Notice of General Meeting

Cel AI PLC (LSE: CLAI) announces its intention to raise gross proceeds of a minimum of £7.5 million (before expenses) (the "Fundraising") by way of a placing ("Placing") of 3,750,000,000 new ordinary shares of 0.1p each in the share capital of the Company ("Ordinary Shares") with institutional and accredited investors ("Placing Shares") by its newly appointed broker, OAK Securities, and a direct subscription by OAK Securities and certain other investors for 625,000,000 new Ordinary Shares ("Subscription Shares" and together with the Placing Shares, "New Shares"), in each case at an issue price of 0.2p per New Share ("Issue Price").

The Issue Price represents a discount of 62% to the closing share price of 0.53p per share on 26 June 2025 (being the last practicable date prior to the announcement of the Fundraising).

Key features of the Fundraising

- The Company is raising a minimum of £7.5 million, including the 'cornerstone investment' of £1 million by OAK Securities and an intended investment of £250,000 by Olivia Edwards, Executive Chairperson.
- The Company will use the net proceeds of the Fundraising to acquire additional Bitcoin, as part of the Company's previously announced Bitcoin Treasury Reserve Strategy, and fund ongoing operations.

- £500,000 of the investment from OAK Securities will be advanced to the Company on or around the date of this announcement to enable an immediate acquisition of additional Bitcoin.
- The Issue Price of 0.2p per New Share represents a discount of 62% to the closing mid-market price on 26 June 2025 of 0.53 pence per Ordinary Share.
- A circular to shareholders, containing formal notice of the a general meeting (to be held at 14:00 on 17 July 2025) ("General Meeting") will be available on the Company's website, and is expected to be posted to shareholders, on 1 July 2025.

Olivia Edwards, Executive Chairperson of Cel AI PLC, said:

"We are thrilled to have secured the support of existing and new investors to help fuel our growth.

These funds will drive our mission to integrate Ai innovation with a robust Bitcoin treasury strategy, positioning Cel AI as a leader in this transformative space on the London Stock Exchange."

Details of the Fundraising

OAK Securities has entered into a placing agreement with the Company (the "Placing Agreement"). Under the terms of the Placing Agreement, OAK Securities has agreed, subject to certain conditions, to use its reasonable endeavours to procure places for the Placing Shares.

The Placing will be conducted by way of an accelerated bookbuild process ("Accelerated Bookbuild") managed by OAK Securities as bookrunner. The Accelerated Bookbuild will open immediately following this announcement. The timing of the closing of the Bookbuild and allocations are at the absolute discretion of OAK Securities and the Company. It is currently envisaged that the result of the Accelerated Bookbuild is expected to be announced by the Company at approximately 07:00 on 30 June 2025.

The New Shares, when issued and fully paid, will rank pari passu in all respects with the existing Ordinary Shares in issue and therefore will rank equally for all dividends or other distributions declared, made or paid after the issue of the New Shares.

Immediately upon their issue and allotment, the New Shares will not be admitted to the Official List maintained by the Financial Conduct Authority (FCA) or to trading on the main market for listed securities operated by the London Stock Exchange plc (Admission). The Company will prepare and submit to the FCA a draft prospectus in respect of the New Shares. Upon and subject to the FCA's approval of that prospectus, the Company will formally apply for Admission of the New Shares as soon as practicable.

The Placing Agreement contains customary warranties from the Company in favour of OAK Securities in relation to, amongst other things, the accuracy of the information in this announcement and other matters relating to the Company and its business. In addition, the Company has agreed to indemnify OAK Securities in relation to certain liabilities it may incur in respect of the Fundraising.

OAK Securities has the right to terminate the Placing Agreement in certain circumstances prior to the General Meeting, in particular, in the event of a breach of the warranties given in the Placing Agreement, breach by the Company of any of its material obligations under the Placing Agreement or occurrence of any material new factor, mistake or inaccuracy relating to the information in this announcement or the circular (as described below).

