North Park Police Department

This is an exciting time of the year as we turn our attention to family get-togethers and to celebrate the season. North Park Police Department is pleased to host the "Shop with a Cop" event again this year. This year's event is scheduled for December 5, 2026. We want to help as many kids as possible and appreciate those who have donated so far to the cause. If you would like to donate, please scan the QR code, or call the police department at 435-753-7600.

Many of us will shop for gifts online as the holidays get closer. To that end, I would like to offer some suggestions to help you keep your packages and orders safe. A lockbox on your porch, or a lockbox at the post office is a terrific way to keep your packages secure and out of sight. Track your packages. Delays happen and if you have a tracking number, you can see if the package is still in transit. If your package shows delivered but you do not have it, check with your neighbors. Oftentimes packages are delivered to the wrong address, or a neighbor innocently takes it home with their mail. If you still cannot find the package, contact the seller, and file a claim. If the retailer will not assist you then consider filing a claim with the shipping company. These simple steps will help reduce your stress level.

If you have any questions or need help, please contact the North Park Police Department at 435-753-7600 or visit our website at www.nppdut.gov

HYDE PARK CITY BUSINESS SPOTLIGHT: THE VIXEN VINTAGE

Meet Tina Oakden, owner of The Vixen Vintage, a one-of-a-kind vintage shop located at 3870 US-91 in Hyde Park!

Originally from Illinois, Tina moved to Cache Valley at just 18 years old with $200 in her pocket. After working a variety of jobs around the area, she realized the traditional corporate path wasn't for her. Driven by her entrepreneurial spirit, big goals, and belief in herself, she found a way to turn her dreams into reality!

So, what can you expect when you walk through the doors? Think 80s, 90s, and early 2000s fashion, whimsical treasures, and plenty of personality. Tina describes her shop in three words: eccentric, curated, and whimsical. Her philosophy? "Find yourself while you're here."

Tina is accepting donations! She is also an advocate for the Trinkets & Treasures Traveling Market charity. Unit 357 1471n 600w in Logan, UT it is Open 24/7. Stop by and explore!

Tuesday–Friday: 10 AM–5 PM, Saturday: 10 AM–6 PM
Holiday hours: Mondays, 10 AM–5 PM

The Vixen Vintage is proof that following your own path can lead to something truly unique. Next time you're looking for a special find, stop in, say hello to Tina, and discover a little vintage magic right here in Hyde Park!
