

This block contains several hand-drawn sketches. On the left, a pirate with a red bandana and a blue shirt stands next to a treasure chest, holding a knife. A palm tree is in the background, and a speech bubble above it says 'M. L. ATTARUF'. In the center, there is a green, boxy robot with a single antenna and a small flame coming out of its side. On the right, there is a sketch of a pirate ship with a red hull and a black mast.

A collection of hand-drawn illustrations. At the top left is a factory with three smokestacks emitting grey smoke; the word 'USINE' is written on its side. To its right is a glass jar of jam with a red label and a white lid. Below the factory is a sailboat with a brown hull and two large blue sails, flying a red flag. To the left of the sailboat is a hot air balloon with vertical stripes of blue, green, and yellow. Below the hot air balloon is a knife with a brown handle and a silver blade. To the right of the knife is a grey trash can with a lid. Above the trash can is a small green teapot.

A cartoon illustration of a boy with dark, wavy hair, wearing round glasses and a red shirt. He is sitting on a broomstick, which is positioned diagonally across the frame. The boy has a slight smile and is looking towards the viewer. The background is plain white.
