for substance abuse treatment, as well as get connected to other needed resources. Clients receive three meals a day, access to an outdoor area, and peer support services. Women will be able to attend supportive programming activities, including recovery-focused support groups and working in our onsite garden.

Please call the facility to check bed availability and see if you are qualified for the program. Otherwise, there will be a fee attached with the client's stay. Our Center for Women & Children is located at:

1875 South Redwood Road, Salt Lake City, Utah 84104

For inquiries please call: 801-261-9177 ext. 1

Men's Detoxification

VOA Utah's Men's Detoxification Center is a non-medical and client-centered detox program in a safe and trauma-informed environment where men 18 years and older can manage their intoxication and withdrawal symptoms to prepare them for long term recovery.

Clients are able to stay for up to 14 days. They receive three meals a day, case management services, access to medication-assisted treatment, Seeking Safety groups, peer support, and 12-Step meetings. Qualifying clients who are interested in treatment for substance use disorders will be able to be screened and/or assessed into treatment.

Please call the facility to check bed availability and whether you qualify. We also assist in applying for Medicaid. Non-qualifying clients are charged a low-cost fee.

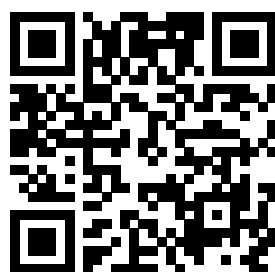

Our Men's Detox Facility operates 24 hours a day, seven days a week and is located at Recovery on Redwood:

1875 South Redwood Road, Salt Lake City, Utah 84104

For inquiries please call: 801-363-9400 ext. 0

Volunteer at VOA Utah

over 8,400 people volunteer across our programs from meal service, donation room help and professional services. Scan the QR code below to learn more about supporting our mission.
