LETTER OF GRATITUDE + VISION

As we look back on this past year and the journey we have been on together through the Beyond Campaign, our hearts are filled with gratitude.

Again and again, we've been reminded that God is faithful. We've seen people encounter Jesus, take steps of faith, find freedom, discover purpose and become part of the family of God. We've watched stories unfold that only God could write. The pages that follow tell part of that story. Behind every number is a person, behind every milestone is a testimony, and behind it all is the faithfulness of God. We are grateful for His favor, encouraged by the momentum we're experiencing, and filled with expectation for what is still ahead.

We also recognize that this is a significant moment for our church. The opportunities in front of us call for the same faith and obedience that has brought us this far. Earlier this year, we shared that we made our own sacrifice offering as part of this journey, and within days, we saw God respond in a powerful way. It was a personal reminder that God is faithful to His promises.

As you read the following pages, we hope you'll be encouraged by all that God has done and inspired by all that He is still doing. Together, we are building something that will outlive us and impact generations to come.

Thank you for going Beyond, not just in what you've given, but in who you've become through this journey.

**WITH LOVE AND GRATITUDE,
PASTORS ADAM & ASHLEE MESA**

A LEGACY OF FAITHFULNESS

THIRTY YEARS AGO, PATRIA CHURCH BEGAN IN THE MESA HOME. TWELVE PEOPLE, ONE MISSION:

Seek the Lost, Teach the Found, Send the Disciples.

That mission remains as strong as ever. And through God's incredible faithfulness, it has grown beyond anything we could have imagined—opening doors, expanding influence, and creating exciting new opportunities before us.

Every campus is thriving. Rancho has added a Saturday service, and Sundays continue to grow. Pomona is reaching more people than its parking can hold. Alameda is making an impact even without a dedicated parking lot.

Along the way, we've seen remarkable progress. Alameda launched in just 90 days, Next Gen spaces are filled with life, and ministries like Overcomers are expanding as more people find hope and healing.

These are not challenges; they are signs of a healthy, growing church. This is what it looks like when God is moving boldly and blessing abundantly.

We are one year into the Beyond campaign, halfway through the journey, and the opportunities ahead are wide open. The doors being opened by God aren't slowing down. They're inviting us to step forward in faith.

"Beyond" has always meant pressing past what we can plan or predict and stepping into what God is doing. It's not just about buildings; it's about continuing to say yes to every person God brings through our doors, trusting that He is still writing the story of Patria Church as we Seek the Lost, Teach the Found, and Send the Disciples.

STORIES THAT CARRY THE WEIGHT

These aren't just numbers; they're the reason we build. Each one represents a life, a story, a transformation.

EVERY CAMPUS. EVERY WEEK.

DAVID CONSTANTINO

David first discovered Patria Newport through a member's Instagram, and what started as a simple connection has become a life-changing journey. He now attends the Rancho campus on weekends and connects midweek in Pomona, seeking to build a healthier, stronger relationship with his daughter. Along the way, David gave his life to Christ and has begun growing in his faith.

His story is a powerful reflection of what Beyond makes possible. Through faithful generosity, spaces were created where people like David can encounter God, find restoration, and step into a new beginning, bringing hope, not just to individuals but to entire families.

THE RUBALCAVA FAMILY

About a year ago, the Rubalcava family entered a difficult season when their son was diagnosed with epilepsy after experiencing multiple seizures. What followed was a time filled with hospital visits, uncertainty, and fear. In the middle of it all, during the Beyond Campaign, they reached out for prayer, leaning on their church community and holding onto hope as others stood in faith with them.

God met them in that difficult season, sustaining them through every moment and reminding them that they were not alone.

Today, they are celebrating a powerful praise report: their son has been seizure-free for one full year. He continues to grow and make progress, and each new milestone is a reminder of God's faithfulness.

THE FRANKS

The Franks, a couple in their 60s, had been away from church since COVID. After receiving a mailer, they took time to pray and thoughtfully consider their next steps, which led them to visit Patria Newport. There, they found a home rooted in truth and authentic community, and are now stepping up to serve their city with purpose and joy.