Posting of Shareholder Circular and Notice of General Meeting

90,726,389 Subscription Shares (“Unconditional New Shares”) are to be issued and allotted to OAK Securities on or around the date of this announcement. The issue and allotment of the balance of the New Shares (“Conditional New Shares”) is conditional upon, inter alia, the passing of the certain resolutions to be proposed at the General Meeting (“Resolutions”). The Placing has not been underwritten. If the Resolutions are not passed, the Fundraising, as far as it relates to the issue and allotment of the Conditional New Shares, will not complete and the respective proportion of the proceeds of the Fundraising will not be received by the Company.

A circular to shareholders convening the General Meeting will be posted on 1 July 2025 and will be available to download on the Company's website at www.getcel.ai/investors.

Use of Proceeds

The Company has recently announced that it had approved a Bitcoin (BTC) Treasury Reserve Strategy, aligning the Company with the growing cohort of public companies integrating digital assets into corporate treasury management. By adopting this approach, the Company aims to diversify its balance sheet and enhance capital-allocation flexibility.

The net proceeds from the proposed fundraising will be used to acquire BTC and fund ongoing operations, enhancing the Company's capital allocation flexibility and providing a potential hedge against inflation while diversifying our balance sheet.

The £500,000 of proceeds (“Advance Funds”) from the subscription by OAK Securities for the Unconditional New Shares will enable the Company to acquire BTC immediately on receipt by the Company and ahead of the General Meeting. If the Resolutions are not passed, the amount of circa £137,094 (corresponding to the proportion of the Advance Funds payable for Conditional New Shares, subject to the passing of the Resolutions) will be repaid to OAK Securities.

Appointment of OAK Securities a Broker to the Company

Oak Securities will be appointed as Broker to the Company, such appointment to take effect from 17 July 2025. As part of its fee, Oak Securities has agreed to receive new Ordinary Shares at the Issue Price in lieu of cash settlement (“Fee Shares”). Additionally, Oak Securities shall be granted warrants to subscribe for new Ordinary Shares at the Issue Price, which are exercisable for a period of three years.

Application will be made for Admission of the Fee Shares at the same time as application for Admission of the New Shares.

Information to Distributors

Solely for the purposes of the product governance requirements of Chapter 3 of the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any 'manufacturer' (for the purposes of the UK Product Governance Requirements) may otherwise have with respect thereto, the Placing Shares have been subject to a product approval process, which has determined that the Placing Shares are: (i) compatible with an end target market of 'retail investors' and investors who meet the criteria of 'professional clients' and 'eligible counterparties', each as defined in the FCA Conduct of Business Sourcebook; and (ii) eligible for distribution through all permitted distribution channels (the "**UK Target Market Assessment**").

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("**MiFID II**"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "**MiFID II Product Governance Requirements**") and/or any equivalent requirements elsewhere to the extent determined to be applicable, and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any 'manufacturer' (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the Placing Shares have been subject to a product approval process, which has determined that the Placing Shares are: (i) compatible with an end target market of 'retail investors' and investors who meet the criteria of 'professional clients' and 'eligible counterparties', each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "**EU Target Market Assessment**" and, together with the UK Target Market Assessment, the "**Target Market Assessments**").

Notwithstanding the Target Market Assessments, distributors should note that: the price of the Placing Shares may decline and investors could lose all or part of their investment; the Placing Shares offer no guaranteed income and no capital protection; and an investment in the Placing Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessments are without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Placing. Furthermore, it is noted that, notwithstanding the Target Market Assessments, OAK Securities will only procure investors who meet the criteria of 'professional clients' or 'eligible counterparties'.

For the avoidance of doubt, the Target Market Assessments do not constitute: (a) an assessment of suitability or appropriateness for the purposes of Chapters 9A or 10A, respectively of the FCA Handbook Conduct of Business Sourcebook (for the purposes of the UK Target Market Assessment) or MiFID II (for the purposes of the EU Target Market Assessment); or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Placing Shares.

Each distributor is responsible for undertaking its own target market assessment in respect of the Placing Shares and determining appropriate distribution channels.

