

BE A **CRITICAL** CONSUMER

Is the **URL** credible?

Is this info or news really **old** or new?

Are there any **sus** signs?

Who made this and **why**?

Are they using **exaggeration**?

Is there **bias**?

Is the **headline** misleading? (clickbait)

Does it **leave out** any important details?

Does it sound too **dramatic** or **extreme**?

Could it be **AI** generated?

How does it make me **feel**?

Do **other** sources say the **same** thing?

Is it trying to **sell** me something?

What would a **Trusted Adult** think if I showed them?

Am I seeing the **whole** picture?

Are they trying to get me to **click**?

Is it **believable**?
