ORIX will arrange a fuel card to be issued to the customer and use of the fuel card will be administered by ORIX on the following basis:

The customer will comply with its master agreement with ORIX and the terms and conditions attaching to the fuel card. The customer will be responsible for ensuring that the fuel card is only used in connection with the nominated vehicle or by the nominated driver (as applicable).

The customer acknowledges and confirms that it will be liable for all transactions made using the fuel card (whether authorised or not, and whether performed by the customer or not).

ORIX will send to the customer all invoices relating to the use of the fuel card and associated services in respect of each nominated vehicle or driver.

The customer will pay to ORIX by the due date specified on each invoice all amounts due in respect of the use of the fuel card including all amounts relating to fuel, card fees, transaction fees and replacement card issue and courier costs due. In addition, the customer will pay any costs incurred by ORIX associated with the recovery of unpaid charges, including full solicitor/client costs.

The customer will indemnify ORIX against any claims made by the fuel supplier pursuant to the terms and conditions attaching to the use of the fuel card.

The customer acknowledges and agrees the fuel pricing is sensitive and confidential information and must not be disclosed or used by the customer in any way.

ORIX and/or the fuel card provider may cancel or suspend the customer's use of the fuel card at any time without notice if ORIX and/or the fuel provider consider that the customer is, or likely to breach the terms and conditions attaching to the fuel card.

The customer authorises ORIX to collect and use personal information relating to the customer and/or any nominated driver(s) in accordance with ORIX's privacy policy available at [ORIX.co.nz/privacy-policy](https://orix.co.nz/privacy-policy).

Subject to ORIX's approval, we request and authorise you to issue cards to the customer's drivers and/or vehicles as periodically requested by the designated fleet contact.
