

Vehicle Return Locations

If your vehicle is being replaced by ORIX, the delivering dealership will coordinate the exchange with you directly and arrange for your old vehicle to be returned.

To assist in this process, make sure your old vehicle is clean and tidy, has all the accessories and additional items it was delivered with (including both sets of keys and any vehicle handbooks) and is empty of any personal belongings at the vehicle handover.

If your vehicle isn't being replaced by ORIX, you can return the vehicle to one of the ORIX or Turners locations listed below:

Vehicles can only be returned to Turners Cars sites listed above, not all Turners sites are suitable for ORIX vehicle returns.

If you require alternative transport options, call the ORIX Driver Helpline on 0800 506 749 and we'll see what we can do to assist.
