			<p>For the optical fiber cable, please refer to the attached document regarding the existing optical fiber layout in Faleolo Airport.</p> <p>For both Power Supply and Optical Fibre, any necessary new cables, trenches and ducts will be designed, supplied and installed by the Contractor in accordance with the requirements set out in the Technical Specifications.</p>
	Bid Security Forms	Our bankers have reverted back on the Bid Security format. They wish to add a bid validity date without any material change to the format. They informed that they cannot issue an open ended BG. As per clarification issued by your office the validity required is 148 days from bid opening.	We have no objections to stating the bid security validity end date which should expire 28 days after the bid validity date, i.e, until 02 September 2026.
	Beneficial Ownership Forms	Beneficial Owner of a Bidder: Our owner is a company an entity and not an individual. Kindly advise if we are permitted to provide the company details under this requirement.	Please select the most appropriate option in the Beneficial Ownership Disclosure Form, with option (i) for Individuals, and option (ii) for others.
