CONDITIONS OF APPROVAL

(Additional Information Sheet)

CONDITIONS OF APPROVAL FOR THE PROPOSED CONSTRUCTION OF A WAREHOUSE PLANT

In addition to implementing the mitigation measures and the Environmental Management Plan outlined in the Project Brief, this Certificate of Environmental Impact Assessment approval is granted on condition that the developer - M/S Export Trading Company (U) Ltd shall:

- (i) ensure that the project conforms to the planning provision of the site as provided for by Tororo Town Council and obtain all required approvals for the structural aspects of the project;
- (ii) ensure that the building structures shall conform to the rules and safety regulations governing construction of buildings and that all necessary approvals on structural aspects of the building are obtained from the relevant competent authorities such as the Ministry of Works and Transport;
- (iii) ensure the provision of an adequate storm-water drainage system to minimise disruption of the local hydrology;
- (iv) ensure sound collection and disposal of all solid waste that will be generated during the operation of the project in accordance with the National Environment (Waste Management) Regulations, 1999;
