

# Neighbour Deed Explainer Sessions

We are pleased to invite people living within 3.5km of a proposed turbine in The Pines Wind Farm to attend.

You will:

- 1 Receive your personal contract
- 2 Hear how payments work, and how you can choose a setback
- 3 How the contracts operate
- 4 Get a chance to ask questions about the project and the neighbour program.

**The neighbour program will close at the end of 2025** and these sessions are one of the last chances to find out more.

These events are only for those with a house within 3.5km of a turbine. If you are unsure, please contact our friendly staff to find out.