Timetable for the Placing

Various dates referred to in this Announcement are stated on the basis of the expected timetable for the Placing. It is possible that some of these dates may be changed. The New Shares will be allotted on 17 July 2025, conditional upon passing of the Resolutions.

Terms of the Placing

OAK Securities has, prior to the notification of this Announcement to the RNS, entered into the Placing Agreement with the Company under which OAK Securities has undertaken, on the terms and subject to the conditions set out therein, to use its reasonable endeavours as agent of the Company, to procure Placees for the Placing Shares. This Appendix gives details of the terms and conditions of, and the mechanics for participation in, the Placing.

Each Placee's commitment to subscribe for Placing Shares under the Placing and to participate in the Bookbuild (as defined below) will be agreed (by email, orally or otherwise) with OAK Securities and such agreement will constitute a binding irrevocable commitment by a Placee, subject to the Terms and Conditions set out in this Appendix, to subscribe for and pay for Placing Shares at the Issue Price. Such commitment is not capable of variation, termination or rescission by the Placee in any circumstances except fraud. Upon such agreement, each Placee has an immediate, separate, irrevocable and binding obligation owed to OAK Securities, as agent for the Company, to pay OAK Securities (or as it may direct) in cleared funds an amount equal to the product of the Issue Price and the total number of Placing Shares such Placee has agreed to subscribe for in the Placing. All such obligations are entered into by the Placee with OAK Securities, acting in its capacity as agent of the Company, and are therefore directly enforceable by the Company.

Each Placee's allocation of Placing Shares will be agreed between OAK Securities and the Company and will be confirmed by email or orally to each Placee by OAK Securities (as agent for the Company) as soon as possible following the closing of the Bookbuild and confirmed in writing, including the aggregate amount owed by such Placee to OAK Securities and settlement instructions ("**Contract**

Confirmation"). The confirmation to such Placee by OAK Securities (as agent for the Company) constitutes an irrevocable legally binding commitment upon that person (who will at that point become a Placee) in favour of OAK Securities and the Company to subscribe for the number of Placing Shares allocated to it at the Placing Price on the terms and conditions set out in this Appendix and in accordance with the Company's articles of association. All obligations under the Placing will be subject to fulfilment of the conditions referred to below under 'Conditions of the Placing' and to the Placing not being terminated on the basis referred to below under 'Right to terminate the Placing Agreement'. By participating in Placing, each Placee agrees that its rights and obligations in respect of the Placing will terminate only in the circumstances described below and will not be capable of rescission or termination by the Placee.

OAK Securities and its affiliates are entitled to enter bids as principal in the Placing.

Irrespective of the time at which a Placee's allocation pursuant to the Placing is confirmed, settlement for all Placing Shares to be subscribed for pursuant to the Placing will be required to be made at the same time, on the basis explained below under 'Registration and Settlement'.

The Company confirms that the Placing Shares will when issued, subject to the constitution of the Company, rank *pari passu* in all respects and form one class with the existing Ordinary Shares of the Company in issue as at the date of this announcement, including the right to receive dividends or other distributions after the date of issue of the Placing Shares, if any. The Placing Shares are or will be issued free of any encumbrance, lien or other security interest.

Applications for Admission

Immediately upon their issue and allotment, the New Shares will not be admitted to the Official List maintained by the Financial Conduct Authority (FCA) or to trading on the main market for listed securities operated by the London Stock Exchange plc. The Company will apply for Admission of the New Shares as soon as practicable upon, and subject to, the FCA's approval of a prospectus in respect of the New Shares. Subject to the Resolutions being passed at the General Meeting, the details of which are set out in the Circular, it is anticipated that settlement of the Placing Shares is anticipated to become effective on 18 July 2025.

Bookbuild

The Placing will be conducted through an accelerated bookbuilding process (the "**Bookbuild**" or the "**Bookbuilding Process**"), which will be launched immediately following this Announcement. The timing of the closing of the Bookbuild and allocations are at the absolute discretion of OAK Securities and the Company. It is currently envisaged that the result of the Bookbuilding Process will be announced via the RNS on Monday, 30 July 2025 at or around 7.00 a.m.

