

I'M A DIGITAL DETECTIVE

**I'm a digital detective every day
I can spy an ad from miles away
Some of them are tricky and harder to see
But I won't let 'em get the better of me
I'm a digital detective
I'm a digital detective**

At the end of my favourite video
Up pops an ad on my screen
Trying to get me to buy something
But I say, "In your dreams!"

Chorus

Tempted with offers of new upgrades
When I'm playing online
Trying to get me to spend some cash
But I say, "Don't waste my time!"

Chorus

I'm a digital detective - try it and see
Try all you like but you can't fool me!
Yeah yeah!
