PERGOLUX

INFORMATION

Congratulations and thank you for choosing a PERGOLUX Product!

To enjoy this product for a long time as well as for your own and others' safety, please follow the installation instructions. Before you start assembling and using the pergola, ensure that all the parts listed in the manual are delivered and intact. If you need help with the installation, you can contact us by chat, phone, e-mail or via our website.

We wish you good luck with the assembling process!

16

The last step can be a bit tricky, we recommend to press all profiles closely together to avoid leaving any gaps, which could prevent the last profile from fitting in place.

17

18

Carefully adjust the slats by hand to ensure the gap at the end is even, if necessary.
