### Paying for Day Care

#### Help with funding

If you need a little support funding your loved one's day care, there are options available. Your local council can carry out a financial assessment and provide a budget for day care services, even if you own your home. Speak to your local adult social care and referral team for more information.

\*Subject to fire and electrical regulations.

\*\* Prices quoted are based on permanent residency, per person per week for single occupancy. Prices are subject to an individual care needs assessment and the type of room and services chosen. Prices correct as of January 2026 but are subject to change.
