By OnSight Real Estate
Effortless Open Houses, Powerful Property Marketing

OUR TEAM

RYAN JUNT
CTO & Co-Founder

Ryan Junt is a dedicated and dynamic individual known for his innovative approach and unwavering commitment to excellence. With a background in Technology, Ryan has consistently demonstrated a strong ability to lead, inspire, and achieve remarkable results. Founder of Junt Industries investment firm Ryan has focused his talents on investing and building the companies of tomorrow.

ESTHER CHOI
COO & Co-Founder

Started her Real Estate career in 2002 and quickly went from sales agent to founding the first Keller Williams Realty franchise in the New York Metro Area where she was named one of the top 10 CEOs in the organization. Esther went on to launch an additional 2 KW franchises and served as CEO where she not only recruited over 1,000 agents but also developed a proven track record of growing individuals' overall production. Esther currently serves as Broker Owner of Integrity Core Realty.

CONNOR NOLAN
CEO & Co-Founder

Co-Founder and COO of Integrity Core Realty where he oversaw day to day operations and focused on agent training and technology implementation. Connor was named Long Island 30 under 30 in 2015 for his contributions to the local real estate industry. Connor started working in Real Estate when he was only 19 and quickly became known for his ability to help agents introduce different technology solutions into their businesses.

OUR TEAM

JASON MARCUS

Director Of Sales & Co-Founder

Jason Marcus has over 20 years of industry experience, he is one of the most knowledgeable mortgage experts in the industry. His track record and service speak for themselves. Over the years, he has accumulated a wealth of experience through various roles, projects, and collaborations, each contributing to his comprehensive understanding of the field.

PATSY TIU

CFO & Co-Founder

Patsy Tiu, Co-Founder and Associate RE Broker of Integrity Core Realty in New York, with a focus on commercial sales. Prior to choosing a career in real estate, Patsy was Portfolio Manager and Analyst for one of Manhattan's most reputable investment firms, Julius Baer International, managing and investing assets for institutional clientele. With over 20 years of experience in financial leadership and strategic management Patsy educates her fellow colleagues and navigates large scale financial executions.

A paperless, and touchless lead capture platform leveraging QR code technology. Our system captures leads through customizable lead forms that automatically generate QR codes for seamless use.

Optimize your open houses with increased efficiency and compliance, thanks to our built-in e-signature platform. This feature allows you to store and sign disclosures and buyer agreements with a single click, ensuring that your brokerage and agents remain compliant effortlessly.

