WASHINGTON DC

2025

Desert 5 Spot brings the rustic allure of Pioneertown and Cosmic Americana to Washington, DC. Named after the colorful Mojave Desert flower and inspired by Joshua Tree hideouts, throwback roadside motels, and western nostalgia, Desert 5 Spot is the ultimate watering hole for country music lovers. Downstairs, we're slangin' classic Americana dishes, specialty cocktails, frozen margaritas, and cold beers, making this the perfect place where cowboys come together. Featuring daily live performances by emerging country artists, the Desert 5 House Band, and line dancing classes. Upstairs, it's bull rides, strong pours, DJ-spun country, and a patio built for boot-stompin' under the stars. Desert 5 Spot welcomes one and all to leave their tensions and pretensions at the door, put on their boots, and let the good times roll.

COUNTRY MUSIC VENUE DESERT 5 SPOT BRINGS THE WILD WILD WEST TO WILLIAMSBURG

The newcomer is more than a little bit country, with line dancing, two-stepping, classes, cowboy karaoke, a mechanical bull (and less on theme, tarot card reading). There's even an area near the stage called "Dolly's Corner" that is a homage to the country icon with rhinestone-studded pink suede wallpaper and rare photographs of the singer herself.

THE WILD WILD WEST HAS TOUCHED DOWN IN WILLIAMSBURG-AND YES THERE'S A MECHANICAL BULL!

Grab your cowboy boots, leave your tensions at the door, and let the good times roll at NYC's newest honky tonk bar—the ultimate country music lovers' watering hole. Regardless whether it actually is or isn't your first rodeo, you're in for a rowdy time at Desert 5 Spot New York, the newest (and perhaps wildest) country music bar, restaurant, and live entertainment venue to touch down in NYC, bringing the wild west straight to Williamsburg.

POPULAR L.A. BAR DESERT 5 SPOT IS TRANSFORMING WILLIAMSBURG INTO A "RAUCOUS WESTERN HAVEN"

Expect the allure of Cosmic Americana, 1970s Palm Springs and Pioneertown all in one.

Country music and the Wild West aesthetic had a big moment this year after Beyoncé dropped her latest album Cowboy Carter—but the obsession with things country has now extended to nightlife. The best example? A new desert-inspired bar and music venue that will make you feel like you've teleported to the depths of old Arizona: Desert 5 Spot, which opened in Williamsburg this week by way of Los Angeles.

This Buzzy, Country-Inspired Los Angeles Venue Is Headed to New York

In June, Desert 5 Spot will open a roughly 200-capacity second location, traveling cross-country to Brooklyn's Williamsburg neighborhood. The venue will bring with it much of its style, such as the hand selected furniture from antique sales and thrift shops across the West, various forms of its Boho desert-inspired chic and the affably named Dolly's Corner. Like its predecessor, Desert 5 Spot N.Y. will prioritize the live-music experience with performances from rising artists, DJ sets and an in-house band - though plenty of established country and rock'n'roll talents are bound to show up.

LIVE FROM DESERT 5

An impressive lineup of country and rock n' roll music talents have already graced the stage at Desert 5 Spot: Stagecoach headliner Kane Brown, Noah Cyrus, rising star Drake Milligan, the larger-than-life Paul Cauthen, and the esteemed first lady of outlaw country, Nikki Lane have all been drawn to the intimacy of the Desert 5 Spot venues. We've also played a part hosting record launch parties for Midland, Orville Peck, Dasha, who have since become regulars when they're in town. Celebratory occasions and after-parties at Desert 5 Spot have further attracted artists like Lainey Wilson and John Mayer.
