

kaiyō (海洋) | ocean

nikkei | Japanese immigrants and their descendants that reside in a foreign country.

Kaiyō is the food and drink experience of the Japanese journey in Peru. It is an exploration of these two cultures, immersed in regional ingredients, notable flavors and skilled preparation to delight your senses. From fresh ceviche and sashimi to grilled scallops and wagyu, our food tells a story on the palette. Our craft-cocktail program highlights Peruvian Pisco and Japanese whisky, elevating these regional contenders with daring spices, herbs, and fruits. Kaiyō is an experience of cultures, and we can't wait to serve you.
