Product End of Life Announcement

EOL#:
CT-EOL-2026-CFExpress270P

Rev:
1.0

ISSUE DATE:
Apr. 16, 2026

Description:

End of Life notice for -270P series CFExpress card products.

Affected Products:

All -270P series CFExpress card products:
KCxxxGF-270P-xx

Reason for EOL:

The NAND flash required to build these products is no longer in production.

Replacement:

The replacement is -290P series 3D TLC CFExpress card:
KCxxxGF-290P

Schedule:

LTB: Sep. 1, 2026 (**Note: LTB order is NCNR**)
LTS: Dec. 31, 2027

Product End of Life Announcement

EOL#:
CT-EOL-2026-M2-270P

Rev:
1.0

ISSUE DATE:
Apr. 16, 2026

Description:

End of Life notice for -270PM6 and -270PM7 series M.2 SSD products.

Affected Products:

All -270PM6 and -270PM7 series M.2 SSD products:

KDxxxGF-270PM6-xx
KDxxx(G/T)F-270PM7-xx

Reason for EOL:

The NAND flash required to build these products is no longer in production.

Replacement:

The replacement is -290PM6 and -290PM7 series 3D TLC M.2 SSD products:

KDxxx(G/T)F-290PM6
KDxxx(G/T)F-290PM7

Schedule:

LTB: Sep. 1, 2026 (**Note: LTB order is NCNR**)
LTS: Dec. 31, 2027

Compatibility:

Both -270P and -290P series M.2 products conform to PCIe 3.1 specifications, thus ensuring high degree of compatibility with the host system. -270P series SSDs also conform to NVMe 1.3 whereas -290P series SSDs conform to NVMe 1.4, which is backwards compatible to v1.3. However, we do recommend customers to perform a mini-qual to ensure there are no issues in their specific target systems.

Customer Action:

Existing customers should place a last time buy order ASAP, before the LTB deadline and contact Cactus® sales for samples of -290P series M.2 SSDs for evaluation.

Compatibility:

Both -270P and -290P series CFEExpress cards conform to PCIe 3.1 specifications, thus ensuring high degree of compatibility with the host system. -270P series cards also conform to NVMe 1.3 whereas -290P series cards conform to NVMe 1.4, which is backwards compatible to v1.3. However, we do recommend customers to perform a mini-qual to ensure there are no issues in their specific target systems.

Customer Action:
