

Project update

- Thanks to all of the neighbours who have already signed up to the Nearby Neighbour Program, which is closing at the end of 2025
- There is still time to join - please contact us as soon as possible if you want to know more: contact@thepineswindfarm.com.au
- Project neighbours can opt in to the program to receive annual payments for the 35 year life of the project
- During November we took two groups of local residents on a tour of Capital Wind Farm near Canberra
- Our team provided a project update briefing to the Oberon Mens Shed in November
- Glen Stewart has joined the team as Community Representative
- Round 4 of The Pines Wind Farm Early sponsorship program closes on 28 February 2026
- Two 160m wind monitoring masts, located in State Forests have now been installed

Installation of second 160m wind monitoring mast

The tours are an opportunity to learn about wind farm construction and operation from a wind turbine host

Please get in touch if you would like to come along on the next trip to an operating wind farm

Capital Wind Farm tour during November 2025

TagEnergy and Stromlo Energy Australia respectfully acknowledge the Traditional Owners of the land on which The Pines Wind Farm project and our offices are located. We acknowledge and uphold the continuing connection of Traditional Owners to the land and pay our respects to Elders past and present.

Legacy Project Fund

We are delighted to introduce Glen Stewart from Oberon as The Pines Wind Farm Community Representative.

Glen will act as a key point of contact for the community and will work to ensure local perspectives are heard throughout the wind farm's development.

The Pines Wind Farm will establish a \$5 million Legacy Project Fund to support major initiatives identified by the local community. An advisory committee will be established in the coming months, led by Glen, to identify priorities and guide the investment.

We encourage local people, groups and organisations to get involved in shaping the Fund. If you are interested in joining The Pines Wind Farm Legacy Project Committee, please apply [HERE](#).
