ELEVATE HEALTH TECHNOLOGIES

## In-Office Prescription Fulfillment

### FOR PATIENTS

Skip the pharmacy. Get your medications directly from your healthcare provider. Complete care and your medications— from your trusted provider.

## About OnePulse Connect from Elevate Health Technologies

Healthcare providers partner with **Elevate Health Technologies' OnePulse Connect** to enable patients to obtain their medications direct from their office! Skip the pharmacy and simplify your treatment journey.

**Elevate Health Technologies** is committed to making healthcare better for everyone. We collaborate with healthcare providers, patients, pharmaceutical manufacturers, and payors to deliver innovative technologies and personalized solutions that truly make a difference.

## A Trusted Partner in Your Treatment Journey

Patients are at the heart of **OnePulse Connect-Dispensing**. We work closely with healthcare providers to ensure you have access to the medications you need, when you need them.

DISPENSING

Your healthcare provider has partnered with **OnePulse Connect-Dispensing** to enable patients to access critical therapies from within their office- skipping a separate trip to the pharmacy!

## In-Office Prescription Fulfillment: What to Expect

1

OnePulse Connect Clinicians are available for inquiries throughout the Treatment Journey

2

### Starting OnePulse Connect In-Office Dispensing

- **Enrollment:** You confirm that you'd like to use In-Office Dispensing for convenient medication fulfillment.
- **Processing:** Your prescriber sends your electronic prescription directly to OnePulse Connect.

### Welcome

- **Initial Message:** You'll receive a welcome SMS/text or phone call from OnePulse Connect and can confirm how you'd like to receive future communications.
- **Verification:** You may need to provide some information to verify your identity and benefits.
- **Benefits Review:** We will check your benefits and send details on available financial assistance programs or requests for further information needed.

3

4

### Getting Your Medication

- **Notification:** You'll receive a SMS/text or phone call when your medication is ready for pickup.
- **Pickup:** Collect your medication from the office or during your appointment.
- **Education:** You may receive helpful information about your medication to support your treatment.

### Ongoing Care and Support

- **Care Assessment:** You may receive a brief survey or clinical assessment to help us enhance your care.
- **Medication Reminders:** You will receive refill and appointment reminders to keep you on track with your treatment.
- **We're Here to Help:** Call us if you have any questions or need additional support about your treatment.

Ask your healthcare provider if they have a OnePulse Connect- Dispensing program.