A large, diverse crowd of people is gathered at night, many with their hands raised in praise or worship. The scene is illuminated by stage lights, creating a vibrant and energetic atmosphere. The crowd is composed of people of various ages and ethnicities, all appearing to be part of a significant event or gathering.

4 WAYS GOD IS CALLING US BEYOND

EXPANDING THE HOUSE NEW CAMPUSES

Through your faithful generosity, the Corona and Newport campuses have come to life, transforming ready-and-waiting communities into thriving spaces where people gather, grow, and encounter God. Every campus we celebrate began as a vision paired with a courageous yes, and today, these campuses stand as powerful proof of what happens when we make room in faith.

That story is already unfolding in tangible ways. At Patria Corona, the purchase of the property and the completion of significant renovations and preparations made it possible to open its doors and celebrate its first Easter service, a defining moment that continues to impact lives week after week. In Newport Beach, the campus is actively growing, currently gathering through a limited weekly lease while moving toward a full-time facility that will support daily ministry. With Sunday morning services planned to launch on Easter 2027, the momentum continues to build as we deepen our presence in that community and this is only the beginning.

Patria Alameda carries a compelling vision for what lies ahead. With foundational steps already in place, we are believing for a permanent home that will expand capacity, enhance accessibility, and create greater opportunities for outreach and connection.

Across every campus, Corona, Newport, and Alameda, we see the same thread: faith in action, doors opening, and God positioning each location for lasting Kingdom impact. The same bold, faith-filled step that brought us this far now invites us forward into all that God has next.

4 WAYS GOD IS CALLING US BEYOND

★ FOSTERING HEALTHY COMMUNITY GATHERING SPACES & PARKING

This past year, the HQ offices and courtyard at Rancho have all been beautifully renovated, creating a welcoming experience from the moment someone arrives. The first impression Patria makes has already been strengthened. That's Beyond in motion. And the vision continues to expand. When someone walks through the doors of Patria for the first time, the smallest details can create the greatest impact: accessible parking, welcoming spaces, and a safe, joy-filled environment for their kids. Every improvement helps create opportunities for people to experience community and connection.