Scaling back

OAK Securities (after consulting with the Company) reserves the right to scale back the number of Placing Shares to be subscribed by any Placee or the number of Placing Shares to be subscribed for by all Placees in aggregate. OAK Securities also reserves the right not to offer allocations of Placing Shares to any person and not to accept offers to subscribe for Placing Shares or to accept such offers in part rather than in whole. OAK Securities shall be entitled to effect the Placing by such alternative method to the Bookbuild as it shall in its sole discretion lawfully determine in the exercise of its appointment and the powers, authority and discretion conferred on it as the sole broker.

To the fullest extent permissible by law, neither OAK Securities nor any holding company of OAK Securities, nor any subsidiary, branch or affiliate of any of OAK Securities (each an "**Affiliate**") nor any person acting on behalf of any of the foregoing shall have any liability to Placees (or to any other person whether acting on behalf of a Placee or otherwise). In particular, neither OAK Securities, nor any of its Affiliates nor any person acting on behalf of any such person shall have any liability to Placees in respect of its conduct of the Placing.

Following the General Meeting, the Placing Agreement is not capable of termination to the extent it relates to the Placing of any of the Placing Shares.

The exercise by OAK Securities of a right of termination (or any right of waiver exercisable by OAK Securities contained in the Placing Agreement or the exercise of any discretion under the Terms and Conditions set out herein is within the absolute discretion of OAK Securities and OAK Securities will not have any liability to Placees whatsoever in connection with any decision to exercise or not exercise any such rights.

OAK Securities reserves the right to require settlement for, and delivery of, the Placing Shares (or a portion thereof) to Placees by such other means that it may deem necessary if delivery or settlement is not possible or practicable within CREST within the timetable set out in the Announcement or would not be consistent with the regulatory requirements in the jurisdiction of any Placee.

Following despatch of Contract Confirmations, Placees will be required to confirm by email to OAK Securities (as agent for the Company) the CREST account details in their names or in the names of their CREST nominees to which their Placing Shares should be credited.

Subject to the Resolutions being passed at the General Meeting, the details of which are set out in the Circular, it is expected that settlement for Placing Shares will take place at 8.00 a.m. on 18 February 2025 unless otherwise notified by OAK Securities.

Interest is chargeable daily on payments not received from Placees on the due date in accordance with the arrangements set out above at the rate of 2 percentage points above the base rate of Barclays Bank Plc as determined by OAK Securities, with interest compounded on a daily basis.

Each Placee is deemed to agree that, if it does not comply with these obligations, OAK Securities may sell any or all of the Placing Shares allocated to that Placee on such Placee's behalf and retain from the proceeds, for its account and benefit (as agent for the Company), an amount equal to the aggregate amount owed by the Placee plus any interest due. The relevant Placee will, however, remain liable for any shortfall below the aggregate amount owed by it and may be required to bear any stamp duty or stamp duty reserve tax or securities transfer tax (together with any interest or penalties) which may arise in any jurisdiction upon the sale of such Placing Shares on such Placee's behalf. By communicating a bid for Placing Shares, each Placee confers on OAK Securities all such authorities and powers necessary or desirable to carry out any such sale and agrees to ratify and confirm all actions which OAK Securities lawfully takes in pursuance of such sale.

If Placing Shares are to be delivered to a custodian or settlement agent, Placees should ensure that the Contract Confirmation is copied and delivered immediately to the relevant person within that organisation.

The Company confirms that, insofar as Placing Shares are registered in a Placee's name or that of its nominee or in the name of any person for whom a Placee is contracting as agent or that of a nominee for such person, such Placing Shares should, subject as provided below, be so registered free from any liability to UK stamp duty or stamp duty reserve tax or securities transfer tax.

Placees will not be entitled to receive any fee or commission in connection with the Placing.
