

TECH SHOWCASE

Sponsorship Opportunities

The Tech Showcase is an interactive all-day event focused on strengthening our region's future tech talent pipeline. Local employers will display hands-on exhibits designed to expose students to careers in technology. The Tech Showcase will welcome students from across the region, with a focus on students in underserved communities.

Why sponsor the Tech Showcase?

- Demonstrate your brand's commitment to strengthening our region's tech talent pipeline, with a particular focus on increasing tech career exposure in low income and diverse communities
- Underwrite an event that will expose hundreds of grade 6-8 students from across the region to a future career in tech
- Gain brand exposure to k-12 students interested in tech careers
