This explosively fun game captivates players with the original Growing Dynamite Free Games Feature, as well as introducing the new Gold Wheel where players can activate the Flyin' Feature, Blastin' Feature, Flippin' Feature or the exciting multiplier.

Players aim to land Dynamite symbols together, to create the biggest stash of Dynamite possible and win major credit prizes or jackpot bonuses.

FREE GAMES

Land 6 or more Dynamite symbols anywhere on the screen to activate the Dynamite feature where a 5 game Hold & Spin is activated. Grouping Dynamite symbols together makes a multi reel symbol, increasing the potential prizes. Once free games have ended, Dynamite symbols smaller than 1x3 reels will crack open an instant credit prize, whilst 1x3 reel symbols or larger will explode to reveal a random spinning prize wheel:

- * MINI BONUS can be won from a 2x2 reel symbol
- * MINOR BONUS can be won from a 2x3 reel symbol
- * MAJOR JACKPOT can be won from a 2x5 reel symbol
- * GRAND JACKPOT can be won from a 3x5 full screen reel symbol

WHEEL FEATURE

The wheel feature is triggered by 3 or more Mine entranceway symbols during the base game. A spin of the wheel can award the FLYIN' FEATURE, BLASTIN' FEATURE, FLIPPIN' FEATURE or bet multiplier.

FLYIN' FEATURE

In this feature, players can land dynamite and canaries. Canaries will move reel positions to explode and create the best-sized dynamite stash.

BLASTIN' FEATURE

When triggered, a mega-reel spins with 2x2, 3x3 and 3x5 sized Dynamite symbols. The large Dynamite symbols are spun for all 5 spins unlike Huff N More Puff's mega hat feature.

FLIPPIN' FEATURE

In this feature, the Mine entranceways transform into Mine carts, which each explode to throw 1-4 Dynamite symbols onto the screen. Free games then continue.
