

Referring a child for in-home ABA

A front-desk guide for providers in New Jersey, Georgia and North Carolina

Accepting new families with no waitlist

Every county we serve, as of October 2026.

WHO WE SERVE

Ages	2 through 21
Setting	The family's home and community
Diagnosis	None needed to refer

WHAT HAPPENS AFTER YOU REFER

Same business day Intake calls the family and emails you to confirm we received the referral.

Before the first visit We verify the family's benefits and handle authorization, at no cost to them.

About a week after sign-on A BCBA completes the assessment in the home.

Ongoing With the family's written consent, we tell you when services start and send a progress summary at each reauthorization.

Refer a child in 30 seconds

1. Open the referral form.
2. Enter the child's ZIP code, a caregiver phone number and your practice name.
3. Done. No records or forms needed from your office.
