

# KEEPING DEVICES AND ACCOUNTS SECURE

Use screenlock

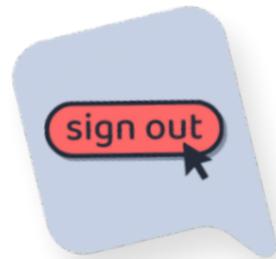

Make your password strong

Reset your password if others know it

Use 2 Factor Authentication

Sign out of devices

Don't share your password

## When making a password:

miX uPpeRcaSe & LowERcAsE LetTErS

u\$e numb3rs @nd \$ymb0l\$

don't use your name

don't make it obvious/guessable
