

Mini-conference at Kosmopol on Monday, August 25th, 2025 from 09 AM to 12 PM

WHAT IS THE CURRENT STATUS OF CHRONIC DISEASES?

Be part of the conversation as we reflect on global efforts to relieve the burden of chronic diseases, in line with the UN's vision. We will also provide an update on developments in Denmark, with a focus on chronic respiratory diseases, and discuss the goals of the UN's fourth High-Level Meeting (HLM4) on chronic disease.

Programme:

- 09.00 Welcome and introduction
Katrina Feilberg, Director of Health and Life Science at The Danish Chamber of Commerce and José Luis Castro, Director-General Special Envoy for Chronic Respiratory Diseases, WHO
- 09.15 Status on the global fight against NCDs
Katie Dain, CEO, The NCD Alliance
- 09.40 Actions for a breathable future
José Luis Castro, Director-General Special Envoy for Chronic Respiratory Diseases, WHO
- 10.05 Denmark's goals for the Fourth High-Level Meeting on NCDs
Sophie Løhde, Minister for the Interior and Health of Denmark
- 10.20 Is Denmark leading the way in managing chronic diseases?
Aron Szpisjak, Head of Health, Copenhagen Institute for Future Studies
- 10.40 Coffee break
- 11.00 Is the chronic care package the answer to managing COPD?
Anders Løkke, Chief Physician, Department of Medicine, Lillebælt Hospital
- 11.20 How should the global burden of chronic diseases be addressed?
Jesper Fisker (CEO, Danish Cancer Society), Ann Leistiko (CEO, The Danish Lung Association), Claus Richter (CEO, The Danish Diabetes Association), Katrina Feilberg (Director of Health and Life Science at the Danish Chamber of Commerce) og Anders Løkke (Chief Physician, Department of Medicine, Lillebælt Hospital)