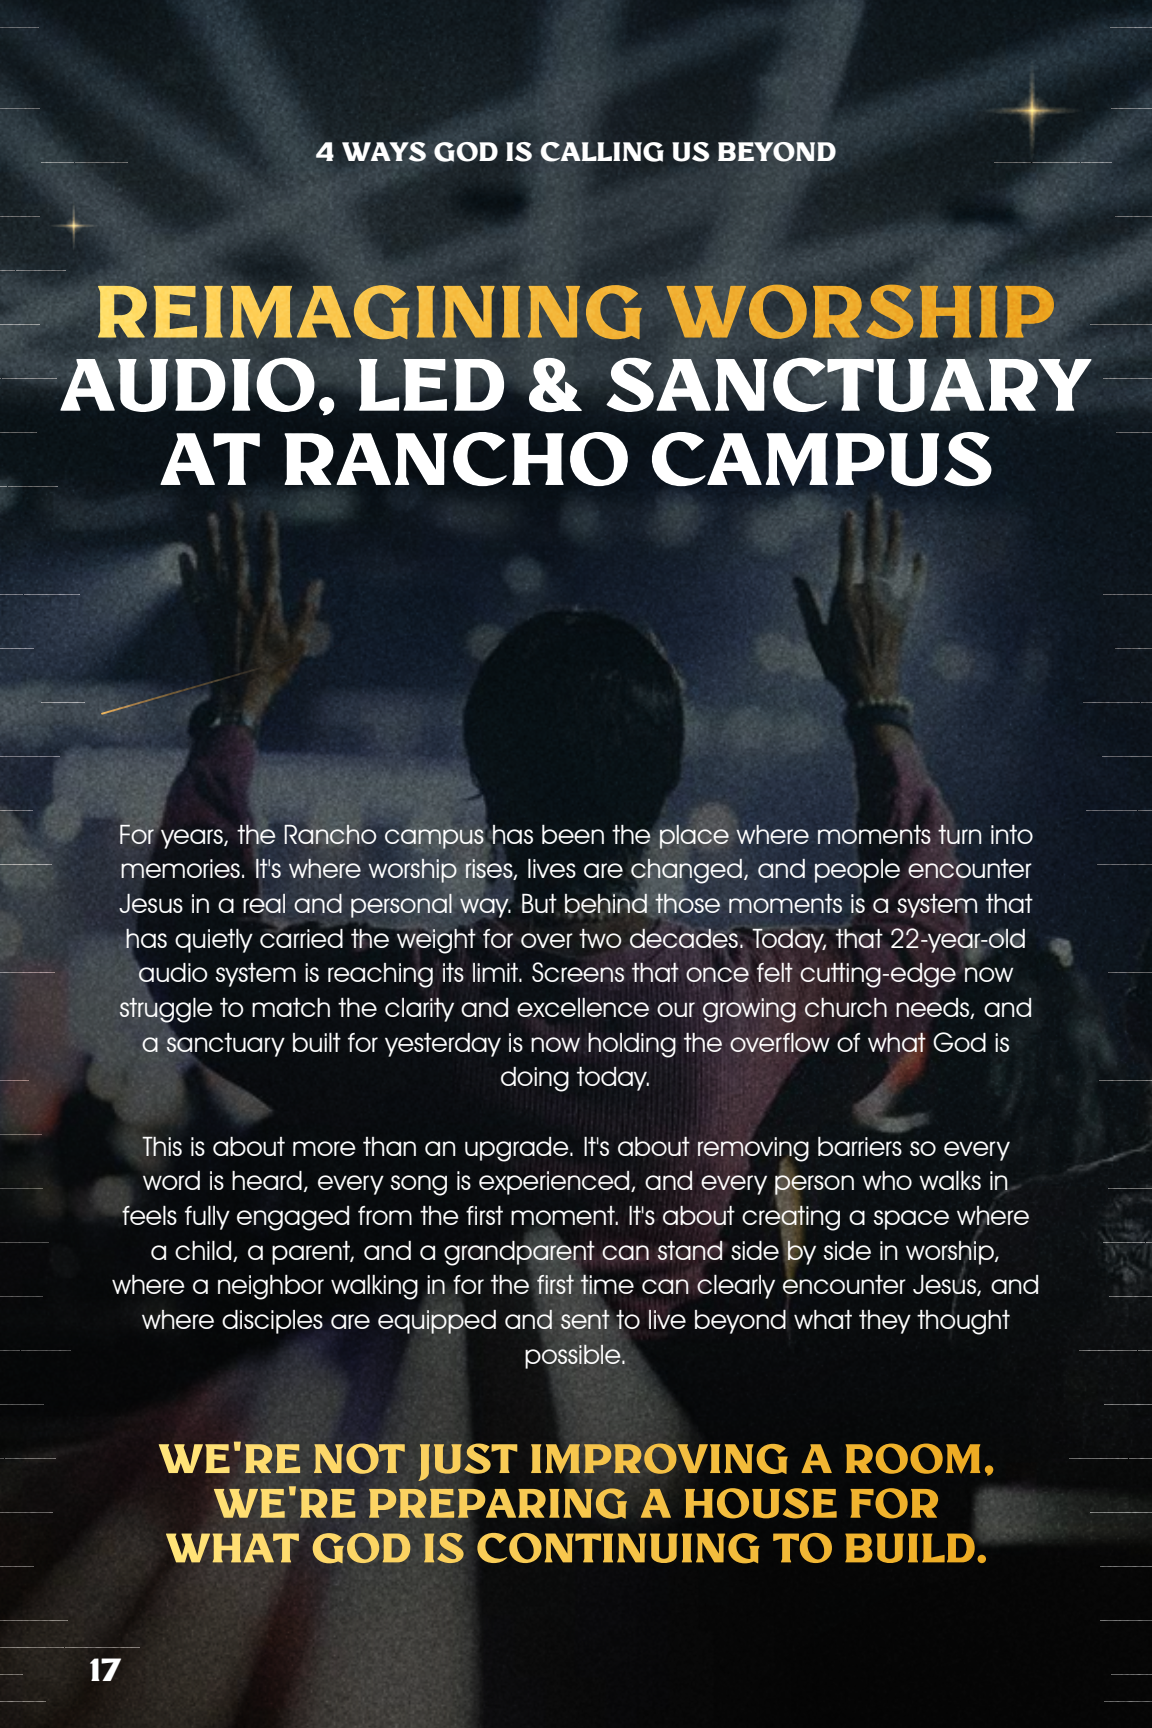

At Rancho, we are preparing to renovate the sanctuary foyer to create a brighter, more modern space for guests and families while also exploring additional offsite parking to support continued growth. Through Patria360, new guests are introduced to our vision, values, ministries, and next steps, helping them connect more deeply to the life of our church.