PROBLEMS

Compliance

Lack of single system that ensure compliance for agents and brokerages

Time Management

Agents are required to use a multitude of systems to achieve a basic workflow

Complicated and Inefficient

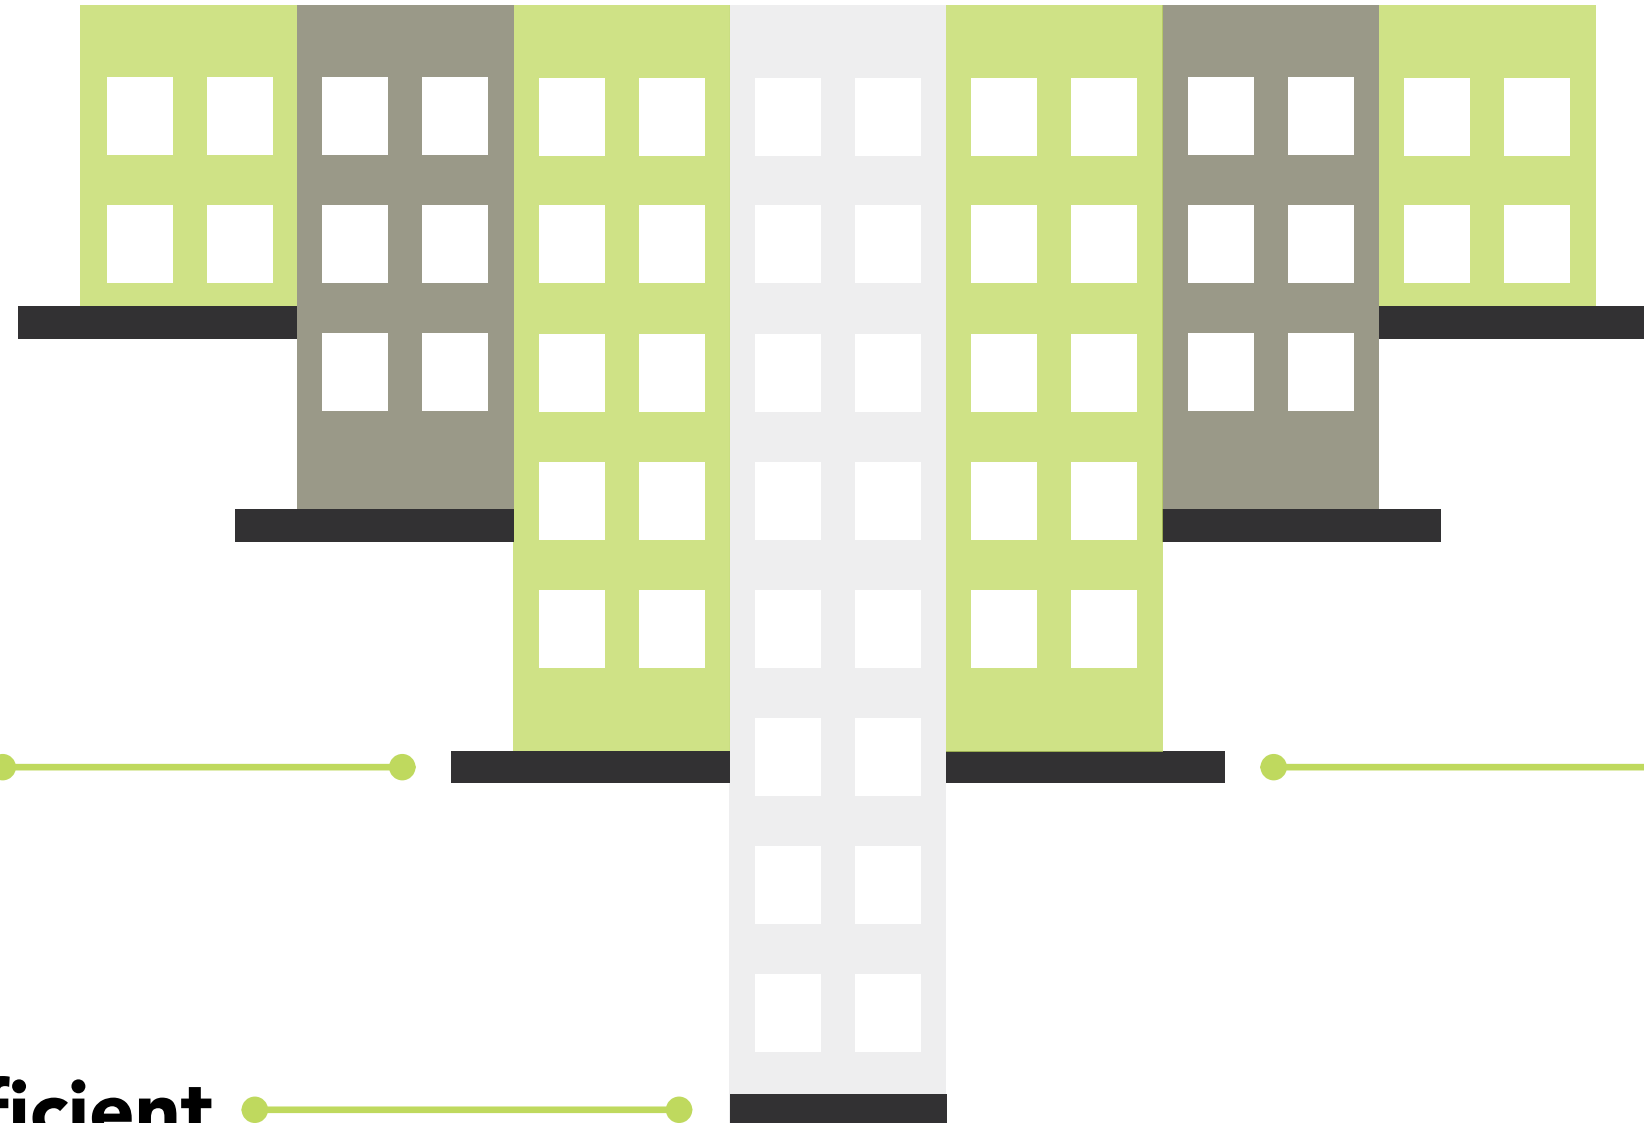

Overly complicated platforms and double entry make agents less efficient

Escalating Cost

Required to purchase overlapping systems and services to perform basic workflow

Outdated Technology

Today's world is surrounded by technology, but the real-estate market is lagging behind

Simple, Yet Powerful Features

Lead Capture Forms

01

Unlimited, customizable lead capture forms, used for open houses, events, social media and more.

QR Code Sign In

Customizable QR Code are generated with every form created. Any lead can scan and submit their information at open houses and more. Sending your leads directly into your database.

02

OnSight E-Sign

Seamlessly integrated into our system, providing you with the convenience of having leads or clients sign documents in real time from their own device.

03

Mobile App

With our mobile app, you have the flexibility to manage your real estate business with ease, no matter where your day takes you.

04

Agent To Lender Connection

Agents can instantly share lead data with their preferred lenders, ensuring smooth communication and efficient lead management.

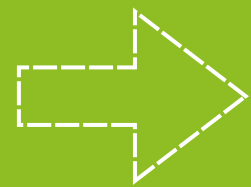

05

Custom Flyers

With multiple templates available, easily select the perfect design to suit your specific needs, whether it's for an open house, event, or general marketing.

Stay in Compliance With Built in, One Click, eSignature

Never worry about compliance again. OnSight Lead Gen hosts your open house forms and disclosures for clients to e-sign with one click, sending a copy directly to the client. OnSight Lead Gen is your compliance tool. [Learn More.](#)
