thepines wind farm

COMMUNITY NEWSLETTER OCTOBER 2026

What's happening at The Pines?

- The Community Hub on Oberon Street will be opening soon. Until then, please drop in to Oberon Library on Tuesdays to meet the team, ask questions, or lodge your $100 Electricity Bill Credit application.
- Once the Community Hub is open it will be a place to catch up with local organsiations and individuals to provide project updates and hear their ideas for community benefits.
- Biosis consultants are continuing bird and bat surveys on site.
- Umwelt has been engaged to complete the Aboriginal Cultural Heritage Assessment for the wind farm. Field work for this will commence during 2027.
- The Pines Wind Farm team continues to engage with local First Nations groups to provide project updates and seek input regarding native title consents, Aboriginal cultural heritage values and benefits for First Nations groups.

We're pleased to announce the recipients of Round 5 of our Early Sponsorship Program!

- Oberon Tarana Heritage Railway - New picnic table at Hazelgrove Station
- Black Springs Community Association - Portable BBQs and a permanent picnic area for community gatherings and activities
- Oberon Netball Club - Discounted netball registrations and club shirts for all players
- Burraga District Community Association - Upgrades to pipework at Burraga Dam pump shed

Does your local group, club or school or have a project or initiative that needs funding?

Applications for Round 6 of the program are now open, with grants of $1,000 to $5,000 available.

Applications close on 28 February 2027. View the Sponsorship Guidelines and apply HERE.

tagenergy STROMLO ENERGY

TagEnergy and Stromlo Energy respectfully acknowledge the Traditional Owners of the land on which The Pines Wind Farm project and our offices are located. We acknowledge and uphold the continuing connection of Traditional Owners to the land and pay our respects to Elders past and present.

Have your say on the $5 million Legacy Project Fund

- Are you a community representative from the Oberon or Bathurst Regional Local Government Area?
- Would you like to help ensure that the ideas, needs, and long-term aspirations of local people guide this investment to deliver the greatest benefit?

The Pines Wind Farm's $5 million Legacy Project Fund is designed to support a major community project, or projects, that deliver lasting benefits for Black Springs, Burraga, Oberon and Trunkey Creek.

We're establishing a Legacy Project Committee to help guide how the funding is invested, ensuring local voices and long-term community priorities are central to the process.

Interested in getting involved?

Submit your Expression of Interest to join the Legacy Project Committee HERE.

Have you submitted your application for a $100 electricty bill credit?

Bring your electricity bill to the Oberon Library on Tuesdays 10am to 2pm and we will process your application

Every household in the Oberon Local Government Area, and the suburbs of Triangle Flat, Bald Ridge, Abercrombie River, Trunkey Creek, Arkell, Hobbys Yards, Caloola and Rockley is eligible for a $100 electricity bill credit per year from now until construction.

The program will increase to $250 per year plus CPI from construction for the life of the project.

You can apply via our website: HERE
or email your electricity bill to:
billpay@thepineswindfarm.com.au