At Pomona, planned parking lot improvements will enhance safety, accessibility, and capacity by adding 20 new parking spaces and four additional accessible parking stalls.

Across every campus, we're seeing powerful momentum. Rancho and Pomona are filled with life and overflowing. Alameda and Newport are stepping into exciting new possibilities, and Corona has launched strong, already thriving as a vibrant and growing community.

Every project represents another opportunity to create spaces where people encounter God, find community, and take their next step of faith.

BEYOND ISN'T JUST ENHANCING WHAT WE HAVE. IT'S PREPARING US FOR WHAT'S AHEAD. IT'S ABOUT CREATING SPACES THAT WELCOME PEOPLE IN, HELP THEM FIND CONNECTION, AND BUILD A FOUNDATION THAT WILL SERVE GENERATIONS TO COME.

4 WAYS GOD IS CALLING US BEYOND

REIMAGINING WORSHIP **AUDIO, LED & SANCTUARY** **AT RANCHO CAMPUS**

For years, the Rancho campus has been the place where moments turn into memories. It's where worship rises, lives are changed, and people encounter Jesus in a real and personal way. But behind those moments is a system that has quietly carried the weight for over two decades. Today, that 22-year-old audio system is reaching its limit. Screens that once felt cutting-edge now struggle to match the clarity and excellence our growing church needs, and a sanctuary built for yesterday is now holding the overflow of what God is doing today.

This is about more than an upgrade. It's about removing barriers so every word is heard, every song is experienced, and every person who walks in feels fully engaged from the first moment. It's about creating a space where a child, a parent, and a grandparent can stand side by side in worship, where a neighbor walking in for the first time can clearly encounter Jesus, and where disciples are equipped and sent to live beyond what they thought possible.

WE'RE NOT JUST IMPROVING A ROOM.
WE'RE PREPARING A HOUSE FOR
WHAT GOD IS CONTINUING TO BUILD.

A vibrant, modern playground with colorful equipment and children playing. The playground features a large yellow and orange slide, a purple and blue climbing structure, and a yellow and black cage-like structure. Children are running and playing on the purple and yellow rubber safety mat. The background shows green trees and a clear blue sky with a few stars.

EMPOWERING THE NEXT GENERATION KIDS, YOUTH & SPECIAL NEEDS

Children's Ministry is the front door for families.

When parents see their children thriving, learning Scripture, building friendships, and being known by name, those families stay and grow.

That's why this matters. It means creating a playground that is safe and accessible for every child. It means making room for a growing Overcomers (special needs) Ministry with a dedicated sensory space where every child can feel comfortable and included. And it means building a Family Resource Center that provides care beyond Sundays, equipping parents with support, tools, and community throughout the week.

**EVERY TIME A FAMILY FINDS A HOME
AT PATRIA BECAUSE THEIR CHILD FELT
SEEN, SAFE, AND LOVED, IT REMINDS US
WHAT WE'RE BUILDING TOWARD AND WHY
WE CONTINUE TO EXPAND THAT WELCOME
FOR MANY MORE.**

Patria has never been about building programs; it's always been about Seeking the Lost, Teaching the Found, and Sending the Disciples. That mission is why we build. Every campus, every parking space, every renovated room exists for one purpose: to make room for one more person to encounter Jesus and say yes to Him.

YOUR GENEROSITY MAKES IT POSSIBLE TO

-  Open doors in cities where people are still searching and ready to encounter hope.
-  Create spaces where broken lives are restored by the presence of a living God.
-  Build a lasting foundation for the next generation of disciples, families, and leaders.
-  Send people equipped with faith, truth, and love to impact communities and carry the message of hope beyond the walls.

Take time to prayerfully consider what God is inviting you into during this season. When each of us brings what we have in faith, He multiplies it in ways far beyond anything we could imagine.
